AUDITOR GENERAL

Mr. Michael Galli, President
Sharon Hill Volunteer Fire Fighters
Relief Association Of
Sharon Hill, Pa.
Delaware County

We have conducted a compliance audit of the Sharon Hill Volunteer Fire Fighters Relief Association Of Sharon Hill, Pa. (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2015 to December 31, 2016.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the finding contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

We were not able to obtain independent confirmations of the cash balance and the investment balance directly from the financial institutions. Therefore, while the relief association provided bank and investment statements that indicated that, as of December 31, 2016, the relief association had a cash balance of \$60,807 and an investment balance with a fair value of \$1,171,467, we were not able to verify those cash and investment balances.

Based on our audit procedures, we conclude that, for the period January 1, 2015 to December 31, 2016:

- Except for the effects, if any, of the matters described in the preceding paragraph, the relief association took appropriate corrective action to address the finding contained in our prior audit report.
- Because of the significance of the matters described in the findings below and discussed later in this report, the relief association did not, in all significant respects, comply with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, collectively as a whole. Therefore, the relief association may be subject to the potential withholding of its upcoming state aid distribution, as discussed in the Potential Withhold of State Aid section of this report.

Finding No. 1 – Undocumented Expenditures

Finding No. 2 – Inappropriate Ownership Of Rescue Vehicle

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

SHARON HILL, PA.
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Undocumented Expenditures

Condition: The relief association was unable to provide adequate supporting documentation for the following expenditures made during the current audit period:

<u>Date</u>	<u>Check No.</u>	<u>Payee Description</u>	<u>Amount</u>
04/13/15	Debit Card	Retail Store	\$ 390
09/01/15	Debit Card	Retail Store	2,298
Total			<u>\$ 2,688</u>

Criteria: Act 118 at 35 Pa.C.S. § 7418(a) states:

The Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters’ relief association receiving money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No. 205), known as the Municipal Pension Plan Funding Standard and Recovery Act, as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Without adequate supporting documentation, such as an invoice, this department is unable to determine whether relief association funds were expended for purposes authorized by Act 118. Furthermore, prudent business practice dictates that supporting documentation be maintained to evidence the propriety of all financial transactions.

Cause: Relief association officials failed to establish adequate internal control procedures to ensure supporting documentation is maintained for all expenditures.

Effect: Lack of supporting documentation, such as invoices and detailed minutes of meetings, made it impossible to determine if the expenditures were made in accordance with Act 118 at 35 Pa.C.S. § 7416(f). In addition, the failure to maintain adequate supporting documentation for relief association expenditures can lead to an increased risk of errors occurring and funds being misappropriated.

SHARON HILL VOLUNTEER FIRE FIGHTERS RELIEF ASSOCIATION OF
SHARON HILL, PA.
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

Recommendation: We recommend that the relief association officials provide this department with adequate supporting documentation, such as invoices, to ensure the propriety of the expenditures or that the relief association be reimbursed \$2,688 for the undocumented expenditures. We also recommend that the relief association officials maintain supporting documentation for all future expenditures. For further guidance, please refer to the Auditor General’s publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS’ RELIEF ASSOCIATIONS.

Management’s Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor’s Conclusion: Compliance will be subject to verification through our next audit.

Finding – No. 2 Inappropriate Ownership Of Rescue Vehicle

Condition: On April 28, 2016, the relief association purchased a rescue vehicle, in the amount of \$37,603, to carry personnel and safeguard equipment; however, the title to the vehicle was inappropriately issued in the name of the fire company.

Criteria: Prudent business practice dictates that the relief association should maintain sole ownership of all equipment purchased by the relief association. As such, rescue vehicles purchased by the relief association are to be titled in the name of the relief association.

Cause: Relief association officials failed to establish adequate internal control procedures to ensure that the rescue vehicle purchased was titled in the name of the relief association.

Effect: As a result of the rescue vehicle being inappropriately titled in the name of the fire company, this relief association asset was not properly safeguarded.

Furthermore, the relief association’s future state aid allocations may be withheld until the finding recommendation is complied with.

Recommendation: We recommend that the rescue vehicle be titled in the name of the relief association. If such action is not taken, we recommend that the relief association be reimbursed \$37,603. For further guidance, please refer to the Auditor General’s publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS’ RELIEF ASSOCIATIONS.

POTENTIAL WITHHOLD OF STATE AID

A condition such as that reported by Finding No. 2 contained in this audit report may lead to a total withholding of state aid in the future unless that finding is corrected. However, such action may not be considered if sufficient documentation is provided within 60 days to verify compliance with this department's recommendations. Such documentation should be submitted by the relief association to: Department of the Auditor General, Bureau of Fire Relief Audits, Room 327 Finance Building, Harrisburg, PA 17120.
