BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The Pleasant Hills Volunteer Fire Company and Relief Association, Inc., herein referred to as the Pleasant Hills Volunteer Firefighters' Relief Association, is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality.

FINDING AND RECOMMENDATION

Finding – Unauthorized Expenditure

Condition: The relief association expended \$2,028 for the fire company bond policy during the audit period and \$1,014 for the fire company bond policy subsequent to the audit period, which is not authorized by Act 118.

Criteria: Act 118 at 35 Pa.C.S. § 7416(f)(1,2,4,8,12) states:

- (1) To pay for such normal and reasonable running expenses as may be appropriate to the businesslike conduct of the affairs of the association, including legal fees, rental or purchase of offices, payment of reasonable compensation of employees and purchase of office equipment and supplies.
- (2) To purchase contracts of insurance which, at a minimum, shall afford financial assistance to active members of the fire service represented by the association against losses due to injury suffered in the fire service and may also provide, in the order named: (i) for payments to the surviving spouse or other dependents of a member in the event of the member's death; (ii) for protection of active firefighters against disease; (iii) for replacement or purchase of prosthetic devices such as visual aids, hearing aids, dentures, braces, crutches and the like, where those devices have been lost or damaged while the owner was engaged in the fire service or where the need for those devices arose because of functional impairment attributable to participation in the fire service; (iv) for repair or replacement, if necessary, of articles of clothing or pocket pagers damaged or lost in the course of participation in the fire service; and (v) for disability incurred after service for a minimum of 20 years as a volunteer firefighter.
- (4) To pay in full or in part for damage or loss in any of the categories mentioned in paragraph (2) in a specific case where: (i) no policy of insurance is in force covering the risk; or (ii) the amount payable under insurance policies in force is inadequate to cover the loss.
- (8) To contribute to or to purchase contracts of insurance which will contribute to the cost of rehabilitating and retraining volunteer firefighters who, by reason of their participation in the fire service, have suffered a major impairment of the ability to continue their vocation.

PLEASANT HILLS VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

- (12) To secure insurance against legal liability of the volunteer firefighters for loss and expense from claims arising out of performance of official and authorized duties while going to, returning from or attending fires or performing their duties as special fire police.

Costs associated with the purchase of fire company bond policy premiums do not qualify as an authorized volunteer firefighters' relief association expenditure; consequently, this disbursement is not authorized under Act 118.

Cause: Relief association officials indicated that they were unaware that the expenditure for the fire company bond policy premium was not authorized by Act 118.

Effect: As a result of this improper expenditure, relief association funds were not available for investment purposes or to pay for expenditures authorized by Act 118.

Recommendation: We recommend that the relief association be reimbursed \$3,042 for the unauthorized expenditure and that relief association officials become familiar with Act 118 at 35 Pa.C.S. § 7416(f) to aid them in determining the propriety of future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and, as a result of our audit, the affiliated fire company reimbursed the relief association \$3,042 for the unauthorized expenditure on February 12, 2015.

Auditor's Conclusion: We reviewed documentation verifying that the reimbursement of \$3,042 was received. Compliance for expenditures made during the next audit period will be subject to verification through our next audit.
