AUDITOR GENERAL

Mr. William Dietz, President
MOUNT POCONO VOLUNTEER FIREFIGHTERS'
RELIEF ASSOCIATION
Monroe County

We have conducted a compliance audit of the Mount Pocono Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2012 to December 31, 2014.

The objectives of the audit were:

1. To determine if the volunteer firefighters' relief association took appropriate corrective action to address the finding contained in our prior audit report.
2. To determine if the volunteer firefighters' relief association received state aid and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws, and administrative procedures.

Our audit was limited to the areas related to the objectives identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Mount Pocono Volunteer Firefighters' Relief Association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Volunteer firefighters' relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

We were not able to obtain independent confirmations of investment balances directly from the financial institutions. Therefore, while the Mount Pocono Volunteer Firefighters' Relief Association provided copies of investment statements that indicated that, as of December 31, 2014, the volunteer firefighters' relief association had an investment balance of \$690,644, we were not able to verify \$447,189 of that investment balance.

Based on our audit procedures, we conclude that, except for the effects, if any, of the matter described in the preceding paragraph, for the period January 1, 2012 to December 31, 2014:

- The Mount Pocono Volunteer Firefighters' Relief Association took appropriate corrective action to address the finding contained in our prior audit report.
- The Mount Pocono Volunteer Firefighters' Relief Association, in all significant respects, received state aid and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws, and administrative procedures.
- The Mount Pocono Volunteer Firefighters' Relief Association expended funds as presented in the Accompanying Expenditure Information and, as of December 31, 2014, had a cash balance of \$245,925 and an investment balance with a reported fair value of \$690,644.

The contents of this report were discussed with the management of the Mount Pocono Volunteer Firefighters' Relief Association. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.
