TIMOTHY L. DEFOOR AUDITOR GENERAL

Mr. Christopher Matello, President Courtdale Volunteer Firemen's Relief Association Luzerne County

We have conducted a compliance audit of the Courtdale Volunteer Firemen's Relief Association (relief association) for the period January 1, 2020, to December 31, 2022. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief association funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

We were not able to obtain an independent confirmation of the cash balance directly from the financial institution. Therefore, while the relief association provided copies of bank statements that indicated that, as of December 31, 2022, the relief association had a cash balance of \$3,627, we were not able to verify this cash balance.

Based on our audit procedures, we conclude that, except for the effects, if any, of the matter described in the preceding paragraph, for the period January 1, 2020, to December 31, 2022, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 - Untimely Deposit Of State Aid

Finding No. 2 - Failure To Adhere To Relief Association Bylaws

Finding No. 3 - Inadequate Minutes Of Meetings And Relief Association Bylaws

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

The relief association was allocated state aid from the following municipality:

Municipality	County	2020	2021	2022
Courtdale Borough	Luzerne	\$3,476*	\$3,094	\$3,640

^{*} The 2020 state aid allocation received from Courtdale Borough was not deposited by the relief association until January 4, 2021, as disclosed in Finding No. 1 in this report.

³ 53 P.S. § 895.701 et seq. (Act 205 of 1984, as amended by Act 119 of 1990).

¹ 72 P.S. § 403 (as last amended by Act 44 of 2017).

² 35 Pa.C.S. § 7411 et seq. See specifically, 35 Pa.C.S. § 7418 (amended by Act 91 of 2020).

BACKGROUND – (Continued)

Based on the relief association's records, its total cash as of December 31, 2022, was \$3,627 as illustrated below:

Cash \$ 3,627

Based on the relief association's records, its total expenditures for the period January 1, 2020, to December 31, 2022, were \$11,943, as noted below. The accuracy of these expenditures was evaluated as part of the Department's audit to conclude on the relief association's compliance with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. The scope of the Department's audit does not include the issuance of an opinion on the accuracy of these amounts.

Expenditures:

Benefit Services:	
Insurance premiums	\$ 9,290
Fire Services:	
Equipment maintenance	\$ 1,787
Administrative Services:	
Bond premiums	\$ 750
Other administrative expenses	116

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Courtdale Volunteer Hose Company

⁴ Accuracy was evaluated for a selection of transactions based on dollar amount, category, and/or random selection.

Finding No. 1 – Untimely Deposit Of State Aid

Condition: The relief association did not deposit the 2020 state aid allocation it received from Courtdale Borough, in the amount of \$3,476, until January 4, 2021. The foreign fire insurance tax allocation was distributed to the municipal treasurer on September 22, 2020, who forwarded this state aid to the relief association on September 25, 2020, which is within 60 days of receipt, as required by Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205); however, upon receipt of the state aid allocation, the relief association did not ensure the funds were deposited timely into a relief association account.

<u>Criteria</u>: Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205), states:

The foreign fire insurance premium tax amount applicable to a municipality served solely by volunteer firefighters shall be paid to the municipality, which shall within 60 days of the date of the receipt of the moneys from the State Treasurer pay the amount received to the relief association fund of the fire department or departments, or fire company or companies, now existing or hereafter organized, inside or outside of the municipality, which is or are actively engaged in the service of the municipality and duly recognized by the governing body of the municipality.

Furthermore, prudent business practice dictates that upon receipt of its state aid allocation, the relief association should establish adequate internal control procedures to ensure the funds are deposited in a timely manner.

<u>Cause</u>: The relief association official stated that the borough did not get the check to the relief association until after 2020 as the reason for the untimely deposit of the state aid allocation.

<u>Effect</u>: As a result of the untimely deposit, funds were not available to pay general operating expenses or for investment purposes. In addition, an untimely deposit of receipts increases the risk that funds could be lost or misappropriated.

