## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The Beaver Township Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 84 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Beaver Township Volunteer Firefighters' Relief Association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2004</u>	<u>2005</u>	<u>2006</u>
Beaver Township	Columbia	\$4,879	\$5,565	\$5,641

### BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Beaver Township Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Beaver Township Volunteer Fire Company

Mr. Michael Neiswender, President  
BEAVER TOWNSHIP VOLUNTEER FIREFIGHTERS'  
RELIEF ASSOCIATION  
Columbia County

We have conducted a compliance audit of the Beaver Township Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), for the period January 1, 2004 to December 31, 2006. The audit was conducted in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

The Department of the Auditor General (Department) is mandated by state statute to calculate state aid provided to volunteer firefighters' relief associations and to audit volunteer firefighters' relief associations having received such aid. An administrative unit of the Department's Comptroller's Office that is not involved in the audit process calculates state aid and submits requests to the Commonwealth's Treasury Department for the disbursement of state aid to the municipality. The Department has implemented procedures to ensure that Department audit personnel are not directly involved in the calculation and disbursement processes. The Department's mandatory responsibilities are being disclosed in accordance with *Government Auditing Standards*.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Beaver Township Volunteer Firefighters' Relief Association's administration of state aid and accumulated funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with applicable state laws, contracts, bylaws and administrative procedures significant within the context of the audit objectives. We also tested transactions, confirmed the Beaver Township Volunteer Firefighters' Relief Association's cash balance as of December 31, 2006, with the custodian of the funds, and interviewed selected officials to the extent necessary to satisfy the audit objectives.

The results of our audit found that for the period January 1, 2004 to December 31, 2006, the Beaver Township Volunteer Firefighters' Relief Association expended funds as presented in the accompanying information and as of December 31, 2006, had a cash balance of \$9,701 and no investments. Additionally, the results of our tests indicated that, in all significant respects, the Beaver Township Volunteer Firefighters' Relief Association received and expended state aid and accumulated relief association funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the following finding discussed later in this report:

BEAVER TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

Finding – Inadequate Minutes of Meetings

Condition: The relief association failed to maintain detailed minutes of meetings, as required by Act 84. Specifically, the relief association's minutes did not address all of the financial-related transactions, which occurred during the period under review.

Criteria: Act 84 at 53 P.S. § 8505(a) states, in part, that the relief association:

. . . must provide for the taking and preserving of minutes of all meetings, and the maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its financial affairs.

Cause: Relief association officials were unaware that maintaining detailed minutes of meetings was required by Act 84.

Effect: The failure to maintain detailed minutes of meetings prevented the verification as to whether all relief association business was presented before the membership for approval.

Recommendation: We recommend the relief association maintain detailed minutes of meetings, including all financial-related business conducted by the relief association. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.
