**EUGENE A. DePASQUALE**  
**AUDITOR GENERAL**

Mr. Albert Boland, President  
TRANSFER VOLUNTEER FIREFIGHTERS'  
RELIEF ASSOCIATION  
Mercer County

We have conducted a compliance audit of the Transfer Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2010 to December 31, 2012.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received state aid and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Transfer Volunteer Firefighters' Relief Association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objectives, and assessed whether those significant controls were properly designed and implemented. Our audit procedures also included tests of documentary evidence supporting the Transfer Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical existence of inventories, interviews of selected officials and direct confirmation of the Transfer Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2012, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objectives. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objectives.

The results of our audit, for the period January 1, 2010 to December 31, 2012, found the Transfer Volunteer Firefighters' Relief Association did not take appropriate corrective action to address the finding contained in our prior audit report, as detailed below and discussed in the Status of Prior Finding section of this report. In addition, the results of our audit found the Transfer Volunteer Firefighters' Relief Association, in all significant respects, received state aid and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the findings listed below and discussed in detail in the Findings and Recommendations section of this report. The results of our tests also indicated the Transfer Volunteer Firefighters' Relief Association expended funds as presented in the Accompanying Expenditure Information and, as of December 31, 2012, had a cash balance of \$22,835 and no investments.

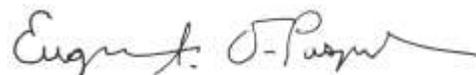

Finding No. 1 – Noncompliance With Prior Audit Recommendation –  
Insufficient Surety (Fidelity) Bond Coverage

Finding No. 2 – Failure to Maintain a Complete and Accurate Membership Roster

Finding No. 3 – Failure to Maintain a Complete and Accurate Equipment Roster

The contents of this report were discussed with the management of the Transfer Volunteer Firefighters' Relief Association and, where appropriate, their responses have been included in the report.

September 6, 2013

EUGENE A. DEPASQUALE  
Auditor General

## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The Transfer Volunteer Fire Department Relief Association, herein referred to as Transfer Volunteer Firefighters' Relief Association, is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Transfer Volunteer Firefighters' Relief Association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2010</u>	<u>2011</u>	<u>2012</u>
Delaware Township	Mercer	\$ 4,590	\$ 7,165	\$ 4,067
Pymatuning Township	Mercer	\$20,822	\$28,438	\$16,136

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organizations are separate, legal entities. The Transfer Volunteer Firefighters' Relief Association is affiliated with the following fire service organizations:

Transfer Volunteer Fire Department  
Transfer Volunteer Fireman's Ladies Auxiliary  
Pymatuning Township Fire Police

TRANSFER VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
STATUS OF PRIOR FINDING

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The Transfer Volunteer Firefighters' Relief Association has not complied with the following prior audit finding. This finding is noted below and discussed in detail in the Findings and Recommendations section of this report:

- Noncompliance With Prior Audit Recommendation – Insufficient Surety (Fidelity) Bond Coverage

We are concerned with the volunteer firefighters' relief association's failure to correct the previously reported audit finding. The association management should strive to implement the recommendation and corrective action noted in this audit report.

TRANSFER VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Noncompliance With Prior Audit Recommendation –  
Insufficient Surety (Fidelity) Bond Coverage

Condition: As cited in our prior audit report, the relief association did not maintain a Surety (Fidelity) bond in a sufficient amount to cover the relief association's authorized disbursing officer. Specifically, the Surety (Fidelity) bond policy in effect during and subsequent to the audit period, was issued jointly in the name of the affiliated fire company and the relief association.

Criteria: Act 118 at 35 Pa.C.S. § 7415(c)(4) states, in part, that:

. . . the disbursing officer, whether designated treasurer, comptroller, financial secretary or otherwise, shall be bonded by corporate surety for faithful performance of duty. The amount of the bond shall be at least as great as the maximum cash balance in current funds of the association at any time during the fiscal year, and the premium on the bond shall be a proper charge against the funds of the association.

Since the relief association and affiliated fire company are separate and distinct legal entities, the relief association should maintain a Surety (Fidelity) bond solely in the name of the relief association to ensure that there is adequate protection of relief association assets.

Cause: Even though notified of this condition during our prior audit, relief association officials, again, failed to monitor the relief association's cash balance to ensure that the Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer was in compliance with Act 118 provisions.

Effect: As a result of the disbursing officer of the relief association being insufficiently bonded, the relief association's cash assets were not adequately safeguarded.

TRANSFER VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS (Continued)

Finding No. 1 – Noncompliance With Prior Audit Recommendation –  
Insufficient Surety (Fidelity) Bond Coverage (Continued)

Recommendation: We again recommend that the relief association officials ensure that its Surety (Fidelity) bond sufficiently covers the relief association's authorized disbursing officer, as required by Act 118. This requirement may be accomplished by increasing the Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer to an amount greater than the expected maximum balance of the relief association's cash assets, or by decreasing the relief association's cash assets to an amount anticipated to remain below the policy coverage amount. Relief association officials should monitor the relief association's cash balance to ensure that unexpected events affecting the relief association's current funds do not again result in insufficient Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

TRANSFER VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS (Continued)

Finding No. 2 – Failure to Maintain a Complete and Accurate Membership Roster

Condition: The relief association officials did not maintain a complete and accurate roster of relief association members.

