AUDITOR GENERAL**

Mr. Thomas Chipchosky, President
Central City Fire Department and Relief
Association of Central City
Somerset County

We have conducted a compliance audit of the Central City Fire Department and Relief Association of Central City (relief association) for the period January 1, 2019 to December 31, 2021. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

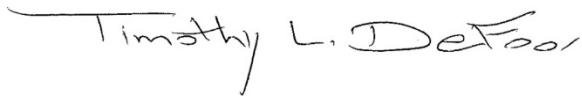

Based on our audit procedures, we conclude that, for the period January 1, 2019 to December 31, 2021, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 – Unauthorized Expenditures

Finding No. 2 – Failure To Maintain Surety (Fidelity) Bond Coverage

Finding No. 3 – Failure To Obtain A Pennsylvania Sales Tax Exemption
Number

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

⁴ Accuracy was evaluated for a selection of transactions based on dollar amount, category, and/or random selection.

BACKGROUND – (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Central City Fire Company No. 1

CENTRAL CITY FIRE DEPARTMENT AND RELIEF ASSOCIATION OF CENTRAL CITY
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Unauthorized Expenditures

Condition: The relief association expended funds for the following items during the current audit period that are not authorized by the VFRA Act:

<u>Date</u>	<u>Check No.</u>	<u>Description</u>	<u>Amount</u>
05/12/2020	535	Insurance premium (fire department)	\$ 9,655
06/07/2021	538	Insurance premium (fire department)	5,000
Total			<u>\$ 14,655</u>

Criteria: Section 7416(f) of the VFRA Act states:

The funds of any volunteer firefighters’ relief association may be spent:

- (2) To purchase contracts of insurance which, at a minimum, shall afford financial assistance to active members of the fire service represented by the association against losses due to injury suffered in the fire service and may also provide, in the order named: (i) for payments to the surviving spouse or other dependents of a member in the event of member’s death; (ii) for protection of active firefighters against disease; (iii) for replacement or purchase of prosthetic devices such as visual aids, hearing aids, dentures, braces, crutches and the like, where those devices have been lost or damaged while the owner was engaged in the fire service or where the need for those devices arose because of functional impairment attributable to participation in the fire service; (iv) for repair or replacement, if necessary, of articles of clothing or pocket pagers damaged or lost in the course of participation in the fire service; and (v) for disability incurred after service for a minimum of 20 years as a volunteer firefighter.
- (4) To pay in full or in part for damage or loss in any of the categories mentioned in paragraph (2) above in a specific case where; (i) no policy of insurance is in force covering the risk; or (ii) the amount payable under insurance policies in force is inadequate to cover the loss.
- (8) To contribute to or to purchase contracts of insurance which will contribute to the cost of rehabilitating and retraining volunteer firefighters who, by reason of their participation in the fire service, have suffered a major impairment of the ability to continue their vocation.
- (11) To purchase safeguards for preserving life, health and safety of volunteer firefighters to ensure their availability to participate in the volunteer fire service.

CENTRAL CITY FIRE DEPARTMENT AND RELIEF ASSOCIATION OF CENTRAL CITY
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

Costs associated with the payment of fire department insurance premiums do not qualify as authorized volunteer firefighters' relief association expenditures; consequently, these disbursements are not authorized under the VFRA Act.

Cause: Relief association officials indicated that they were unaware that the aforementioned expenditures were not authorized by the VFRA Act.

Effect: As a result of these improper expenditures, relief association funds were not available for investment purposes, or to pay for expenditures authorized by the VFRA Act.

Recommendation: We recommend that the relief association be reimbursed \$14,655 for the unauthorized expenditures and that relief association officials become familiar with Section 7416(f) of the VFRA Act to aid them in determining the propriety of future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and, as a result of our audit, the affiliated fire company reimbursed the relief association \$14,655 for the unauthorized expenditures on March 23, 2022.

Auditor's Conclusion: We reviewed documentation verifying that the reimbursement of \$14,655 was received; however, the relief association officials must still provide a copy of the bank statement showing the reimbursement into the relief association's account. Full compliance for expenditures made during the next audit period will be subject to verification through our next audit.

Finding No. 2 – Failure To Maintain Surety (Fidelity) Bond Coverage

Condition: The relief association failed to maintain Surety (Fidelity) bond coverage on its authorized disbursing officer, as required by the VFRA Act. The relief association's Surety (Fidelity) bond coverage expired on March 2, 2021. As of December 31, 2021, the relief association's cash assets totaled \$51,019.

CENTRAL CITY FIRE DEPARTMENT AND RELIEF ASSOCIATION OF CENTRAL CITY
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

Criteria: Section 7415(c)(4) of the VFRA Act states, in part, that:

. . . the disbursing officer, whether designated treasurer, comptroller, financial secretary or otherwise, shall be bonded by corporate surety for faithful performance of duty. The amount of the bond shall be at least as great as the maximum cash balance in current funds of the association at any time during the fiscal year, and the premium on the bond shall be a proper charge against the funds of the association.

Cause: Relief association officials indicated that they were unaware of the VFRA Act provision requiring the maintenance of Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer.

Effect: As a result of the authorized disbursing officer of the relief association not being bonded, the relief association's cash assets were not adequately safeguarded.

Recommendation: We recommend that the relief association officials obtain Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer in an amount greater than the relief association's maximum cash balance, as required by the VFRA Act. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and, as a result of our audit, the relief association purchased bond coverage in an amount greater than the relief association's maximum cash balance on March 23, 2022.

Auditor's Conclusion: We reviewed documentation verifying that bond coverage was obtained on March 23, 2022. Compliance for maintaining bond coverage during the next audit period will be subject to verification through our next audit.

Finding No. 3 – Failure To Obtain A Pennsylvania Sales Tax Exemption Number

Condition: As cited as a verbal observation in our prior audits, the relief association failed to obtain a Pennsylvania sales tax exemption number. The relief association is currently using the fire service organization's sales tax exemption number, although the fire service organization and the relief association are separate legal entities.

CENTRAL CITY FIRE DEPARTMENT AND RELIEF ASSOCIATION OF CENTRAL CITY
FINDINGS AND RECOMMENDATIONS

Finding No. 3 – (Continued)

Criteria: Section 7415(e) of the VFRA Act states:

A volunteer firefighters' relief association organized or conducted in accordance with the requirements of this section shall be regarded as a charitable corporation for all purposes, including the right to establish exemption from the operation of certain taxes.

Cause: The relief association officials did not provide a reason for why this occurred despite the relief association being notified of this condition during our prior audit.

Effect: As a result of the relief association's continued failure to obtain a sales tax exemption number, the relief association may be required to pay Pennsylvania sales tax on its purchases, which ultimately reduces the funds otherwise available for general operating expenditures or for investment purposes.

Recommendation: We again recommend that the relief association officials immediately obtain a state sales tax exemption number from the Department of Revenue and furnish this exemption number to all vendors from whom the relief association purchases equipment. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
