Finding – Unauthorized Expenditure.....	6
Accompanying Expenditure Information	8
Report Distribution List.....	9

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The Krings Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 84 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Krings Volunteer Firefighters' Relief Association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2004</u>	<u>2005</u>	<u>2006</u>
Conemaugh Township	Somerset	\$9,049	\$10,067	\$10,212

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Krings Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Conemaugh Township Volunteer Fire Department

We have conducted a compliance audit of the Krings Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 *et seq.* (commonly referred to as Act 84), for the period January 1, 2004 to December 31, 2006. The audit was conducted in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the findings contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

The Department of the Auditor General (Department) is mandated by state statute to calculate state aid provided to volunteer firefighters' relief associations and to audit volunteer firefighters' relief associations having received such aid. An administrative unit of the Department's Comptroller's Office that is not involved in the audit process calculates state aid and submits requests to the Commonwealth's Treasury Department for the disbursement of state aid to the municipality. The Department has implemented procedures to ensure that Department audit personnel are not directly involved in the calculation and disbursement processes. The Department's mandatory responsibilities are being disclosed in accordance with *Government Auditing Standards*.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Krings Volunteer Firefighters' Relief Association's administration of state aid and accumulated funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with applicable state laws, contracts, bylaws and administrative procedures significant within the context of the audit objectives. We also tested transactions, confirmed the Krings Volunteer Firefighters' Relief Association's cash balance as of December 31, 2006, with the custodian of the funds, and interviewed selected officials to the extent necessary to satisfy the audit objectives.

The results of our audit found that for the period January 1, 2004 to December 31, 2006, the Krings Volunteer Firefighters' Relief Association expended funds as presented in the accompanying information and as of December 31, 2006, had a cash balance of \$10,095 and no investments. Additionally, the results of our tests indicated that, in all significant respects, the Krings Volunteer Firefighters' Relief Association received and expended state aid and accumulated relief association funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the following finding discussed later in this report:

Finding – Unauthorized Expenditure

The contents of this report were discussed with the management of the Krings Volunteer Firefighters' Relief Association and, where appropriate, their responses have been included in the report.

STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT RECOMMENDATIONS

The Krings Volunteer Firefighters' Relief Association has complied with the following prior audit recommendations:

- Failure to Maintain a Complete and Accurate Equipment Roster

By maintaining a cumulative roster of all equipment owned.

- Improper Equipment Transactions

By discontinuing the practice of purchasing equipment for resale to members of the relief association.

KRINGS VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Unauthorized Expenditure

Condition: On March 15, 2005, the relief association mistakenly expended \$2,041 for the premium on the fire company's insurance which is not authorized by Act 84. The relief association recognized the mistake and on August 12, 2005, the relief association was reimbursed \$1,500 toward the unauthorized expenditure leaving a balance of \$541 as unauthorized.

Criteria: Act 84 at 53 P.S. § 8506(e)(2) states:

The funds of any volunteer firefighters' relief association may be spent:

- (2) To purchase contracts of insurance which shall at the least afford financial assistance to active members of the fire service represented by the association against losses due to injury suffered in the fire service and which may also provide in the order named, (i) for payments to the widow or other dependents of a member in the event of his death, (ii) for protection of active firemen against disease, (iii) for the replacement or purchase of prosthetic devices such as visual aids, hearing aids, dentures, braces, crutches, and the like, where such devices have been lost or damaged while the owner was engaged in the fire service or where the need for such devices arises because of functional impairment attributable to participation in the fire service, (iv) for the repair or replacement if necessary of articles of clothing or pocket pagers damaged in the course of participation in the fire service, and (v) for disability incurred after service for a minimum of 20 years as a volunteer firefighter.

Since the Department of the Auditor General is legislatively prohibited from giving pre-audit advice, an interagency agreement with the Department of Community and Economic Development (DCED) had been established whereby the DCED provided interpretation of Act 84 of 1968, the "Volunteer Firefighters' Relief Association Act." The type of insurance coverage stated in the Condition above has been deemed by DCED to not qualify under Act 84.

Cause: Relief association officials made the fire company insurance payment by mistake.

Effect: As a result of this improper expenditure, relief association funds were not available for investment purposes or to pay for expenditures authorized by Act 84.

Recommendation: We recommend the relief association be reimbursed \$541 for the remaining unauthorized expenditure and that relief association officials become familiar with Act 84 at 53 P.S. § 8506(e) to aid them in determining the propriety of future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.