Criteria: Relief association officials should maintain a complete and accurate roster of the relief association's membership, as identified by criteria set forth in the relief association's bylaws. A comprehensive roster of all relief association members should include the following:

- Names of each member;
- Members' mailing addresses;
- Dates of births;
- Dates of memberships; and
- Membership classifications.

In addition, when warranted, a notation should be made on the roster identifying the date of a member's resignation or death.

Cause: Relief association officials were unaware that they should maintain a comprehensive roster of relief association members.

Effect: The failure to maintain a comprehensive membership roster could result in the payment of benefits to nonmembers, or deprive eligible relief association members from receiving authorized benefit payments.

Recommendation: We recommend the relief association officials compile and maintain a complete and accurate roster of the relief association's membership. For additional guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

TRANSFER VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS (Continued)

Finding No. 3 – Failure to Maintain a Complete and Accurate Equipment Roster

Condition: During our prior audit, we verbally cited the relief association for failure to maintain a complete and accurate roster of equipment owned by the relief association. While a listing of relief association owned equipment was provided, it was incomplete and did not accurately identify equipment owned by the relief association. Specifically, the listing of equipment provided did not contain all items purchased and was not cumulative. The relief association had purchases totaling \$49,897 in the prior audit period, of which \$7,886 were not properly identified on the roster. In addition, during the current audit period, the relief association purchased an additional \$41,055 of equipment which also has not been properly recorded on the relief association's equipment roster. Moreover, there was no evidence that indicated an annual physical inventory was performed on the other relief association owned equipment purchased during the current audit period.

Criteria: Sound business practice dictates the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's equipment. A cumulative equipment roster of all relief association equipment should include the following:

- Types of equipment purchased;
- Dates of purchase;
- Unit costs;
- Names of suppliers;
- Serial numbers, if applicable;
- Current locations of items;
- Final dispositions of sold or damaged equipment; and
- Evidence of the performance and results of an annual physical inventory.

Furthermore, prudent business practice requires the performance of an annual physical inventory of all relief association owned equipment.

Cause: Relief association officials failed to establish adequate internal control procedures over equipment requiring the maintenance of a cumulative equipment roster and the performance of an annual physical inventory of equipment.

Effect: The failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual physical inventory of equipment prevents adequate accountability for, and safeguarding of, relief association equipment.

TRANSFER VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS (Continued)

Finding No. 3 – Failure to Maintain a Complete and Accurate Equipment Roster (Continued)

Recommendation: We recommend the relief association officials maintain a cumulative equipment roster of all relief association owned equipment. Furthermore, the relief association should ensure it performs an annual physical inventory of all operable equipment and that the completion of the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

TRANSFER VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
 ACCOMPANYING EXPENDITURE INFORMATION  
 FOR THE PERIOD JANUARY 1, 2010 TO DECEMBER 31, 2012

Act 118 at 35 Pa.C.S. § 7412 states: a volunteer firefighters' relief association is an organization formed primarily for the purpose of affording financial protection to volunteer firefighters against the consequences of misfortune suffered as a result of their participation in the fire service. The organization may contain within its membership the members of one or more fire companies and may serve secondary purposes, as set forth in this subchapter, but only if adequate provisions have been first made to serve the primary purpose.

Act 118 at 35 Pa.C.S. § 7416 authorizes the investment of relief association funds and outlines the types of benefits and services that can be provided with volunteer firefighters' relief association funds.

Furthermore, all expenditures must be properly authorized as prescribed in the volunteer firefighters' relief association bylaws and approved at an association meeting.

USES OF FUNDS:

Benefit Services:	
Insurance premiums	\$ 14,711
Relief benefits	960
Tokens of sympathy and goodwill	348
Total Benefit Services	\$ 16,019
Fire Services:	
Equipment purchased	\$ 42,655
Equipment maintenance	5,243
Training expenses	8,507
Fire prevention materials	4,780
Total Fire Services	\$ 61,185
Administrative Services:	
Other administrative expenses	\$ 807
Total Administrative Services	\$ 807

TRANSFER VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
REPORT DISTRIBUTION LIST

This report was initially distributed to the following:

The Honorable Tom Corbett  
Governor  
Commonwealth of Pennsylvania

Transfer Volunteer Firefighters' Relief Association Governing Body:

Mr. Albert Boland, President  
Mr. Jason Davies, Vice President  
Ms. Janet Kowalski, Secretary  
Ms. Beverly A. Chlpka, Treasurer  
Mr. Phillip Steele, Trustee/Director

The following municipalities allocated foreign fire insurance tax monies to this relief association and received a copy of this report.

Ms. Melissa Osborne, Secretary  
Delaware Township

Ms. Joyce E. Leventry, Secretary  
Pymatuning Township
