EUGENE A. DePASQUALE
AUDITOR GENERAL

Mr. Charles Rossell, President
Chapman Township Volunteer
Firemen's Relief Association
Clinton County

We have conducted a compliance audit of the Chapman Township Volunteer Firemen's Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2015 to December 31, 2017.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2015 to December 31, 2017:

- The relief association took appropriate corrective action to address the findings contained in our prior audit report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 – Untimely Receipt And Deposit Of State Aid

Finding No. 2 – Failure To Maintain A Complete And Accurate Equipment Roster

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2015</u>	<u>2016</u>	<u>2017</u>
Chapman Township	Clinton	\$5,196	\$5,129	\$5,184
Grugan Township	Clinton	\$ 680	\$ 678	\$1,094*

* Although Grugan Township prepared and returned a Certification Form AG 385 for 2017 by the March 31 annual filing date in accordance with Act 205, the township did not distribute the 2017 state aid to the relief association in a timely manner as disclosed in Finding No. 1 in this report.

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Chapman Township Hose Company

CHAPMAN TOWNSHIP VOLUNTEER FIREMEN'S RELIEF ASSOCIATION
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDINGS AND RECOMMENDATIONS

The relief association has complied with the prior audit findings and recommendations, as follows:

- Failure To Maintain Minutes Of Meetings

By maintaining minutes of all relief association meetings held during the period.

- Inadequate Signatory Authority For The Disbursement Of Funds

By requiring more than one signature on all negotiable instruments.

CHAPMAN TOWNSHIP VOLUNTEER FIREMEN'S RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Untimely Receipt And Deposit Of State Aid

Condition: As disclosed in the Background section of this report, although Grugan Township prepared and returned a Certification Form AG 385 for 2017 by the March 31 annual filing date in accordance with Act 205, the township did not distribute the 2017 state aid to the relief association in a timely manner. The foreign fire insurance tax allocation was distributed to the municipal treasurer on September 25, 2017, who forwarded this state aid to the relief association on January 29, 2018, which is not within 60 days of receipt, as required by Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205). The relief association did not deposit the 2017 state aid allocation it received from Grugan Township, in the amount of \$1,094, until February 15, 2018. Since there was no documentation indicating that the relief association attempted to retrieve the funds, the relief association did not ensure the funds were received and deposited timely.

Criteria: Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205), states:

The foreign fire insurance premium tax amount applicable to a municipality served solely by volunteer firefighters shall be paid to the municipality, which shall within 60 days of the date of the receipt of the moneys from the State Treasurer pay the amount received to the relief association fund of the fire department or departments, or fire company or companies, now existing or hereafter organized, inside or outside of the municipality, which is or are actively engaged in the service of the municipality and duly recognized by the governing body of the municipality.

Furthermore, prudent business practices dictate that upon receipt of its state aid allocation, the relief association should establish adequate internal control procedures to ensure the funds are deposited in a timely manner.

Cause: Relief association officials failed to establish internal control procedures to ensure that all income due the relief association was received, recorded and deposited into a relief association account in a timely manner.

Effect: As a result of the untimely receipt and deposit, funds were not available to pay general operating expenses or for investment purposes. In addition, an untimely receipt and deposit of funds increases the risk that funds could be lost or misappropriated.

Recommendation: We recommend that the relief association officials adopt internal control procedures to ensure the timely receipt and deposit of all future income received. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

Finding No. 2 – Failure To Maintain A Complete And Accurate Equipment Roster

Condition: As cited as a verbal observation in our prior audit, the relief association again failed to maintain a complete and accurate roster of equipment owned by the relief association. Although a listing of relief association owned equipment was provided during the current audit period, this listing was incomplete and did not accurately identify all of the equipment purchased by the relief association in the years 2011 through 2017. In addition, the equipment roster did not contain serial numbers and a traceable identification system. The relief association purchased \$20,689 of equipment during the current audit period, but the equipment for \$4,850 of those purchases was not properly accounted for on the relief association's equipment roster.

Criteria: Prudent business practice dictates that the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's equipment. A cumulative equipment roster of all relief association equipment should include all of the following:

- Types of equipment purchased
- Dates of purchase
- Unit costs
- Names of suppliers
- Serial numbers, if applicable
- Current locations of items
- Final dispositions of sold or damaged equipment
- Evidence of the performance and results of an annual physical inventory

Cause: Relief association officials again failed to establish adequate internal control procedures over equipment by requiring the complete and accurate maintenance of an equipment roster.

Effect: The failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster prevents adequate accountability for, and safeguarding of, relief association equipment.

FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

Recommendation: We recommend that the relief association officials maintain a cumulative equipment roster of all equipment owned by the relief association. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
