EUGENE A. DePASQUALE
AUDITOR GENERAL

Board of Township Supervisors
Lehman Township
Pike County
Bushkill, PA 18324

We have conducted a compliance audit of the Lehman Township Non-Uniformed Pension Plan for the period January 1, 2012 to December 31, 2014. We also evaluated compliance with some requirements subsequent to that period when possible. The audit was conducted pursuant to authority derived from Section 402(j) of Act 205 and in accordance with the standards applicable to performance audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform our audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our finding and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our finding and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if municipal officials took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objectives identified above. To determine if municipal officials took appropriate corrective action to address the finding contained in our prior audit report, we inquired of plan officials and evaluated supporting documentation provided by officials evidencing that the suggested corrective action has been appropriately taken. To determine whether the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, our methodology included the following:

- × We determined whether state aid was properly determined and deposited in accordance with Act 205 requirements by verifying the annual deposit date of state aid and determining whether deposits were made within 30 days of receipt for all years within the period under audit. State aid allocations that were deposited into the pension plan for the years ended December 31, 2009 to December 31, 2014, are presented on the Summary of Deposited State Aid and Employer Contributions.

- × We determined whether annual employer contributions were calculated and deposited in accordance with the plan's governing document and applicable laws and regulations by examining the municipality's calculation of the plan's annual financial requirements and minimum municipal obligation (MMO) and comparing these calculated amounts to amounts actually budgeted and deposited into the pension plan as evidenced by supporting documentation. Employer contributions that were deposited into the pension plan for the years ended December 31, 2009 to December 31, 2014, are presented on the Summary of Deposited State Aid and Employer Contributions.
- × We determined whether annual employee contributions were calculated, deducted, and deposited into the pension plan in accordance with the plan's governing document and applicable laws and regulations by testing members' contributions on an annual basis using the rates obtained from the plan's governing document in effect for all years within the period under audit and examining documents evidencing the deposit of these employee contributions into the pension plan. We also tested individual employee contributions for all 14 active employees employed during 2012, all 15 active employees employed during 2013 and all 13 active employees employed during 2014, amounting to \$53,811, \$63,374 and \$51,629, for the years 2012, 2013 and 2014, respectively.
- × We determined whether retirement benefits calculated for all 4 of the plan members who retired during the current audit period, and through the completion of our fieldwork procedures, represent payments to all (and only) those entitled to receive them and were properly determined and disbursed in accordance with the plan's governing document, applicable laws and regulations by recalculating the amount of the monthly pension benefit due to the retired individuals and comparing these amounts to supporting documentation evidencing amounts determined and actually paid to the recipients.
- × We determined whether the January 1, 2011 and January 1, 2013 actuarial valuation reports were prepared and submitted to the Public Employee Retirement Commission (PERC) by March 31, 2012 and 2014, respectively, in accordance with Act 205 and whether selected information provided on these reports is accurate, complete, and in accordance with plan provisions to ensure compliance for participation in the state aid program by comparing selected information to supporting source documentation.
- × We determined whether the terms of the contractual agreement with the Pennsylvania Municipal Retirement System were in accordance with the plan's governing document, if separately stated, and applicable laws and regulations by comparing the terms of the contractual agreement with the plan's governing document, if separately stated, and applicable laws and regulations.

The Lehman Township Non-Uniformed Pension Plan participates in the Pennsylvania Municipal Retirement System (PMRS), which is an agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for participating municipal pension plans. PMRS issues a separate Comprehensive Annual Financial Report, copies of which are available from the PMRS accounting office. PMRS's financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

Township officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Lehman Township Non-Uniformed Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. In conducting our audit, we obtained an understanding of the township's internal controls as they relate to the township's compliance with those requirements and that we considered to be significant within the context of our audit objectives, and assessed whether those significant controls were properly designed and implemented. Additionally and as previously described, we tested transactions, assessed official actions, performed analytical procedures, and interviewed selected officials to provide reasonable assurance of detecting instances of noncompliance with legal and regulatory requirements or noncompliance with provisions of contracts, administrative procedures, and local ordinances and policies that are significant within the context of the audit objectives.

The results of our procedures indicated that, in all significant respects, the Lehman Township Non-Uniformed Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following finding further discussed later in this report:

Finding – Receipt Of State Aid In Excess Of Entitlement

The contents of this report were discussed with officials of Lehman Township and, where appropriate, their responses have been included in the report. We would like to thank township officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans. Section 402(j) of Act 205 specifically requires the Auditor General, as deemed necessary, to make an audit of every municipality which receives general municipal pension system state aid and of every municipal pension plan and fund in which general municipal pension system state aid is deposited.