<u>Recommendation</u>: We recommend that the relief association officials adopt internal control procedures to ensure the timely deposit of all future income received. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

Finding No. 2 – Failure To Adhere To Relief Association Bylaws

<u>Condition</u>: The relief association did not adhere to provisions in the association's bylaws as the secretary position has remained vacant for more than three years.

Criteria: The relief association's bylaws stipulate the following:

• Article V, Section A - The Officers of this Association shall be: a President, Vice-President, Secretary and Treasurer.

Furthermore, prudent business practice dictates that the relief association should adhere to all provisions stipulated in the relief association's bylaws to ensure that the relief association conducts its affairs with proper authorization.

<u>Cause</u>: Relief association officials stated the previous secretary passed away four years ago and no one has been elected to the office since then.

<u>Effect</u>: As a result of the relief association not following the mandatory provision stipulated in the bylaws, the relief association may have conducted its affairs without proper authorization.

<u>Recommendation</u>: We recommend that the relief association officials review the bylaws governing their organization and establish guidelines and procedures to meet the provisions contained in the bylaws in order to ensure that the association conducts its affairs with proper authorization. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

Finding No. 3 – Inadequate Minutes Of Meetings And Relief Association Bylaws

Condition: The relief association failed to maintain detailed minutes of meetings as required by the VFRA Act and the relief association's bylaws. Specifically, the relief association's minutes did not address all financial-related transactions that occurred during the audit period. In addition, meetings were not held during calendar year 2020, two-months during calendar year 2021, and two-months during calendar year 2022. Furthermore, the meeting minutes were not signed and dated by the recording officer. The existing bylaws of the relief association contains language to conduct business pertaining to the disbursement, investment, and purchase of funds that is based on Act 84 of June 11, 1968. The relief association has not updated the bylaws to govern their organization to meet the requirements set forth in the VFRA Act (Act 118 of 2010 and Act 91 of 2020).

<u>Criteria</u>: Section 7415(a) of the VFRA Act states, in part, that the relief association:

... must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

The relief association's bylaws at Article IV states:

The membership of the Association shall be the highest law making body of the organization. There shall be a minimum of five members present to constitute a quorum. Regular meetings shall be held on the first Monday of each month.

In addition, the relief association's bylaws at Article V, Section D states, in part:

Secretary: Shall keep a true and accurate record of the proceedings of every meeting in the minutes. The minutes shall note authorization by the members of all Association financial transactions and all other pertinent business discussed at the meetings. Shall keep a record of all correspondence sent and received by the Association.

Furthermore, the relief association's bylaws at Article IX states, in part:

Funds of the Association may be invested in any security authorized by the provisions of Section 6(c) of Act 84.

Finding No. 3 – (Continued)

<u>Cause</u>: Relief association officials stated that due to not having a secretary for four years, minutes were either lost or not recorded during the meetings. In addition, the relief association officials did not provide a reason why financial transactions were not addressed within the meeting minutes, why the Secretary of the Relief Association did not sign the meeting minutes, why all required meetings were not held or why the bylaws were not updated to meet the requirements of the VFRA Act.

<u>Effect</u>: Without holding regular meetings and maintaining detailed minutes of meetings that are signed and dated, evidence that relief association business was presented before the membership for approval does not exist. As a result of the relief association not updating the bylaws to meet the appropriate requirements, the relief association may have conducted its affairs without proper authorization.

Recommendation: We recommend that the relief association officials hold all required meetings and maintain detailed minutes of meetings as required by the VFRA Act and the relief association's bylaws, evidencing the discussion and approval of all financial-related business conducted by the relief association. The minutes should include an adequate record of all financial-related business conducted by the relief association. We also recommend that the relief association officials ensure that all meeting minutes are signed and dated by the Secretary of the Relief Association to ensure the validity of the meeting minutes. In addition, we recommend that the relief association officials remove the language referring to Act 84 by updating the bylaws governing their organization so that the bylaws meet the requirements set forth in the VFRA Act (Act 118 of 2010 and Act 91 of 2020). For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
