## Independent Auditor's Report

The Honorable Thomas W. Wolf  
Secretary  
Department of Revenue  
Harrisburg, PA 17128

We have examined the accompanying statement of receipts and disbursements (Statement) of District Court 18-3-04, Clarion County, Pennsylvania (District Court), for the period January 1, 2004 to December 31, 2005, pursuant to the requirements of Section 401(c) of *The Fiscal Code*. This Statement is the responsibility of the District Court's management. Our responsibility is to express an opinion on this Statement based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. An examination includes examining, on a test basis, evidence supporting the Statement and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

We are mandated by Section 401(c) of *The Fiscal Code* to audit the accounts of each district court to determine whether all moneys collected on behalf of the Commonwealth have been correctly reported and promptly transmitted. *Government Auditing Standards* issued by the Comptroller General of the United States include attestation engagements as a separate type of audit. An attestation engagement performed pursuant to *Government Auditing Standards* involves additional standards that exceed the standards provided by the American Institute of Certified Public Accountants. Accordingly, this attestation engagement complies with both *Government Auditing Standards* and Section 401(c) of *The Fiscal Code*.

Independent Auditor's Report (Continued)

In our opinion, the Statement referred to above presents, in all material respects, the operations of the District Court as it pertains to receipts made on behalf of the Department of Revenue and other state agencies for the period ended December 31, 2005, in conformity with the criteria set forth in Note 1.

In accordance with *Government Auditing Standards*, we are required to report findings of deficiencies in internal control, violations of provisions of contracts or grant agreements, and abuse that are material to the Statement and any fraud and illegal acts that are more than inconsequential that come to our attention during our examination. We are also required to obtain the views of management on those matters. We performed our examination to express an opinion on whether the Statement is presented in accordance with the criteria described above and not for the purpose of expressing an opinion on the internal control over the Statement or on compliance and other matters; accordingly, we express no such opinions. Our examination disclosed a certain finding that is required to be reported under *Government Auditing Standards* and this finding is described in the Finding and Recommendation section of the report.

We are concerned in light of the District Court's failure to correct a previously reported finding regarding inadequate arrest warrant and DL-38 procedures. The District Court should strive to implement the recommendation and corrective actions noted in this examination report. During our current examination, we noted several significant weaknesses in the internal controls over warrants and DL-38s that need corrective action. These significant deficiencies increase the risk for funds to be lost, stolen, or misappropriated and in uncollected fines and unpunished offenders.

This report is intended solely for the information and use of the Pennsylvania Department of Revenue, the Administrative Office of Pennsylvania Courts, and the District Court and is not intended to be and should not be used by anyone other than these specified parties.

JACK WAGNER  
Auditor General

DISTRICT COURT 18-3-04  
CLARION COUNTY  
FINDING AND RECOMMENDATION  
FOR THE PERIOD  
JANUARY 1, 2004 TO DECEMBER 31, 2005

Finding - Inadequate Arrest Warrant And DL-38 Procedures

Warrants and Requests For Suspension Of Operating Privileges (DL-38s) are used to enforce the collection of monies on traffic and non-traffic cases in which defendants failed to make payments when required. A Warrant of Arrest (AOPC 417) is used to authorize an official to arrest a defendant, to collect fines and costs from the defendant after a disposition, or to collect collateral for a trial. If the defendant does not respond within ten days to a citation or summons, a Warrant of Arrest may be issued. A Request for Suspension of Driving Privileges for Failure to Respond to a Citation or Summons or Pay Fines and Costs Imposed (AOPC 638A) is used to notify the defendant in writing that his/her license will be suspended if he/she fails to respond to the traffic citation or summons. A DL-38 cannot be issued for a parking violation.

During our testing of warrant procedures, we noted that warrant procedures established by the *Magisterial District Judge Automated Office Clerical Procedures Manual* (Manual) were not always followed. The Magisterial District Judge did not consistently issue warrants when required. We sampled 22 instances in which a warrant was required to be issued. Our testing disclosed that 21 were not issued at all.

Furthermore, we sampled 12 instances in which a DL-38 was required to be issued. Our testing disclosed that four were not issued timely and eight were not issued at all. The time of issuance ranged from 474 days to 922 days.

The Manual establishes the uniform written internal control policies and procedures for all district courts.

**Warrant Issuance Procedures:** The Manual states that on October 1, 1998, new warrant procedures took effect for summary cases. Amendments were made to Pa.R.Crim.P. Rules 430, 431, 454, 455, 456, 460, 461, and 462. To comply with the new changes, the Notice of Impending Warrant (AOPC A418) was created with the purpose of informing the defendant that failure to pay the amount due or to appear for a Payment Determination Hearing will result in the issuance of an arrest warrant. The defendant is also informed that his/her response must be made within ten days of the date of the notice.

According to Pa.R.Crim.P. 430, a warrant SHALL be issued in a summary case for any of the following reasons (a Notice of Impending Warrant is not necessary for the following):

- The defendant has failed to respond to a citation or summons that was served either personally or by certified mail, return receipt requested.
- The citation or summons is returned undeliverable.

DISTRICT COURT 18-3-04  
CLARION COUNTY  
FINDING AND RECOMMENDATION  
FOR THE PERIOD  
JANUARY 1, 2004 TO DECEMBER 31, 2005

Finding - Inadequate Arrest Warrant And DL-38 Procedures (Continued)

- The Magisterial District Judge has reasonable grounds to believe that the defendant will not obey a summons.

**DL-38 Procedures:** The Manual states that once a citation is given to the defendant or a summons is issued, the defendant has ten days to respond. If on the eleventh day, the defendant has not responded, 75 Pa.C.S.A. §1533 requires that the defendant be notified that he/she has fifteen days from the date of notice to respond to the citation/summons before his/her license is suspended. In accordance with Section 1533 of the *Pennsylvania Vehicle Code*, the defendant has 15 days to respond to the defendant's copy of the DL-38. If the defendant does not respond by the fifteenth day, the Magisterial District Judge's office shall notify the Pennsylvania Department of Transportation by issuing the appropriate License Suspension Request (AOPC 638B,D,E).

In addition, 75 Pa.C.S.A. §1533 also requires a post-disposition DL-38 (AOPC 638B/E) be issued if the defendant neglects to pay fines and costs imposed at the time of disposition, or fails to make a scheduled time payment.

The failure to follow warrant and DL-38 procedures when required increases the risk for funds to be lost, stolen, or misappropriated, and in uncollected fines and unpunished offenders.

Adherence to the uniform internal control policies and procedures, as set forth in the Manual, would have ensured that there were adequate internal controls over warrants and DL-38s.

This finding was cited in the prior audit period ending December 31, 2003.

Recommendation

We again recommend that the district court review the tickler reports for warrants and DL-38s daily and take appropriate action as required by the Manual.

Management's Response

No formal response was offered at this time.
