Finding and Recommendation:	
Finding – Noncompliance With Prior Audit Recommendation – Pension Benefits Not In Compliance With Act 600 Provisions.....	6
Supplementary Information	9
Report Distribution List	13

BACKGROUND

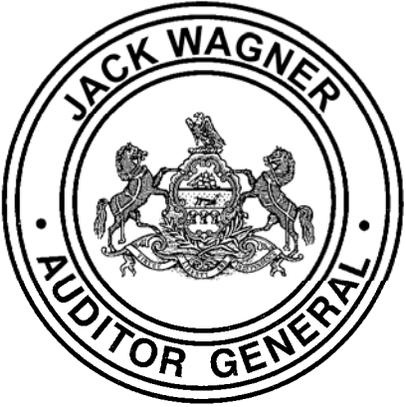

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans. Section 402(j) of Act 205 specifically requires the Auditor General, as deemed necessary, to make an audit of every municipality which receives general municipal pension system State aid and of every municipal pension plan and fund in which general municipal pension system State aid is deposited.

Pension plan aid is provided from a 2 percent foreign casualty insurance premium tax, a portion of the foreign fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Dupont Borough Police Pension Plan is also governed by implementing regulations adopted by the Public Employee Retirement Commission published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

Act 600 - Police Pension Fund Act, Act of May 29, 1956 (P.L. 1804, No. 600), as amended, 53 P.S. § 761 et seq.

The Dupont Borough Police Pension Plan is a single-employer defined benefit pension plan locally controlled by the provisions of Ordinance No. 89-01-07, as amended, adopted pursuant to Act 600. The plan is also affected by the provisions of collective bargaining agreements between the borough and its police officer.

The Honorable Mayor and Borough Council
Dupont Borough
Luzerne County
Dupont, PA 18641

We have conducted a compliance audit of the Dupont Borough Police Pension Plan for the period January 1, 2006, to December 31, 2008. The audit was conducted pursuant to authority derived from Section 402(j) of Act 205 and in accordance with *Government Auditing Standards* applicable to performance audits issued by the Comptroller General of the United States. Those standards require that we plan and perform our audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our finding and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our finding and conclusions based on our audit objectives.

The objectives of the audit were:

1. To determine if municipal officials took appropriate corrective action to address the finding contained in our prior audit report; and
2. To determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objectives identified above. Dupont Borough contracted with an independent certified public accounting firm for annual audits of its basic financial statements which are available at the borough's offices. Those financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

Borough officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Dupont Borough Police Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. In conducting our audit, we obtained an understanding of the borough's internal controls as they relate to the borough's compliance with those requirements and that we considered to be significant within the context of our audit objectives, and assessed whether those significant controls were properly designed and implemented. Additionally, we tested transactions, assessed official actions, performed analytical procedures and interviewed selected officials to the extent necessary to satisfy the audit objectives.

The results of our tests indicated that, in all significant respects, the Dupont Borough Police Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, except as noted in the following finding further discussed later in this report:

Finding – Noncompliance With Prior Audit Recommendation – Pension
Benefits Not In Compliance With Act 600 Provisions

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of Dupont Borough and, where appropriate, their responses have been included in the report.

October 16, 2009

JACK WAGNER
Auditor General

DUPONT BOROUGH POLICE PENSION PLAN
STATUS OF PRIOR FINDING

Noncompliance With Prior Audit Recommendation

Dupont Borough has not complied with the prior audit recommendation concerning the following as further discussed in the Finding and Recommendation section of this report:

- Pension Benefits Not In Compliance With Act 600 Provisions

DUPONT BOROUGH POLICE PENSION PLAN
FINDING AND RECOMMENDATION

Finding – Noncompliance With Prior Audit Recommendation – Pension Benefits Not In Compliance With Act 600 Provisions

Condition: As disclosed in the prior audit report, the pension plan’s governing document, Ordinance No. 89-01-07, as amended, contains benefit provisions that are not in compliance with Act 600.

Furthermore, on April 17, 2002, Act 600 was amended by Act 30, which made significant changes to the statutorily prescribed benefit structure of police pension plans subject to Act 600. Municipal officials have not amended the police pension plan’s benefit structure to adopt all of the changes mandated by Act 30. The specific inconsistencies are as follows:

<u>Benefit Provision</u>	<u>Governing Document</u>	<u>Act 600 (as amended)</u>
Survivor’s benefit	None provided	A lifetime survivor’s benefit must be provided to the surviving spouse (or if no spouse survives or if he or she subsequently dies, the child or children under 18 years of age or if attending college, under or attaining the age of 23) of no less than 50% of the pension the member was receiving or would have been entitled to receive had he been retired at the time of death. (“Attending college” shall mean the eligible children are registered at an accredited institution of higher learning and are carrying a minimum course load of 7 credit hours per semester.)
Service-related disability benefit	Disability benefits shall be in an amount equal to 50% of the average monthly compensation of such member during the preceding 36 months of employment.	The benefit must be in conformity with a uniform scale and fixed by the plan’s governing document at no less than 50% of the member’s salary at the time the disability was incurred, reduced by the amount of Social Security disability benefits received for the same injury.

