## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The Cornplanter Township Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 84 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Cornplanter Township Volunteer Firefighters' Relief Association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2005</u>	<u>2006</u>	<u>2007</u>
Cornplanter Township	Venango	\$13,904	\$13,995	\$14,200

### BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Cornplanter Township Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Cornplanter Township Volunteer Fire Department

Mr. Thomas D. Burchfield, President  
CORNPLANTER TOWNSHIP VOLUNTEER  
FIREFIGHTERS' RELIEF ASSOCIATION  
Venango County

We have conducted a compliance audit of the Cornplanter Township Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), for the period January 1, 2005 to December 31, 2007. The audit was conducted in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States.

The objective of the audit was to determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objective identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Cornplanter Township Volunteer Firefighters' Relief Association's administration of state aid and accumulated funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with applicable state laws, contracts, bylaws and administrative procedures significant within the context of the audit objective. We also tested transactions, confirmed the Cornplanter Township Volunteer Firefighters' Relief Association's cash balance as of December 31, 2007, with the custodian of the funds, and interviewed selected officials to the extent necessary to satisfy the audit objective.

The results of our audit for the period January 1, 2005 to December 31, 2007, found, in all significant respects, the Cornplanter Township Volunteer Firefighters' Relief Association received and expended funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the following findings discussed later in this report. The results of our tests indicated the Cornplanter Township Volunteer Firefighters' Relief Association expended funds as presented in the accompanying information and as of December 31, 2007, had a cash balance of \$53,313 and no investments.

Finding No. 1 – Undocumented Expenditures

Finding No. 2 – Insufficient Officer's Bond Coverage

The contents of this report were discussed with the management of the Cornplanter Township Volunteer Firefighters' Relief Association and, where appropriate, their responses have been included in the report.

Auditor General

CORNPLANTER TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Undocumented Expenditures

Condition: The relief association was unable to provide adequate supporting documentation for the following expenditures:

<u>Date</u>	<u>Check No.</u>	<u>Description</u>	<u>Amount</u>
11/01/05	213	Fire department	\$ 2,300
09/08/06	222	Community College	<u>150</u>
Total			<u>\$ 2,450</u>

Criteria: Act 84 at 53 P.S. § 8507(a) states, in part:

The Department of the Auditor General shall have the power, and its duty shall be, to audit the accounts and records of every volunteer firefighters' relief association receiving any money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No 205), known as the "Municipal Pension Plan Funding Standard and Recovery Act," as amended, as far as may be necessary to satisfy the department that the money received was expended or is being expended for no purpose other than that authorized by this act.

Without adequate supporting documentation, such as invoices and/or training certificates, where applicable, this department is unable to determine if the relief association funds were expended for purposes authorized by Act 84. Furthermore, good business practices would require that supporting documentation be maintained to verify the propriety of all financial transactions.

Cause: Relief association officials failed to establish adequate internal control procedures to ensure supporting documentation is maintained for all expenditures.

Effect: Lack of supporting documentation, such as invoices and/or training certificates, where applicable, made it impossible to determine the expenditures were made in accordance with Act 84 at 53 P.S. § 8506(e).

Recommendation: We recommend the relief association provide this department with adequate supporting documentation, such as invoices and/or training certificates, where applicable, to determine the validity of the expenditures or that the relief association be reimbursed \$2,450 for the undocumented expenditures. We also recommend that the relief association officials maintain supporting documentation for all future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

CORNPLANTER TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

CORNPLANTER TOWNSHIP VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – Insufficient Officer's Bond Coverage

Condition: The relief association did not maintain a bond in a sufficient amount to cover the authorized disbursing officer. The relief association's bond coverage was \$35,000; however, as of December 31, 2007, the cash assets totaled \$53,313.

Criteria: Act 84 at 53 P.S. § 8505(c) states, in part, that:

. . . the disbursing officer, whether designated treasurer, comptroller, financial secretary, or otherwise, shall be bonded by corporate surety for the faithful performance of his duties. The amount of such bond shall be at least as great as the maximum cash balance in current funds of the association at any time during the fiscal year, and the premium on such bond shall be a proper charge against the funds of the association.

Cause: Relief association officials failed to monitor the cash balance to ensure the officer's bond coverage was in compliance with Act 84 provisions.

Effect: As a result of the disbursing officer of the relief association being insufficiently bonded, the relief association's cash assets were not adequately safeguarded.

Recommendation: We recommend the relief association ensure that a faithful performance bond adequately covers the disbursing officer, as required by Act 84. This requirement may be accomplished by increasing the officer's bond coverage to an amount greater than the expected maximum balance of cash assets, or by decreasing the cash assets to an amount anticipated to remain below the coverage amount. Relief association officials should monitor the cash balance to ensure that unexpected events affecting current funds do not again result in an insufficient officer's bond coverage. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding and indicated they will take action to comply with the recommendation.
