BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The Antes Fort Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 84 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Antes Fort Volunteer Firefighters' Relief Association was allocated state aid from the following municipality:

| <u>Municipality</u> | <u>County</u> | <u>2005</u> | <u>2006</u> | <u>2007</u> |
|---------------------|---------------|-------------|-------------|-------------|
| Nippenose Township | Lycoming | \$3,885 | \$3,912 | \$4,023 |

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Antes Fort Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Mr. Daniel Palski, President
ANTES FORT VOLUNTEER FIREFIGHTERS'
RELIEF ASSOCIATION
Lycoming County

We have conducted a compliance audit of the Antes Fort Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), for the period January 1, 2005 to December 31, 2007.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objective.

The objective of the audit was to determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objective identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Antes Fort Volunteer Firefighters' Relief Association's administration of state aid and accumulated funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with applicable state laws, contracts, bylaws and administrative procedures significant within the context of the audit objective. We also tested transactions, confirmed the Antes Fort Volunteer Firefighters' Relief Association's investment balance and the cash balance as of December 31, 2007, with the custodians of the funds, and interviewed selected officials to the extent necessary to satisfy the audit objective.

The results of our audit for the period January 1, 2005 to December 31, 2007, found, in all significant respects, the Antes Fort Volunteer Firefighters' Relief Association received and expended funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the following finding discussed later in this report. The results of our tests indicated the Antes Fort Volunteer Firefighters' Relief Association expended funds as presented in the accompanying information and as of December 31, 2007, had a cash balance of \$9,187 and an investment balance with a fair value of \$2,049.

ANTES FORT VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Undocumented Expenditures

Condition: The relief association was unable to provide adequate supporting documentation for the following expenditures:

| <u>Date</u> | <u>Check No.</u> | <u>Description</u> | <u>Amount</u> |
|-------------|------------------|--------------------|-----------------|
| 09/12/05 | 170 | Training provider | \$ 455 |
| 02/20/06 | 171 | Training provider | 145 |
| 02/27/06 | 172 | Training provider | 200 |
| 03/06/07 | 182 | Training provider | 325 |
| 04/04/07 | 175 | Training provider | 520 |
| 09/10/07 | 186 | Training provider | 325 |
| 09/10/07 | 186 | Training provider | 160 |
| Total | | | <u>\$ 2,130</u> |

Criteria: Act 84 at 53 P.S. § 8507(a) states, in part:

The Department of the Auditor General shall have the power, and its duty shall be, to audit the accounts and records of every volunteer firefighters' relief association receiving any money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No 205), known as the "Municipal Pension Plan Funding Standard and Recovery Act," as amended, as far as may be necessary to satisfy the department that the money received was expended or is being expended for no purpose other than that authorized by this act.

Without adequate supporting documentation, such as invoices and training certificates, this department is unable to determine if the relief association funds were expended for purposes authorized by Act 84. Furthermore, good business practices would require that supporting documentation be maintained to verify the propriety of all financial transactions.

Cause: Relief association officials failed to establish adequate internal control procedures to ensure supporting documentation is maintained for all expenditures.

Effect: Lack of supporting documentation, such as invoices and training certificates, made it impossible to determine if the expenditures were made in accordance with Act 84 at 53 P.S. § 8506(e).
