

DCED

Dept. of Community & Economic Development

In 2014, Auditor General DePasquale released an audit of DCED's job-creation programs that included five findings & 13 recommendations.

Following the audit recommendations resulted in:

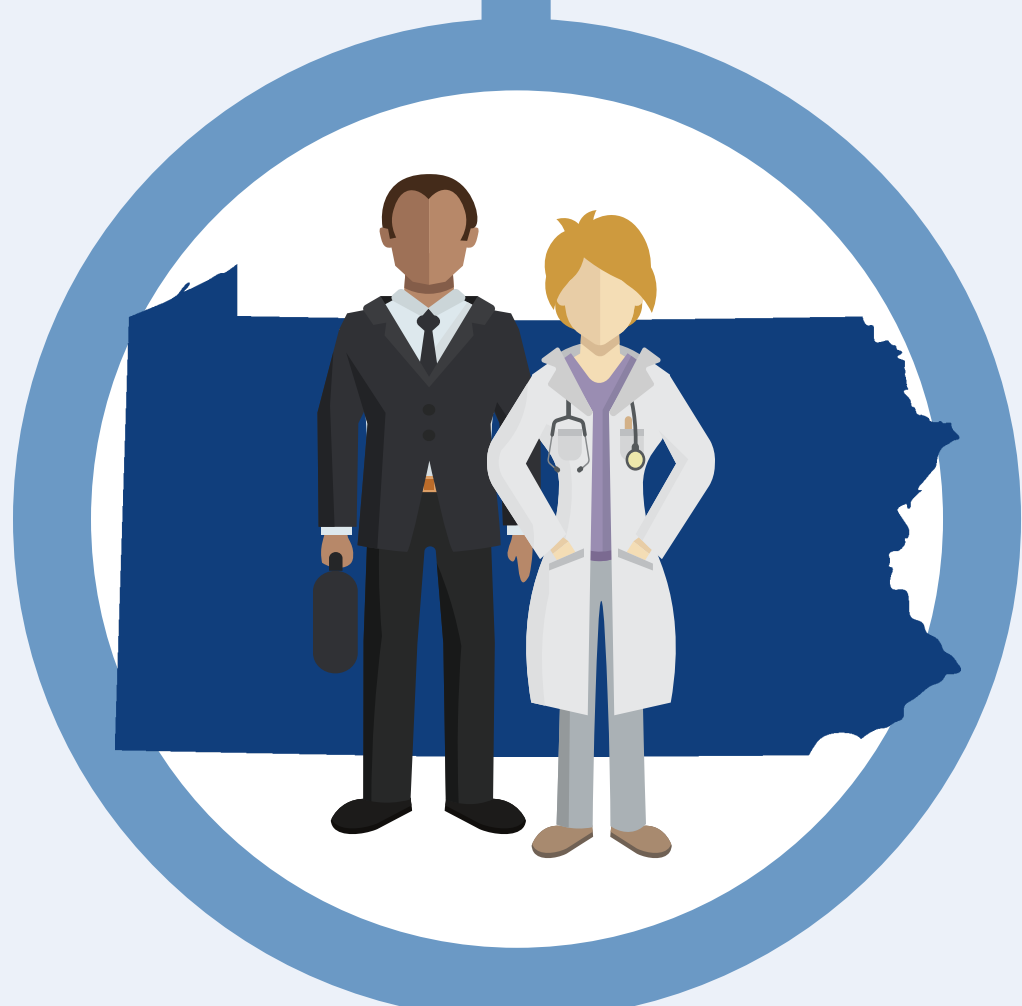

BETTER JOB-CREATION MONITORING

Employers subject to random requests for payroll records

CLEARER REPORTING OF JOB-CREATION DATA

Creation & retention information posted to state's Open Data site

HOLDING EMPLOYERS ACCOUNTABLE

Full repayments of grants from businesses that leave PA
