Auditor General DeFoor Releases Audits of 22 Municipal Pension Plans in 11 Counties

HARRISBURG – Auditor General Timothy L. DeFoor today announced the release of audits of 22 municipal and police pension plans in Cambria, Centre, Clearfield, Crawford, Delaware, Franklin, Greene, Lancaster, Luzerne, Mifflin and Northampton counties.

“Our audits make sure state pension aid is used as required by law, which helps to reduce financial burdens on local taxpayers,” DeFoor said.

State aid for municipal pension plans is generated by a 2 percent tax on fire and casualty insurance policies sold in Pennsylvania by out-of-state companies. In 2021, the Department of the Auditor General distributed a total of \$317 million in aid to 1,492 municipalities and regional departments to support pension plans covering police officers, paid firefighters and non-uniformed employees.

State law requires the department to audit municipal pension plans and volunteer fire relief associations that receive state aid from the department; liquid fuels tax usage by municipalities; various county offices and numerous other state government entities.
