Report Distribution List	13

BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, 53 P.S. §895.101, et seq.). The act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans. Section 402(j) of Act 205 specifically requires the Auditor General, as deemed necessary, to make an audit of every municipality which receives general municipal pension system State aid and of every municipal pension plan and fund in which general municipal pension system State aid is deposited.

Pension plan aid is provided from a 2 percent foreign casualty insurance premium tax, a portion of the foreign fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Brentwood Borough Police Pension Plan is also governed by implementing regulations adopted by the Public Employee Retirement Commission published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

Act 147 - Special Ad Hoc Municipal Police and Firefighter Postretirement Adjustment Act, Act of 1988, (P.L. 1192, No. 147), as amended, 53 P.S. § 896.101, et seq.

Act 600 - Police Pension Fund Act, Act of May 29, 1956, (P.L. (1955) 1804, No. 600), as amended, 53 P.S. § 767, et seq.

The Brentwood Borough Police Pension Plan is a single-employer defined benefit pension plan locally controlled by the provisions of Ordinance No. 1151, adopted pursuant to Act 600. The plan is also affected by the provisions of collective bargaining agreements between the borough and its police officers.

The Honorable Mayor and Borough Council
Brentwood Borough
Allegheny County
Pittsburgh, PA 15227

We have conducted a compliance audit of the Brentwood Borough Police Pension Plan for the period January 1, 2004, to December 31, 2006. The audit was conducted pursuant to authority derived from Section 402(j) of Act 205 of 1984 and in accordance with *Government Auditing Standards*, issued by the Comptroller General of the United States.

The objectives of the audit were:

1. To determine if municipal officials took appropriate corrective action to address the findings contained in our prior audit report; and
2. To determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objectives identified above. Brentwood Borough contracted with an independent certified public accounting firm for annual audits of its basic financial statements which are available at the borough's offices. Those financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

The Department of the Auditor General (Department) is mandated by state statute to calculate state aid provided to municipal pension funds and to audit municipal pension funds having received such aid. State aid is calculated by an administrative unit that is not involved in the audit process. The Department's Comptroller Office then pre-audits the calculation and submits requests to the Commonwealth's Treasury Department for the disbursement of state aid to the municipality. The Department has implemented procedures to ensure that Department audit personnel are not directly involved in the calculation and disbursement processes. The Department's mandatory responsibilities are being disclosed in accordance with *Government Auditing Standards*.

Borough officials are responsible for establishing and maintaining an internal control structure to provide reasonable assurance that the Brentwood Borough Police Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. To assist us in planning and performing our audit, we obtained an understanding of the borough's internal control structure as it relates to the borough's compliance with those requirements. Additionally, we tested transactions, assessed official actions, performed analytical procedures and interviewed selected officials to the extent necessary to satisfy the audit objectives.

The results of our tests indicated that, in all significant respects, the Brentwood Borough Police Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following finding further discussed later in this report:

Finding – Failure To Appoint A Chief Administrative Officer

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of Brentwood Borough and, where appropriate, their responses have been included in the report.

August 17, 2007

JACK WAGNER
Auditor General

BRENTWOOD BOROUGH POLICE PENSION PLAN
STATUS OF PRIOR FINDINGS

Compliance With Prior Audit Recommendations

Brentwood Borough has complied with the prior audit recommendations concerning the following:

- Failure To Adopt Benefit Provisions Mandated By Act 30

The municipality adopted Ordinance No. 1151 which provided for all benefit provisions mandated by Act 30; and

- Payment Of Unauthorized Survivor Benefit

During the audit period, the surviving spouse was notified by municipal officials that her pension benefit will be discontinued. In addition, the plan's actuary prepared the AG MP-1 forms based on the January 1, 2003, and January 1, 2005, actuarial valuation reports and determined that the unauthorized benefits had no impact on the plan's state aid allocations.

BRENTWOOD BOROUGH POLICE PENSION PLAN FINDING AND RECOMMENDATION

Finding – Failure To Appoint A Chief Administrative Officer

Condition: Municipal officials did not appoint a chief administrative officer (CAO) for the pension plan by ordinance, resolution or by a motion recorded in the minutes of a council meeting.

Criteria: Section 102 of Act 205 defines the CAO as “The person who has primary responsibility for the execution of the administrative affairs of the municipality in the case of the municipality, or of the pension plan in the case of the pension plan, or the designee of that person.”

Municipal officials may appoint two CAOs - one for the pension plan and one for the municipality or appoint one person to fill both positions. Act 205 identifies specific duties for each position, as follows:

CAO of the Municipality

- Supervise and direct the preparation of actuarial reports (Section 201(d));
- Certify and file actuarial valuation reports with the Public Employee Retirement Commission (Section 201(b)); and
- Make actuarial report information available to plan members (Section 201(e)).