Annual state aid allocations are provided from a 2 percent foreign (out-of-state) casualty insurance premium tax, a portion of the foreign (out-of-state) fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Lehman Township Non-Uniformed Pension Plan is also governed by implementing regulations adopted by the Public Employee Retirement Commission published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

- Act 15 - Pennsylvania Municipal Retirement Law, Act of February 1, 1974 (P.L. 34, No. 15), as amended, 53 P.S. § 881.101 et seq.
- Act 69 - The Second Class Township Code, Act of May 1, 1933 (P.L. 103, No. 69), as reenacted and amended, 53 P.S. § 65101 et seq.

The Lehman Township Non-Uniformed Pension Plan is a single-employer cash balance pension plan locally controlled by the provisions of Ordinance No. 127, adopted pursuant to Act 15. The plan was established January 1, 1989. Active members are required to contribute 2 percent of compensation to the plan. The municipality is required to contribute 8 percent of each member's compensation. As of December 31, 2014, the plan had 13 active members, 1 terminated member eligible for vested benefits in the future, and 7 retirees receiving benefits funded through annuities purchased with plan assets.

LEHMAN TOWNSHIP NON-UNIFORMED PENSION PLAN
STATUS OF PRIOR FINDING

Compliance With Prior Audit Recommendation

Lehman Township has complied with the prior audit recommendation concerning the following:

- Incorrect Data On Certification Form AG 385 Resulting In An Overpayment Of State Aid

The township reimbursed \$3,243 to the Commonwealth for the excess state aid received in 2010.

LEHMAN TOWNSHIP NON-UNIFORMED PENSION PLAN
FINDING AND RECOMMENDATION

Finding - Receipt Of State Aid In Excess Of Entitlement

Condition: The township received state aid in excess of the non-uniformed pension plan's pension costs in the year 2014, as illustrated below:

State aid allocation	\$ 54,218
Actual municipal pension costs	<u>(51,194)</u>
Excess state aid	<u>\$ 3,024</u>

Criteria: Section 402(f)(2) of Act 205 states:

No municipality shall be entitled to receive an allocation of general municipal pension system State aid in an amount which exceeds the aggregate actual financial requirements of any municipal pension plans for police officers, paid firefighters or employees other than police officers or paid firefighters maintained by the municipality, less the amount of any aggregate annual member or employee contributions during the next succeeding plan year, as reported in the most recent complete actuarial report filed with the commission.

Cause: Plan officials failed to establish adequate internal control procedures to reconcile the township's state aid allocation with the plan's actual defined contribution pension costs.

Effect: It is this department's opinion that because the entire proceeds of the insurance premium tax on foreign casualty insurance companies are distributed annually to each eligible recipient municipality, it is inappropriate to use state aid received in one year to offset pension costs in other years. Consequently, the overpayment of state aid received in the year 2014 must be returned to the Commonwealth for redistribution.

Recommendation: We recommend that the municipality return the \$3,024 of excess state aid received in the year 2014 to the Commonwealth from the township's general fund. A check in this amount, with interest compounded annually from date of receipt to date of repayment, at a rate earned by the plan, should be made payable to: Commonwealth of Pennsylvania and mailed to: Department of the Auditor General, Municipal Pension & Fire Relief Programs Unit, 320 Finance Building, Harrisburg, PA 17120. A copy of the interest calculation must be submitted along with evidence of payment.

LEHMAN TOWNSHIP NON-UNIFORMED PENSION PLAN
FINDING AND RECOMMENDATION

Finding - (Continued)

Furthermore, we recommend that in the future, plan officials reconcile the township's annual state aid allocation and municipal contributions made to the pension plan with the plan's annual pension costs and reimburse any excess state aid received to the Commonwealth.

Management's Response: Municipal officials agreed with the finding without exception.

Auditor's Conclusion: Compliance will be evaluated during our next audit of the plan.

LEHMAN TOWNSHIP NON-UNIFORMED PENSION PLAN
SUMMARY OF DEPOSITED STATE AID AND EMPLOYER CONTRIBUTIONS

Year Ended December 31	State Aid	Employer Contributions
2009	\$ 40,664	\$ 14,064
2010	45,288	7,004
2011	52,527	1,082
2012	50,066	2,377
2013	50,497	4,436
2014	51,194	None

LEHMAN TOWNSHIP NON-UNIFORMED PENSION PLAN
