HEREIN REFERRED TO AS:

LAFLIN VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION

LUZERNE COUNTY

COMPLIANCE AUDIT REPORT

FOR THE PERIOD

JANUARY 1, 2004 TO DECEMBER 31, 2006

CONTENTS

Background.....	1
Letter From the Auditor General	3
Status of Prior Finding.....	5
Finding and Recommendation:	
Finding – Failure to Deposit Proceeds from Equipment Sold	6
Accompanying Expenditure Information	7
Report Distribution List	9

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The Laflin Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 84 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Laflin Volunteer Firefighters' Relief Association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2004</u>	<u>2005</u>	<u>2006</u>
Laflin Borough	Luzerne	\$9,838	\$10,618	\$10,684

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Laflin Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

Laflin Volunteer Fire Company

We have conducted a compliance audit of the Laflin Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), for the period January 1, 2004 to December 31, 2006. The audit was conducted in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Laflin Volunteer Firefighters' Relief Association's administration of state aid and accumulated funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with applicable state laws, contracts, bylaws and administrative procedures significant within the context of the audit objectives. We also tested transactions, confirmed the Laflin Volunteer Firefighters' Relief Association's cash balance as of December 31, 2006, with the custodian of the funds, and interviewed selected officials to the extent necessary to satisfy the audit objectives.

The results of our audit found that for the period January 1, 2004 to December 31, 2006, the Laflin Volunteer Firefighters' Relief Association expended funds as presented in the accompanying information and as of December 31, 2006, had a cash balance of \$13,246 and no investments. Additionally, the results of our tests indicated that, in all significant respects, the Laflin Volunteer Firefighters' Relief Association received and expended state aid and accumulated relief association funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the following finding discussed later in this report:

Finding – Failure to Deposit Proceeds from Equipment Sold

The contents of this report were discussed with the management of the Laflin Volunteer Firefighters' Relief Association and, where appropriate, their responses have been included in the report.

JACK WAGNER
Auditor General

LAFLIN VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
STATUS OF PRIOR FINDING

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The Laflin Volunteer Firefighters' Relief Association has complied with the following prior audit finding and recommendation:

- Failure to Perform an Annual Equipment Inventory

By performing and documenting an inventory of all operable equipment owned by the relief association.

LAFLIN VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Failure to Deposit Proceeds from Equipment Sold

Condition: In 2006, the proceeds from the sale of relief association equipment, in the amount of \$678, were erroneously deposited into the fire company's bank account rather than a relief association account.

Criteria: Prudent business practice dictates that the relief association should closely monitor the sale of all relief association equipment to ensure the proceeds are received and timely deposited into a relief association account.

Cause: The relief association failed to establish internal control procedures to ensure that all proceeds from equipment sold were timely deposited into a relief association account.

Effect: The failure to timely deposit the proceeds from all relief association equipment sold can lead to a greater risk that funds could be lost or misappropriated. In addition, as a result of the proceeds from the equipment sold being deposited into a fire company account, the relief association was unable to use the funds to purchase replacement equipment, for general operating expenses, or for investment purposes.

However, subsequent to the period under review, on April 10, 2007, the Laflin Volunteer Fire Company reimbursed the relief association \$678 for the proceeds that were erroneously deposited.

Recommendation: We recommend the relief association establish accounting and internal control procedures to ensure that the proceeds from all future equipment sales are timely deposited into a relief association account. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented and indicated they will take action to comply with the recommendation.
