Findings and Recommendations:	
Finding No. 1 – Noncompliance With Prior Audit Recommendation – Insufficient Officer's Bond Coverage	6
Finding No. 2 – Unauthorized Expenditures	7
Accompanying Expenditure Information	9
Report Distribution List	11

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The Mill Rift Relief Association, herein referred to as Mill Rift Volunteer Firefighters' Relief Association, is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Mill Rift Volunteer Firefighters' Relief Association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2008</u>	<u>2009</u>	<u>2010</u>
Westfall Township	Pike	\$8,058	\$7,651	\$8,611

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Mill Rift Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Mill Rift Volunteer Fire Company

Mr. Ken Zielazny, President
MILL RIFT VOLUNTEER FIREFIGHTERS'
RELIEF ASSOCIATION
Pike County

We have conducted a compliance audit of the Mill Rift Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2008 to December 31, 2010.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Mill Rift Volunteer

Firefighters' Relief Association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objectives, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the Mill Rift Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the Mill Rift Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2010, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objectives. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objectives.

The results of our audit, for the period January 1, 2008 to December 31, 2010, found the Mill Rift Volunteer Firefighters' Relief Association did not take appropriate corrective action to address the finding contained in our prior audit report, as detailed below and discussed in the Status of Prior Finding section of this report. In addition, the results of our audit found the Mill Rift Volunteer Firefighters' Relief Association, in all significant respects, received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the findings listed below and discussed in detail in the Findings and Recommendations section of this report. The results of our tests also indicated the Mill Rift Volunteer Firefighters' Relief Association expended funds as presented in the Accompanying Expenditure Information and, as of December 31, 2010, had a cash balance of \$26,528 and no investments.

Finding No. 1 – Noncompliance With Prior Audit Recommendation –
Insufficient Officer's Bond Coverage

Finding No. 2 – Unauthorized Expenditures

The contents of this report were discussed with the management of the Mill Rift Volunteer Firefighters' Relief Association and, where appropriate, their responses have been included in the report.

MILL RIFT VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
STATUS OF PRIOR FINDING

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The Mill Rift Volunteer Firefighters' Relief Association has not complied with the following prior audit finding. This finding is noted below and discussed in detail in the Findings and Recommendations section of this report:

- Noncompliance With Prior Audit Recommendation –
Insufficient Officer's Bond Coverage

We are concerned with the volunteer firefighters' relief association's failure to correct the previously reported audit finding. The association management should strive to implement the recommendations and corrective actions noted in this audit report.

MILL RIFT VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Noncompliance With Prior Audit Recommendation –
Insufficient Officer's Bond Coverage

Condition: As cited in our prior audit report, the relief association, again, did not maintain a bond in a sufficient amount to cover the authorized disbursing officer. The relief association's bond coverage was \$25,000; however, as of December 31, 2010, the cash assets totaled \$26,528.

Criteria: Act 118 at 35 Pa.C.S. § 7415(c)(4) states, in part, that:

. . . the disbursing officer, whether designated treasurer, comptroller, financial secretary or otherwise, shall be bonded by corporate surety for faithful performance of duty. The amount of the bond shall be at least as great as the maximum cash balance in current funds of the association at any time during the fiscal year, and the premium on the bond shall be a proper charge against the funds of the association.

Cause: While notified of this condition during our prior audit, relief association officials, again, neglected to monitor the cash balance to ensure the officer's bond coverage was in compliance with Act 118 provisions.

Effect: As a result of the disbursing officer of the relief association being insufficiently bonded, the relief association's cash assets were not adequately safeguarded.

However, subsequent to the audit period, the relief association increased its bond coverage to an amount greater than its total cash assets.

Recommendation: We, again, recommend the relief association ensure that a performance bond sufficiently covers the authorizing disbursing officer, as required by Act 118. Relief association officials should monitor the cash balance to ensure that unexpected events affecting current funds do not again result in an insufficient officer's bond coverage. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

MILL RIFT VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS (Continued)

Finding No. 2 – Unauthorized Expenditures

Condition: The relief association expended funds for the following items that are not authorized by Act 118:

Current Audit Period Unauthorized Expenditure:

<u>Date</u>	<u>Check No.</u>	<u>Description</u>	<u>Amount</u>
07/13/10	268	Fire company bond	\$ 300
Current Audit Period Total			<u>\$ 300</u>

Subsequent Audit Period Unauthorized Expenditures:

<u>Date</u>	<u>Check No.</u>	<u>Description</u>	<u>Amount</u>
03/08/11	279	Fire company insurance	\$ 1,595
04/19/11	281	Fire company insurance	300
08/29/11	284	Fire company insurance	1,608
11/13/11	286	Fire company insurance	<u>1,608</u>
Subsequent Audit Period Total			<u>\$ 5,111</u>
Total			<u>\$ 5,411</u>

Criteria: Act 118 at 35 Pa.C.S. § 7416(f)(1, 2, and 8) states:

The funds of any volunteer firefighters' relief association may be spent:

- (1) To pay for such normal and reasonable running expenses as may be appropriate to the businesslike conduct of the affairs of the association, including legal fees, rental or purchase of offices, payment of reasonable compensation of employees and purchase of office equipment and supplies.

MILL RIFT VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS (Continued)

Finding No. 2 – (Continued)

- (2) To purchase contracts of insurance which, at a minimum, shall afford financial assistance to active members of the fire service represented by the association against losses due to injury suffered in the fire service and may also provide, in the order named: (i) for payments to the surviving spouse or other dependents of a member in the event of member's death; (ii) for protection of active firefighters against disease; (iii) for replacement or purchase of prosthetic devices such as visual aids, hearing aids, dentures, braces, crutches and the like, where those devices have been lost or damaged while the owner was engaged in the fire service or where the need for those devices arose because of functional impairment attributable to participation in the fire service; (iv) for repair or replacement, if necessary, of articles of clothing or pocket pagers damaged or lost in the course of participation in the fire service; and (v) for disability incurred after service for a minimum of 20 years as a volunteer firefighter.

- (8) To contribute to or to purchase contracts of insurance which will contribute to the cost of rehabilitating and retraining volunteer firefighters who, by reason of their participation in the fire service, have suffered a major impairment of the ability to continue their vocation.

Costs incurred to pay for the affiliated fire company's officer's bond coverage and insurance costs do not qualify as authorized volunteer firefighters' relief association expenditures; consequently, these disbursements are not authorized under Act 118.

Cause: Relief association officials were unaware that the aforementioned expenditures were not authorized by Act 118.

Effect: As a result of these improper expenditures, relief association funds were not available for investment purposes, or to pay for expenditures authorized by Act 118.

However, subsequent to the audit period, on November 29, 2011, the relief association received reimbursement of \$5,411, from the Mill Rift Volunteer Fire Company.

Recommendation: We recommend that relief association officials become familiar with Act 118 at 35 Pa.C.S. § 7416(f) to aid them in determining the propriety of future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.
