AUDITOR GENERAL**

The Honorable Mayor and Borough Council
Mount Carmel Borough
Northumberland County
Mount Carmel, PA 17851

We have conducted a compliance audit of the Mount Carmel Borough Police Pension Plan for the period January 1, 2010 to December 31, 2012. The audit was conducted pursuant to authority derived from Section 402(j) of Act 205 and in accordance with the standards applicable to performance audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform our audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if municipal officials took appropriate corrective action to address the findings contained in our prior audit report; and
2. To determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objectives identified above. Our methodology addressed determinations about the following:

- Whether state aid was properly determined and deposited in accordance with Act 205 requirements.
- Whether employer contributions are determined and deposited in accordance with the plan's governing document and applicable laws and regulations.
- Whether employee contributions are required and, if so, are determined, deducted and deposited into the pension plan and are in accordance with the plan provisions and applicable laws and regulations.

- Whether benefit payments, if any, represent payments to all (and only) those entitled to receive them and are properly determined in accordance with applicable laws and regulations.
- Whether obligations for plan benefits are accurately determined in accordance with plan provisions and based on complete and accurate participant data; and whether actuarial valuation reports are prepared and submitted to the Public Employee Retirement Commission (PERC) in accordance with state law and selected information provided on these reports is accurate, complete and in accordance with plan provisions to ensure compliance for participation in the state aid program.
- Whether the terms of the contractual agreement with the Pennsylvania State Association of Boroughs are in accordance with the plan's governing document, if separately stated, and applicable laws and regulations.
- Whether the special ad hoc postretirement adjustment granted to eligible pensioners is in accordance with applicable laws and regulations and whether the ad hoc reimbursement received by the municipality was treated in accordance with applicable laws and regulations.
- Whether benefit payments have only been made to living recipients, based on the Social Security numbers found in the pension records for retirees and beneficiaries.
- Whether transfers were properly authorized, accurate, timely and properly recorded.

Mount Carmel Borough contracted with an independent certified public accounting firm for audits of its basic financial statements for the years ended December 31, 2010 and 2011, which are available at the borough's offices. Those financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

Borough officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Mount Carmel Borough Police Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. In conducting our audit, we obtained an understanding of the borough's internal controls as they relate to the borough's compliance with those requirements and that we considered to be significant within the context of our audit objectives, and assessed whether those significant controls were properly designed and implemented. Additionally, we tested transactions, assessed official actions, performed analytical procedures and interviewed selected officials to provide reasonable assurance of detecting instances of noncompliance with legal and regulatory requirements or noncompliance with provisions of contracts, administrative procedures, and local ordinances and policies that are significant within the context of the audit objectives.

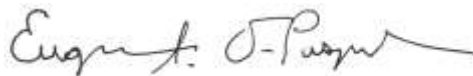

The results of our tests indicated that, in all significant respects, the Mount Carmel Borough Police Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following findings further discussed later in this report:

Finding No. 1 – Restated Plan Document Not Adopted By Ordinance

Finding No. 2 – Collective Bargaining Agreement Contains An Unauthorized Nonservice-Related Disability Benefit Provision

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information or conclude on it and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of Mount Carmel Borough and, where appropriate, their responses have been included in the report. We would like to thank borough officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans. Section 402(j) of Act 205 specifically requires the Auditor General, as deemed necessary, to make an audit of every municipality which receives general municipal pension system state aid and of every municipal pension plan and fund in which general municipal pension system state aid is deposited.

Annual state aid allocations are provided from a 2 percent foreign (out-of-state) casualty insurance premium tax, a portion of the foreign (out-of-state) fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Mount Carmel Borough Police Pension Plan is also governed by implementing regulations adopted by the Public Employee Retirement Commission published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

Act 147 - Special Ad Hoc Municipal Police and Firefighter Postretirement Adjustment Act, Act of December 14, 1988 (P.L. 1192, No. 147), as amended, 53 P.S. § 896.101 et seq.

Act 600 - Police Pension Fund Act, Act of May 29, 1956 (P.L. 1804, No. 600), as amended, 53 P.S. § 761 et seq.

The Mount Carmel Borough Police Pension Plan is a single-employer defined benefit pension plan locally controlled by the provisions of an executed plan document effective January 1, 2012, adopted pursuant to Act 600. The plan is also affected by the provisions of collective bargaining agreements between the borough and its police officers. The plan was established December 4, 1956. Active members are required to contribute 5 percent of compensation to the plan. As of December 31, 2012, the plan had 8 active members, no terminated members eligible for vested benefits in the future and 11 retirees receiving pension benefits paid from the plan.

BACKGROUND – (Continued)

As of December 31, 2012, selected plan benefit provisions are as follows:

Eligibility Requirements:

Normal Retirement Age 50 and 25 years of service.

Early Retirement 20 years of service.

Vesting 100% after 12 years of service.

Retirement Benefit:

50% of final 36 months average salary plus \$100 per month service increment after 25 years of service.

Survivor Benefit:

Before Retirement Eligibility Refund of member contributions plus interest.

After Retirement Eligibility A monthly benefit equal to 50% of the pension the member was receiving or was entitled to receive on the day of the member's death.

Service Related Disability Benefit:

50% of the member's salary at the time the disability was incurred, offset by Social Security disability benefits received for the same injury.

MOUNT CARMEL BOROUGH POLICE PENSION PLAN
STATUS OF PRIOR FINDINGS

Compliance With Prior Audit Recommendations

Mount Carmel Borough has complied with the prior audit recommendations concerning the following:

- Pension Plan Not In Compliance With Act 600 Provisions

Borough officials adopted a plan document with the Pennsylvania State Association of Boroughs Municipal Retirement Trust to bring the police pension plan's benefit structure into compliance with Act 600; however, the restated plan document has not been formally adopted by ordinance, as noted in Finding No. 1 contained in this report.

