HEREIN REFERRED TO AS:

MOSCOW VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION

LACKAWANNA COUNTY

COMPLIANCE AUDIT REPORT

FOR THE PERIOD

JANUARY 1, 2006 TO DECEMBER 31, 2008

CONTENTS

Background.....	1
Letter From the Auditor General	3
Status of Prior Findings	5
Finding and Recommendation:	
Finding – Unauthorized Expenditures	6
Accompanying Expenditure Information	8
Report Distribution List	9

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The Moscow Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 84 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Moscow Volunteer Firefighters' Relief Association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2006</u>	<u>2007</u>	<u>2008</u>
Moscow Borough	Lackawanna	\$12,821	\$12,964	\$13,404

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Moscow Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Moscow Fire & Hose Company Inc.

Mr. Timothy Huber, President

We have conducted a compliance audit of the Moscow Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), for the period January 1, 2006 to December 31, 2008.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the findings contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Moscow Volunteer Firefighters' Relief Association's administration of state aid and accumulated funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with applicable state laws, contracts, bylaws and administrative procedures significant within the context of the audit objectives. We also tested transactions, confirmed the Moscow Volunteer Firefighters' Relief Association's cash balance as of December 31, 2008, with the custodian of the funds, and interviewed selected officials to the extent necessary to satisfy the audit objectives.

The results of our audit for the period January 1, 2006 to December 31, 2008, found, in all significant respects, the Moscow Volunteer Firefighters' Relief Association received and expended funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the following finding discussed later in this report. The results of our tests indicated the Moscow Volunteer Firefighters' Relief Association expended funds as presented in the accompanying information and as of December 31, 2008, had a cash balance of \$11,819 and no investments.

Finding – Unauthorized Expenditure

The contents of this report were discussed with the management of the Moscow Volunteer Firefighters' Relief Association and, where appropriate, their responses have been included in the report.

JACK WAGNER
Auditor General

MOSCOW VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDINGS AND RECOMMENDATIONS

The Moscow Volunteer Firefighters' Relief Association has complied with the following prior audit findings and recommendations:

- Insufficient Officer's Bond Coverage

By increasing the officer's bond coverage to an amount greater than the balance of cash assets.

- Failure to Maintain Minutes of Meetings

By maintaining minutes of all association meetings.

MOSCOW VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Unauthorized Expenditures

Condition: During the current audit period, the relief association disbursed a total of \$25,976 for premiums on the affiliated fire company's commercial package policy. While premiums for portions of this policy are considered authorized types of insurance coverage, it was determined that, of the \$25,976 in premiums paid, only \$15,831 was authorized by Act 84. As such, the balance of the insurance premiums paid, in the amount of \$10,145, are considered to be unauthorized expenditures since the coverage is not for the direct benefit of the volunteer firefighters.

Criteria: Act 84 at 53 P.S. § 8506(e)(2 and 12) states:

The funds of any volunteer firefighters' relief association may be spent:

- (2) To purchase contracts of insurance which shall at the least afford financial assistance to active members of the fire service represented by the association against losses due to injury suffered in the fire service and which may also provide in the order named, (i) for payments to the widow or other dependents of a member in the event of his death, (ii) for protection of active firefighters against disease, (iii) for the replacement or purchase of prosthetic devices such as visual aids, hearing aids, dentures, braces, crutches, and the like, where such devices have been lost or damaged while the owner was engaged in the fire service or where the need for such devices arises because of functional impairment attributable to participation in the fire service, (iv) for the repair or replacement if necessary of articles of clothing or pocket pagers damaged in the course of participation in the fire service, and (v) for disability incurred after service for a minimum of 20 years as a volunteer firefighter.

- (12) To secure insurance against the legal liability of the volunteer firefighters for loss and expense from claims arising out of the performance of their official, authorized duties while going to, returning from or attending fires or while performing their duties as special fire police.

Because the Department of the Auditor General is legislatively prohibited from giving pre-audit advice, an interagency agreement with the Department of Community and Economic Development (DCED) had been established whereby the DCED provided interpretation of Act 84 of 1968, the "Volunteer Firefighters' Relief Association Act." Portions of the insurance premiums attributable to the fire company's commercial package policy have been deemed by DCED to not qualify as allowable expenditures since the coverage is not for the direct benefit of the volunteer firefighters; consequently, these disbursements are not authorized under Act 84.

MOSCOW VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – (Continued)

Cause: Relief association officials were unaware that a portion of the premiums on the fire company's commercial package policy was not authorized by Act 84.

Effect: As a result of these improper expenditures, relief association funds were not available for investment purposes, or to pay for expenditures authorized by Act 84.

However, subsequent to the audit period, on February 26, 2009, the relief association was reimbursed \$10,145 by the affiliated fire company for the above unauthorized expenditures.

Recommendation: We recommend the relief association officials become familiar with Act 84 at 53 P.S. § 8506(e) to aid them in determining the propriety of future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.