CAO of the Pension Plan

- Annually, determine and submit to the governing body of the municipality the financial requirements of the pension plan and minimum municipal obligation (Section 302(b), Section 302(c), Section 303(b), Section 303(c) and Section 304); and
- Provide the governing body of the municipality with a cost estimate of the effect of any proposed benefit plan modification (Section 305(a)).

Cause: Plan officials were unaware of the need to appoint a CAO for the pension plan in accordance with Act 205 provisions.

Effect: Failure to formally appoint a CAO could result in important filing deadlines being overlooked, state aid being adversely affected or delayed and investment opportunities being lost.

BRENTWOOD BOROUGH POLICE PENSION PLAN
FINDING AND RECOMMENDATION

Finding – (Continued)

Recommendation: Because of the significance of the CAO's responsibilities to the municipality and pension plan, we recommend that the CAO be formally appointed by ordinance, resolution or motion recorded in the minutes of a council meeting. Such ordinance, resolution or motion should detail the CAO's responsibilities and be filed with other plan documents.

Management's Response: Municipal officials agreed with the finding without exception.

SUPPLEMENTARY INFORMATION
(UNAUDITED)**

SCHEDULE OF FUNDING PROGRESS

Historical trend information about the plan is presented herewith as supplementary information. It is intended to help users assess the plan's funding status on a going-concern basis, assess progress made in accumulating assets to pay benefits when due, and make comparisons with other state and local government retirement systems.

The actuarial information is required by Act 205 biennially, except for distressed pension plans, for which annual reporting was required through January 1, 2003. The historical information, beginning as of January 1, 2001, is as follows:

	(1)	(2)	(3)	(4)	(5)	(6)
Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) - Entry Age (b)	Unfunded (Assets in Excess of) Actuarial Accrued Liability (b) - (a)	Funded Ratio (a)/(b)	Covered Payroll (c)	Unfunded (Assets in Excess of) Actuarial Accrued Liability as a % of Payroll [(b-a)/(c)]
01-01-01	\$ 3,478,420	\$ 3,251,163	\$ (227,257)	107.0%	\$ 727,458	(31.2%)
01-01-03	3,263,444	3,350,915	87,471	97.4%	793,064	11.0%
01-01-05	3,774,255	3,559,559	(214,696)	106.0%	891,012	(24.1%)

BRENTWOOD BOROUGH POLICE PENSION PLAN
SUPPLEMENTARY INFORMATION
(UNAUDITED)

The comparability of trend information is affected by changes in actuarial assumptions, benefit provisions, actuarial funding methods, accounting policies, and other changes. Those changes usually affect trends in contribution requirements and in ratios that use the actuarial accrued liability as a factor.

Analysis of the dollar amount of the actuarial value of assets, actuarial accrued liability, and unfunded (assets in excess of) actuarial accrued liability in isolation can be misleading. Expressing the actuarial value of assets as a percentage of the actuarial accrued liability (Column 4) provides one indication of the plan's funding status on a going-concern basis. Analysis of this percentage, over time, indicates whether the system is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the plan.

Trends in unfunded (assets in excess of) actuarial accrued liability and annual covered payroll are both affected by inflation. Expressing the unfunded (assets in excess of) actuarial accrued liability as a percentage of annual covered payroll (Column 6) approximately adjusts for the effects of inflation and aids analysis of the plan's progress made in accumulating sufficient assets to pay benefits when due. Generally, where there is an unfunded actuarial accrued liability, the smaller this percentage, the stronger the plan. However, when assets are in excess of the actuarial accrued liability, the higher the bracketed percentage, the stronger the plan.

BRENTWOOD BOROUGH POLICE PENSION PLAN
SUPPLEMENTARY INFORMATION
(UNAUDITED)

SCHEDULE OF CONTRIBUTIONS FROM EMPLOYER
AND OTHER CONTRIBUTING ENTITIES

Year Ended December 31	Annual Required Contribution	Percentage Contributed
2001	\$ 13,761	100.0%
2002	49,868	100.0%
2003	55,136	105.8%
2004	56,385	165.0%
2005	106,376	102.2%
2006	98,311	113.9%

BRENTWOOD BOROUGH POLICE PENSION PLAN
SUPPLEMENTARY INFORMATION
NOTES TO SUPPLEMENTARY SCHEDULES
(UNAUDITED)

The information presented in the required supplementary schedules was determined as part of the actuarial valuation at the date indicated. Additional information as of the latest actuarial valuation date follows:

Actuarial valuation date	January 1, 2005
Actuarial cost method	Entry age normal
Amortization method	N/A
Remaining amortization period	N/A
Asset valuation method	Fair value
Actuarial assumptions:	
Investment rate of return *	7.0%
Projected salary increases *	5.0%
