Independent Auditor's Report

The Honorable C. Daniel Hassell
Acting Secretary
Pennsylvania Department of Revenue
Harrisburg, PA 17128

We have examined the accompanying statement of receipts and disbursements (Statement) of the Register of Wills, Lehigh County, Pennsylvania (County Officer), for the period January 1, 2013 to December 31, 2015, pursuant to the requirements of Sections 401(b) and 401(d) of *The Fiscal Code*, 72 P.S. § 401(b) and § 401(d). The county office's management is the party responsible for this Statement. Our responsibility is to express an opinion on this Statement based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States and, accordingly, included examining, on a test basis, evidence supporting the Statement and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

We are mandated by Sections 401(b) and 401(d) of *The Fiscal Code* to audit the accounts of each county officer to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported and promptly remitted. *Government Auditing Standards* issued by the Comptroller General of the United States include attestation engagements as a separate type of audit. An attestation engagement performed pursuant to *Government Auditing Standards* involves additional standards that exceed the standards provided by the American Institute of Certified Public Accountants. Accordingly, this attestation engagement complies with both *Government Auditing Standards* and Sections 401(b) and 401(d) of *The Fiscal Code*.

In our opinion, the Statement referred to above presents, in all material respects, the operations of the County Officer as it pertains to receipts made on behalf of the Commonwealth for the period January 1, 2013 to December 31, 2015, in conformity with the criteria set forth in Note 1.

Independent Auditor's Report (Continued)

In accordance with *Government Auditing Standards*, we are required to report all deficiencies that are considered to be significant deficiencies or material weaknesses in internal control; fraud and noncompliance with provisions of laws or regulations that have a material effect on the Statement; and any other instances that warrant the attention of those charged with governance; noncompliance with provisions of contracts or grant agreements, and abuse that has a material effect on the Statement. We are also required to obtain and report the views of responsible officials concerning the findings, conclusions, and recommendations, as well as any planned corrective actions. We performed our examination to express an opinion on whether the Statement is presented in accordance with the criteria described above and not for the purpose of expressing an opinion on internal control over reporting on the Statement or on compliance and other matters; accordingly, we express no such opinions.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Statement will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose of expressing an opinion on whether the Statement is presented in accordance with the criteria described above and was not designed to identify all deficiencies in internal control over reporting on the Statement that might be material weaknesses or significant deficiencies. Given these limitations, during our engagement we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

As part of obtaining reasonable assurance about whether the Statement is free from material misstatement, we performed tests of the County Officer's compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of Statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our engagement, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Pennsylvania Department of Revenue, the Administrative Office of Pennsylvania Courts, and the County Officer and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO THE STATEMENT OF RECEIPTS AND DISBURSEMENTS
FOR THE PERIOD

1. Criteria

The Statement of Receipts and Disbursements provides a summary of receipts and disbursements by category. The categories and the amounts of taxes and fees assessed are based on Pennsylvania laws and regulations.

The Statement was prepared in accordance with reporting requirements prescribed by the Pennsylvania Department of Revenue. Under this method, only the Commonwealth portion of cash receipts and disbursements are presented, revenues are recognized when received, and expenditures are recognized when paid.

2. Receipts

Receipts consist of monies collected on behalf of the Commonwealth. These include monies collected for the following taxes and fees:

- Inheritance Taxes represent inheritance taxes filed with the Register of Wills.
- Judicial Computer System/Access To Justice Fees represent a \$23.50 fee imposed for the initiation of any civil action or legal proceeding, including the filing of petitions for grants of letters, and first filing in petitions concerning adoptions, incompetents' estates, minors' estates, and inter vivos trusts. Effective July 10, 2014, Act 126 increased the fee to \$33.50. Effective August 8, 2014, Act 113 increased the fee to \$35.50.

3. Commissions

Acting in the capacity of an agent for the Commonwealth, the county office is paid a commission for collection of Inheritance Taxes. Effective January 1, 1988, the commission rate is 4.25 percent of \$1.00 to \$200,000.00 collected, 1.75 percent of \$200,000.01 to \$1,000,000.00 collected, and .50 percent of all collections in excess of \$1,000,000.00. During the period under review, the County was paid \$416,273.59 by the Department of Revenue which is not reflected in the statement of receipts and disbursements.

Credits issued by the Department of Revenue	779,121
Checks issued to the Department of Revenue for Judicial Computer System/Access To Justice Fees	<u>108,208</u>
Total	<u>\$ 72,791,782</u>

5. Balance Due Commonwealth (County) For The Period January 1, 2013 To December 31, 2015

This balance reflects a summary of monthly transmittal reports as settled by the Department of Revenue.

6. Prior Examination Period Balance Due

We noted that there was a prior examination balance due the Commonwealth of \$107 which was not paid as of the end of our current examination period.
