**TIMOTHY L. DEFOOR
AUDITOR GENERAL**

Mr. Clinton Mast, President
Kutztown Volunteer Community Fire
Company Relief Association
Lebanon County

We have conducted a compliance audit of the Kutztown Volunteer Community Fire Company Relief Association (relief association) for the period January 1, 2020, to December 31, 2022. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the finding contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief association funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

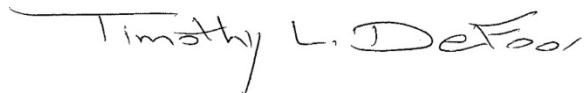

Based on our audit procedures, we conclude that, for the period January 1, 2020, to December 31, 2022:

- The relief association took appropriate corrective action to address the finding contained in our prior audit report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 – Failure To Maintain A Pennsylvania Sales Tax Exemption
Number And Payment Of Pennsylvania Sales Tax

Finding No. 2 – Failure To Maintain A Complete And Accurate Equipment
Roster

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

STATUS OF PRIOR FINDING

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has complied with the prior audit finding and recommendation, as follows:

- Inadequate Minutes Of Meetings

By maintaining detailed minutes of all relief association meetings held during the period.

KUTZTOWN VOLUNTEER COMMUNITY FIRE COMPANY RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

**Finding No. 1 – Failure To Maintain A Pennsylvania Sales Tax Exemption Number And
Payment Of Pennsylvania Sales Tax**

Condition: As cited as verbal observations in previous audit reports, the relief association failed to maintain a Pennsylvania sales tax exemption number. Although the relief association did have its own sales tax exemption number, it expired on August 31, 2008, and is no longer valid.

In addition, the relief association paid \$148 of Pennsylvania sales tax to vendors from which the relief association purchased equipment. These payments would not have been required if the relief association had a current, unexpired number and provided its sales tax exemption number to the vendors.

Criteria: Section 7415(e) of the VFRA Act states:

A volunteer firefighters' relief association organized or conducted in accordance with the requirements of this section shall be regarded as a charitable corporation for all purposes, including the right to establish exemption from the operation of certain taxes.

Cause: Relief association officials indicated that they were unaware that its sales tax exemption number from the Pennsylvania Department of Revenue had expired and the necessity to provide their state sales tax exemption number to all vendors which the relief association purchases equipment.

Effect: As a result of the relief association's continued failure to maintain a sales tax exemption number and provide its sales tax number to all vendors, the relief association was required to pay Pennsylvania sales tax on its purchases, which reduced the funds otherwise available for general operating expenditures or for investment purposes.

Recommendation: We recommend that the relief association officials immediately reapply for a new state sales tax exemption number from the Department of Revenue and furnish this exemption number to all vendors from whom the relief association purchases equipment. In addition, we recommend that the relief association officials seek a refund of the sales tax paid, in the amount of \$148, by filing an appeal form (REV-65BA) with the Pennsylvania Department of Revenue's Board of Appeals. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

KUTZTOWN VOLUNTEER COMMUNITY FIRE COMPANY RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – Failure To Maintain A Complete And Accurate Equipment Roster

Condition: The relief association failed to maintain a complete and accurate roster of equipment owned by the relief association. Although a listing of relief association owned equipment was provided during the current audit, this listing was incomplete and did not accurately identify all the equipment owned by the relief association. The relief association purchased \$28,046 of equipment during the current audit period, but equipment for \$9,645 of those purchases was not properly accounted for on the relief association's equipment roster. In addition, there was no indication that a physical inventory of equipment was conducted on an annual basis to account for the equipment owned by the relief association.

Criteria: Prudent business practice dictates that the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association and perform and document an annual physical inventory of all operable equipment in order to provide an effective accounting control over the relief association's equipment. A cumulative equipment roster of all relief association equipment should include all of the following:

- Types of equipment purchased
- Dates of purchase
- Unit costs
- Names of suppliers
- Serial numbers, if applicable
- Current locations of items
- Final dispositions of sold or damaged equipment
- Evidence of the performance and results of an annual physical inventory

Cause: The relief association officer stated that when the relief association was updating records to the computer, a few items were missed.

Effect: The failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual physical inventory of equipment prevents adequate accountability for, and safeguarding of, relief association equipment.

Recommendation: We recommend that the relief association officials maintain a cumulative equipment roster of all equipment owned by the relief association. Furthermore, the relief association should ensure it performs an annual physical inventory of all operable equipment and that the completion of the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.
