EUGENE A. DePASQUALE  
AUDITOR GENERAL

Mr. Michael Miller, President  
Allen Township Fireman's  
Relief Association  
Northampton County

We have conducted a compliance audit of the Allen Township Fireman's Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2017 to December 31, 2018.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

We were not able to obtain an independent confirmation of the cash balance and the investment balance directly from the financial institution. Therefore, while the relief association provided bank statements and documents that indicated that, as of December 31, 2018, the relief association had a cash balance of \$136,264 and an investment balance with a fair value of \$25,185, we were not able to verify those cash and investment balances.

Based on our audit procedures, we conclude that, except for the effects, if any, of the matter described in the preceding paragraph, for the period January 1, 2017 to December 31, 2018:

- The relief association took appropriate corrective action to address one of the two findings contained in our prior audit report. However, the relief association failed to take appropriate corrective action to address the one remaining finding contained in our prior audit report, as listed below and discussed in the Status of Prior Findings section of this report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 – Noncompliance With Prior Audit Recommendation –  
Inadequate Minutes Of Meetings

Finding No. 2 – Insufficient Surety (Fidelity) Bond Coverage

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

**BACKGROUND – (Continued)**

The relief association was allocated state aid from the following municipality:

ALLEN TOWNSHIP FIREMAN'S RELIEF ASSOCIATION  
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has complied with one of the two prior audit findings and recommendations, as follows:

- Inadequate Financial Record-Keeping System

By establishing and maintaining a financial record-keeping system that allows the membership to effectively monitor the relief association's financial operations.

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has not complied with the remaining prior audit finding. This finding is noted below and discussed in detail in the Findings and Recommendations section of this report:

- Inadequate Minutes Of Meetings

We are concerned by the relief association's failure to correct this previously reported audit finding. The association management should strive to implement the recommendation and corrective action noted in this audit report.

ALLEN TOWNSHIP FIREMAN'S RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS

**Finding No. 1 – Noncompliance With Prior Audit Recommendation – Inadequate Minutes Of Meetings**

Condition: The relief association failed to maintain detailed minutes of meetings as required by Act 118. Specifically, the relief association's minutes did not address all of the financial-related transactions that occurred during the audit period.

A similar condition was noted in our prior audit report.

Criteria: Section 7415(a) of Act 118 states, in part, that the relief association:

... must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

Cause: Even though notified of this condition during our prior audit, relief association officials again neglected to maintain detailed minutes of meetings as required by Act 118.

Effect: Without detailed minutes of meetings, evidence that relief association business was presented before the membership for approval does not exist.

Recommendation: We again recommend that the relief association officials maintain detailed minutes of meetings, evidencing the discussion and approval of all financial-related business conducted by the relief association. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: We are concerned by the relief association's failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.

ALLEN TOWNSHIP FIREMAN'S RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS

**Finding No. 2 – Insufficient Surety (Fidelity) Bond Coverage**

**Condition:** The relief association did not maintain a Surety (Fidelity) bond in a sufficient amount to cover the relief association's authorized disbursing officer. The relief association's Surety (Fidelity) bond coverage amount was \$125,000; however, as of December 31, 2018, the relief association's cash assets totaled \$136,264.

**Criteria:** Section 7415(c)(4) of Act 118 states, in part, that:

. . . the disbursing officer, whether designated treasurer, comptroller, financial secretary or otherwise, shall be bonded by corporate surety for faithful performance of duty. The amount of the bond shall be at least as great as the maximum cash balance in current funds of the association at any time during the fiscal year, and the premium on the bond shall be a proper charge against the funds of the association.

**Cause:** Relief association officials failed to monitor the relief association's cash balance to ensure that the Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer was in compliance with Act 118 provisions.

**Effect:** As a result of the authorized disbursing officer of the relief association being insufficiently bonded, the relief association's cash assets were not adequately safeguarded.

**Recommendation:** We recommend that the relief association officials ensure that its Surety (Fidelity) bond sufficiently covers the relief association's authorized disbursing officer, as required by Act 118. This requirement may be accomplished by increasing the Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer to an amount greater than the expected maximum balance of the relief association's cash assets, or by decreasing the relief association's cash assets to an amount anticipated to remain below the policy coverage amount. In addition, relief association officials should monitor the relief association's cash balance to ensure that unexpected events affecting the relief association's current funds do not again result in insufficient Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

**Management's Response:** Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

**Auditor's Conclusion:** Compliance will be subject to verification through our next audit.
