TIMOTHY L. DEFOOR AUDITOR GENERAL

Mr. David Sobolewski, Jr., President Nuremberg-Weston Volunteer Firemen's Relief Association Schuylkill County

We have conducted a compliance audit of the Nuremberg-Weston Volunteer Firemen's Relief Association (relief association) for the period January 1, 2020, to December 31, 2022. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objectives of the audit were:

- 1. To determine if the relief association took appropriate corrective action to address the finding contained in our prior audit report.
- 2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

This report is a revised report previously dated July 28, 2023, and is revised to correct an error that was in the state aid allocation table on page 2 of the Background section concerning the name of one of the municipalities that distributed state aid to the relief association.

Based on our audit procedures, we conclude that, for the period January 1, 2020, to December 31, 2022:

- The relief association did not take appropriate corrective action to address the finding contained in our prior audit report, as detailed below, and discussed in the Status of Prior Finding section of this report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding - Noncompliance With Prior Audit Recommendation - Inadequate Minutes Of Meetings And Relief Association Bylaws

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

¹ 72 P.S. § 403 (as last amended by Act 44 of 2017).

² 35 Pa.C.S. § 7411 et seq. See specifically, 35 Pa.C.S. § 7418 (amended by Act 91 of 2020).

BACKGROUND – (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Nuremberg-Weston Fire Company

NUREMBERG-WESTON VOLUNTEER FIREMEN'S RELIEF ASSOCIATION STATUS OF PRIOR FINDING

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has not complied with the following prior audit finding. This finding is noted below and discussed in detail in the Finding and Recommendation section of this report:

• Inadequate Minutes Of Meetings

We are concerned by the relief association's failure to correct this previously reported audit finding. The relief association management should strive to implement the recommendation and corrective action noted in this audit report.

NUREMBERG-WESTON VOLUNTEER FIREMEN'S RELIEF ASSOCIATION FINDING AND RECOMMENDATION

<u>Finding – Noncompliance With Prior Audit Recommendation – Inadequate Minutes Of</u> <u>Meetings And Relief Association Bylaws</u>

<u>Condition</u>: The relief association failed to maintain detailed minutes of meetings as required by the VFRA Act. Specifically, the relief association's minutes did not address all of the financial-related transactions that occurred during the audit period. In addition, the existing bylaws of the relief association contains language to conduct business pertaining to the disbursement, investment, and purchase of funds that is based on Act 84 of June 11, 1968. The relief association has not updated the bylaws to govern their organization to meet the requirements set forth in the VFRA Act (Act 118 of 2010 and Act 91 of 2020).

A similar condition was noted in our prior audit report.

<u>Criteria</u>: Section 7415(a) of the VFRA Act states, in part, that the relief association:

... must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

The relief association's bylaws at Article II, Section I states, in part:

Regular semi-annual meetings of this association should be held on the 1st Sunday of May and the 1st Sunday of November following the regular meeting of the Nuremberg-Weston Fire Company.

In addition, the relief association's bylaws at Article III, Section 3 states, in part:

Secretary: The Secretary shall keep a true record of the proceedings of every meeting in the minutes. <u>The minutes shall note authorization by the membership of all association financial transactions</u> and all other pertinent business discussed at meetings. (Emphasis added.)

Furthermore, the relief association's bylaws at Article VI, Section 1 states, in part:

Funds of this association may be invested in any security authorized by the provisions of Section 6 (c) of Act 84.

Further, it is good business practice to hold meetings on a regular basis (monthly) to facilitate timely communication of relief association business and financial transactions in a timely manner.

NUREMBERG-WESTON VOLUNTEER FIREMEN'S RELIEF ASSOCIATION FINDING AND RECOMMENDATION

<u>Finding – (Continued)</u>

<u>Cause</u>: The relief association officials indicated that they were unaware that maintaining detailed minutes of meetings was required by the VFRA Act and the relief association's bylaws. In addition, the relief association officials did not provide a reason why this occurred or why the bylaws were not updated.

<u>Effect</u>: Without holding more regular meetings and maintaining detailed minutes of meetings, there is no evidence that relief association business was presented before the membership for approval. Also, as a result of the relief association not updating the bylaws to meet the current requirements, the relief association may have conducted its affairs without proper authorization.

Recommendation: We again recommend that the relief association officials maintain detailed minutes of meetings as required by the VFRA Act and the relief association's bylaws, evidencing the discussion and approval of all financial-related business conducted by the relief association. The minutes should include an adequate record of all financial-related business conducted by the relief association. We also recommend that the relief association officials remove the language referring to Act 84 by updating the bylaws governing their organization so that the bylaws meet the requirements set forth in the VFRA Act (Act 118 of 2010 and Act 91 of 2020) and consider amending the bylaws to hold monthly meetings. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

<u>Auditor's Conclusion</u>: We are concerned by the relief association's failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.