DUPONT BOROUGH POLICE PENSION PLAN
FINDING AND RECOMMENDATION

Finding – (Continued)

<u>Benefit Provision</u>	<u>Governing Document</u>	<u>Act 600 (as amended)</u>
Pre-vesting death benefit	None provided	The surviving spouse of a member of the police force who dies before his pension has vested or if no spouse survives or if he or she survives and subsequently dies, the child or children under the age of eighteen years, or, if attending college, under or attaining the age of twenty-three years, of the member of the police force shall be entitled to receive repayment of all money which the member invested in the pension fund plus interest or other increases in value of the member's investment in the pension fund, unless the member has designated another beneficiary for this purpose.
Normal retirement age and service requirement	Full-time police officers who were hired after age 45, have served a minimum of 10 years and have attained the age of at least 60 years, may retire from active duty.	A minimum of 25 years of aggregate police service and age 55, or 50 if supported by an actuarial study.

Criteria: Section 1(a)(1) of Act 600 states, in part:

Each borough, town and township of this Commonwealth maintaining a police force of three or more full-time members and each regional police department shall, and all other boroughs, towns or townships may, establish, by ordinance or resolution, a police pension fund or pension annuity to be maintained by a charge against each member of the police force, by annual appropriations made by the borough, town, township or regional police department, by payments made by the State Treasurer to the municipal treasurer from the moneys received from taxes paid upon premiums by foreign casualty insurance companies for purposes of pension retirement for policemen...(Emphasis added)

If the borough elects to establish their pension plan pursuant to Act 600 provisions, even though the borough has employed only one full-time police officer since 2002, the plan's governing document should contain benefit provisions that are in compliance with Act 600 provisions.

DUPONT BOROUGH POLICE PENSION PLAN
FINDING AND RECOMMENDATION

Finding – (Continued)

Cause: Plan officials have failed to adopt adequate internal control procedures to ensure compliance with the prior audit recommendation.

Effect: Maintaining a benefit structure which is not in compliance with Act 600 could result in plan members or their beneficiaries receiving incorrect benefit amounts or being denied benefits to which they are statutorily entitled.

Recommendation: We recommend municipal officials, with the assistance of the borough solicitor, determine whether it is the borough's intention that the pension benefits should be governed by Act 600 provisions. If the borough makes the determination that pension benefits are to be governed by Act 600, we again recommend that municipal officials take whatever action is necessary to bring the police pension plan's benefit structure into compliance with Act 600, as amended, at their earliest opportunity to do so.

Management's Response: Municipal officials agreed with the finding without exception.

DUPONT BOROUGH POLICE PENSION PLAN
 SUPPLEMENTARY INFORMATION
 (UNAUDITED)

SCHEDULE OF FUNDING PROGRESS

Historical trend information about the plan is presented herewith as supplementary information. It is intended to help users assess the plan's funding status on a going-concern basis, assess progress made in accumulating assets to pay benefits when due, and make comparisons with other state and local government retirement systems.

The actuarial information is required by Act 205 biennially, except for distressed pension plans, for which annual reporting was required through January 1, 2003. The historical information, beginning as of January 1, 2003, is as follows:

	(1)	(2)	(3)	(4)	(5)	(6)
Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) - Entry Age (b)	Unfunded (Assets in Excess of) Actuarial Accrued Liability (b) - (a)	Funded Ratio (a)/(b)	Covered Payroll (c)	Unfunded (Assets in Excess of) Actuarial Accrued Liability as a % of Payroll [(b-a)/(c)]
01-01-03	\$ 668,915	\$ 80,498	\$ (588,417)	831.0%	\$ 33,856	(1,738.0%)
01-01-05	770,515	108,200	(622,315)	712.1%	39,831	(1,662.8%)
01-01-07	834,747	130,629	(704,118)	639.0%	41,500	(1,696.7%)

DUPONT BOROUGH POLICE PENSION PLAN
SUPPLEMENTARY INFORMATION
(UNAUDITED)

The comparability of trend information is affected by changes in actuarial assumptions, benefit provisions, actuarial funding methods, accounting policies, and other changes. Those changes usually affect trends in contribution requirements and in ratios that use the actuarial accrued liability as a factor.

Analysis of the dollar amount of the actuarial value of assets, actuarial accrued liability, and unfunded (assets in excess of) actuarial accrued liability in isolation can be misleading. Expressing the actuarial value of assets as a percentage of the actuarial accrued liability (Column 4) provides one indication of the plan's funding status on a going-concern basis. Analysis of this percentage, over time, indicates whether the system is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the plan.

Trends in unfunded (assets in excess of) actuarial accrued liability and annual covered payroll are both affected by inflation. Expressing the unfunded (assets in excess of) actuarial accrued liability as a percentage of annual covered payroll (Column 6) approximately adjusts for the effects of inflation and aids analysis of the plan's progress made in accumulating sufficient assets to pay benefits when due. Generally, where there is an unfunded actuarial accrued liability, the smaller this percentage, the stronger the plan. However, when assets are in excess of the actuarial accrued liability, the higher the bracketed percentage, the stronger the plan.

DUPONT BOROUGH POLICE PENSION PLAN
SUPPLEMENTARY INFORMATION
(UNAUDITED)

SCHEDULE OF CONTRIBUTIONS FROM EMPLOYER
AND OTHER CONTRIBUTING ENTITIES

Year Ended December 31	Annual Required Contribution	Percentage Contributed
2003	None	N/A
2004	None	N/A
2005	None	N/A
2006	None	N/A
2007	None	N/A
2008	None	N/A
