BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The Volunteer Fireman's Relief Association Of Riverside Borough, herein referred to as the Riverside Volunteer Firefighters' Relief Association, is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality.

RIVERSIDE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Undocumented Expenditure

Condition: The relief association was unable to provide adequate supporting documentation for an expenditure amounting to \$750 to Mahoning Township Volunteer Fire Department on October 3, 2013.

Criteria: Act 118 at 35 Pa C.S. § 7418(a) states:

The Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters' relief association receiving money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No. 205), [FN1] known as the Municipal Pension Plan Funding Standard and Recovery Act, as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Without adequate supporting documentation, such as an invoice, this department is unable to determine whether relief association funds were expended for purposes authorized by Act 118. Furthermore, prudent business practice dictates that supporting documentation be maintained to evidence the propriety of all financial transactions.

Cause: Relief association officials failed to establish adequate internal control procedures to ensure supporting documentation is maintained for all expenditures.

Effect: Lack of supporting documentation, such as an invoice, made it impossible to determine if the expenditure was made in accordance with Act 118 at 35 Pa. C.S. § 7416(f). In addition, the failure to maintain adequate supporting documentation for relief association expenditures can lead to an increased risk of errors occurring and funds being misappropriated.

Recommendation: We recommend that the relief association officials provide this department with adequate supporting documentation, such as an invoice, to ensure the propriety of the expenditure or that the relief association be reimbursed \$750 for the undocumented expenditure. We also recommend that the relief association officials maintain supporting documentation for all future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.