- Failure To Determine And Submit The Financial Requirements And Minimum Municipal Obligation Of The Plan

During the current audit period, borough officials determined the financial requirements and minimum municipal obligation of the pension plan and submitted the calculations to borough council as required by Act 205.

MOUNT CARMEL BOROUGH POLICE PENSION PLAN
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Restated Plan Document Not Adopted By Ordinance

Condition: The terms, provisions and conditions of the police pension plan were restated in a separately executed plan agreement with the Pennsylvania State Association of Boroughs Municipal Retirement Trust effective January 1, 2012. However, the restated plan agreement has not been formally adopted by an ordinance that would properly amend the plan’s existing governing ordinance.

Criteria: Act 600 at Section 1(a)(1) states, in part:

Each borough, town and township of this Commonwealth maintaining a police force of three or more full-time members and each regional police department shall, and all other boroughs, towns or townships may, establish, by ordinance or resolution, a police pension fund. . . .

Furthermore, in Wynne v. Lower Merion Township, 181 Pa. Superior Ct., 524, the Pennsylvania Superior Court held that an ordinance may be amended only by another ordinance and not by a resolution.

Cause: Plan officials were unaware that the borough should formally adopt the provisions of the restated plan agreement through a properly executed ordinance.

Effect: The failure to properly adopt the plan agreement could result in improper or inconsistent benefit payments to plan members and their beneficiaries.

Recommendation: We recommend that municipal officials take appropriate action to formally adopt the restated plan document through a properly executed ordinance.

Management’s Response: Municipal officials agreed with the finding without exception.

MOUNT CARMEL BOROUGH POLICE PENSION PLAN
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – Collective Bargaining Agreement Contains An Unauthorized Nonservice-Related Disability Benefit Provision

Condition: The collective bargaining agreement between the borough and its police officers contains a provision for the payment of a nonservice-related disability benefit which is not authorized by Act 600.

Criteria: Regarding disability benefits, Section 5(e)(1) of Act 600 states:

In the case of the payment of pensions for permanent injuries incurred in service, the amount and commencement of the payments shall be fixed by regulations of the governing body of the borough, town, township or regional police department and shall be calculated at a rate no less than fifty per centum of the member's salary at the time the disability was incurred, provided that any member who receives benefits for the same injuries under the Social Security Act (49 Stat. 620, 42 U.S.C. § 301 et. seq.) shall have his disability benefits offset or reduced by the amount of such benefits. (Emphasis added)

Furthermore, the Supreme Court of Pennsylvania in *Chirico v. Board of Supervisors for Newtown Township*, 518 Pa. 572, 544A.2d 1313 (1988) held that Act 600 does not provide for the payment of pension benefits for non-service related injuries.

Cause: Plan officials were not aware that Act 600 does not authorize the payment of nonservice-related disability benefits.

Effect: Providing unauthorized pension benefits increases the plan's pension costs and reduces the amount of funds available for investment purposes or for the payment of authorized benefits or administrative expenses.

Recommendation: We recommend that the borough comply with Act 600 upon the renewal, extension, or renegotiation of the collective bargaining agreement.

Management's Response: Municipal officials agreed with the finding without exception.

SCHEDULE OF FUNDING PROGRESS

Historical trend information about the plan is presented herewith as supplementary information. It is intended to help users assess the plan's funding status on a going-concern basis, assess progress made in accumulating assets to pay benefits when due, and make comparisons with other state and local government retirement systems.

The actuarial information is required by Act 205 biennially. The historical information, beginning as of January 1, 2007, is as follows:

	(1)	(2)	(3)	(4)	(5)	(6)
Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) - Entry Age (b)	Unfunded (Assets in Excess of) Actuarial Accrued Liability (b) - (a)	Funded Ratio (a)/(b)	Covered Payroll (c)	Unfunded (Assets in Excess of) Actuarial Accrued Liability as a % of Payroll [(b-a)/(c)]
01-01-07	\$ 2,440,064	\$ 2,880,049	\$ 439,985	84.7%	\$ 386,566	113.8%
01-01-09	2,303,004	3,033,045	730,041	75.9%	459,174	159.0%

SUPPLEMENTARY INFORMATION
(UNAUDITED)

The comparability of trend information is affected by changes in actuarial assumptions, benefit provisions, actuarial funding methods, accounting policies, and other changes. Those changes usually affect trends in contribution requirements and in ratios that use the actuarial accrued liability as a factor.

Analysis of the dollar amount of the actuarial value of assets, actuarial accrued liability, and unfunded (assets in excess of) actuarial accrued liability in isolation can be misleading. Expressing the actuarial value of assets as a percentage of the actuarial accrued liability (Column 4) provides one indication of the plan's funding status on a going-concern basis. Analysis of this percentage, over time, indicates whether the system is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the plan.

Trends in unfunded (assets in excess of) actuarial accrued liability and annual covered payroll are both affected by inflation. Expressing the unfunded (assets in excess of) actuarial accrued liability as a percentage of annual covered payroll (Column 6) approximately adjusts for the effects of inflation and aids analysis of the plan's progress made in accumulating sufficient assets to pay benefits when due. Generally, where there is an unfunded actuarial accrued liability, the smaller this percentage, the stronger the plan. When assets are in excess of the actuarial accrued liability, the higher the bracketed percentage, the stronger the plan.
