### Independent Auditor's Report

The Honorable C. Daniel Hassell  
Secretary  
Pennsylvania Department of Revenue  
Harrisburg, PA 17128

We have examined the accompanying statements of receipts and disbursements (Statements) of the Recorder of Deeds, Dauphin County, Pennsylvania (County Officer), for the period January 1, 2013 to December 31, 2015, pursuant to the requirements of Sections 401(b) and 401(d) of *The Fiscal Code*, 72 P.S. § 401(b) and § 401(d). The county office's management is responsible for presenting this Statement in accordance with the criteria set forth in Note 1. Our responsibility is to express an opinion on this Statement based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Statement is fairly stated based on the criteria, in all material respects. An examination involves performing procedures to obtain evidence about the statement of receipts and disbursements. The nature, timing and extent of the procedures selected depend on our judgement, including an assessment of the risks of material misstatement of the Statement, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are mandated by Sections 401(b) and 401(d) of *The Fiscal Code* to audit the accounts of each county officer to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported and promptly remitted. *Government Auditing Standards* issued by the Comptroller General of the United States include attestation engagements as a separate type of audit. An attestation engagement performed pursuant to *Government Auditing Standards* involves additional standards that exceed the standards provided by the American Institute of Certified Public Accountants. Accordingly, this attestation engagement complies with both *Government Auditing Standards* and Sections 401(b) and 401(d) of *The Fiscal Code*.

## Independent Auditor's Report (Continued)

In our opinion, the Statement referred to above, for the period January 1, 2013 to December 31, 2015 is presented in accordance with the criteria set forth in Note 1, in all material respects.

In accordance with *Government Auditing Standards*, we are required to report all deficiencies that are considered to be significant deficiencies or material weaknesses in internal control; fraud and noncompliance with provisions of laws or regulations that have a material effect on the Statements; and any other instances that warrant the attention of those charged with governance; noncompliance with provisions of contracts or grant agreements, and abuse that has a material effect on the Statements. We are also required to obtain and report the views of responsible officials concerning the findings, conclusions, and recommendations, as well as any planned corrective actions. We performed our examination to express an opinion on whether the Statements are presented in accordance with the criteria described above and not for the purpose of expressing an opinion on internal control over reporting on the Statements or on compliance and other matters; accordingly, we express no such opinions.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose of expressing an opinion on whether the Statements are presented in accordance with the criteria described above and was not designed to identify all deficiencies in internal control over reporting on the Statements that might be material weaknesses or significant deficiencies. Given these limitations, during our engagement we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

As part of obtaining reasonable assurance about whether the Statements are free from material misstatement, we performed tests of the County Officer's compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of Statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our engagement, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The purpose of this report is to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported and promptly remitted. This report is not suitable for any other purposes.

FOR THE PERIOD

1. Criteria

The Statements of Receipts and Disbursements provide a summary of receipts and disbursements by category. The categories and the amounts of taxes and fees assessed are based on Pennsylvania laws and regulations.

The Statements were prepared in accordance with reporting requirements prescribed by the Pennsylvania Department of Revenue. Under this method, only the Commonwealth portion of cash receipts and disbursements are presented, revenues are recognized when received, and expenditures are recognized when paid.

2. Receipts

Receipts consist of monies collected on behalf of the Commonwealth. These include monies collected for the following taxes and fees:

- The Pennsylvania Realty Transfer Tax is a documentary stamp tax of 1 percent on the value of the interest in real property transferred by deed.
- Writ Taxes represent a \$.50 tax imposed on various types of documents and a \$10 tax on notary public commissions processed through the office.
- Judicial Computer System/Access To Justice Fees represent a \$23.50 fee imposed for each filing of deeds in any form, mortgages, mortgage assignments, mortgage releases, mortgage satisfaction pieces, installment sales agreements, leases for a term of 30 years or longer, and easements. Effective July 10, 2014, Act 126 increased the fee to \$33.50. Effective August 8, 2014, Act 113 increased the fee to \$35.50.

3. Commissions

Acting in the capacity of an agent for the Commonwealth, the Recorder of Deeds is authorized to collect a commission on the Commonwealth portion of taxes as follows:

<u>Tax</u>	<u>Commission</u>
Realty Transfer	1%
Writ	3%

Commissions of \$363,289 for Realty Transfer Taxes were paid to the County by the Department of Revenue which are not reflected in the Statement.

4. Disbursements

Realty Transfer Taxes

The Recorder of Deeds participates in the Department of Revenue's cash management system for Realty Transfer Taxes. Under this system, the "Agent" deposits Realty Transfer Tax collections to a local account approved and established in the name of the Department of Revenue, thereby eliminating the need for the agent to issue a check to disburse these taxes.

Total disbursements are comprised as follows:

Deposits into the Department of Revenue's cash management account	<u>\$ 36,342,007</u>
--	----------------------

Writ Taxes And Judicial Computer System/Access To Justice Fees

Total disbursements are comprised as follows:

Recorder of Deeds checks issued to:

Department of Revenue	<u>\$ 2,722,132</u>
-----------------------	---------------------

5. Balance Due Commonwealth (County) For The Period January 1, 2013 To December 31, 2015

This balance reflects a summary of monthly transmittal reports as settled by the Department of Revenue. The balance does not reflect adjustments disclosed by our examination.

6. Examination Adjustment – Realty Transfer Taxes

The examination adjustment of \$13,155 represents a bank deposit error of \$13,297 in December 2015. This error was corrected in January 2016. In addition, during our prior audit, January 1, 2008 to December 31, 2012, we determined that there was a balance due the County of \$142. This credit was taken in December 2013.

7. Examination Adjustment - Writ Taxes And Judicial Computer System/Access To Justice Fees

The examination adjustment of \$2,954 represents an underpayment of Judicial Computer System/Access to Justice Fees during the period of 2008 through 2012 caused by an incorrect calculation by the computer software. The office paid the amount due to the Department of Revenue in March 2013.
