EUGENE A. DePASQUALE
AUDITOR GENERAL

Mr. Joe Robertson, President
Duncansville Volunteer Fire Department
Relief Association
Blair County

We have conducted a compliance audit of the Duncansville Volunteer Fire Department Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2016 to December 31, 2017.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2016 to December 31, 2017, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Untimely Receipt And/Or Deposit Of State Aid

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2016</u>	<u>2017</u>
Blair Township	Blair	\$7,391	\$6,863**
Duncansville Borough	Blair	\$7,109	\$6,363
Juniata Township	Blair	\$2,864	\$2,597**
Newry Borough	Blair	\$1,286	\$1,188*

* The 2017 state aid allocation received from Newry Borough was not deposited by the relief association until October 12, 2018 as disclosed in the Finding in this report.

** The 2017 state aid allocations received from Blair Township and Juniata Township were not deposited by the relief association until January 12, 2018 as disclosed in the Finding in this report.

The volunteer firefighters’ relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Duncansville Volunteer Fire Company

FINDING AND RECOMMENDATION

Finding – Untimely Receipt And/Or Deposit Of State Aid

Condition: The relief association did not deposit the 2017 state aid allocation it received from Newry Borough, in the amount of \$1,188, until October 12, 2018. The foreign fire insurance tax allocation was distributed to the municipal treasurer on September 25, 2017, who forwarded the state aid allocation to the relief association on December 29, 2017, which is not within 60 days of receipt, as required by Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205). The state aid allocation was erroneously deposited into the affiliated fire company’s account. Since there was no documentation indicating that the relief association attempted to retrieve the funds, the relief association did not ensure the funds were received and deposited timely into a relief association account. As a result of our audit, on October 12, 2018, the relief association received the state aid from the affiliated fire company and deposited the funds into a relief association account.

In addition, the relief association did not deposit the 2017 state aid allocations from Blair Township and Juniata Township, in the amounts of \$6,863 and \$2,597, respectively, until January 12, 2018. The foreign fire insurance tax allocation was distributed to the municipal treasurers on September 25, 2017 who forwarded the state aid allocations to the relief association on November 7, 2017 and November 15, 2017, respectively, which is within 60 days of receipt, as required by Section 706 (b) (2) of the Act of December 18, 1984, (P.L. 1005, No. 205); however, upon receipt of the state aid allocation, the relief association did not ensure the funds were deposited timely into a relief association account.

Criteria: Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205), states:

The foreign fire insurance premium tax amount applicable to a municipality served solely by volunteer firefighters shall be paid to the municipality, which shall within 60 days of the date of the receipt of the moneys from the State Treasurer pay the amount received to the relief association fund of the fire department or departments, or fire company or companies, now existing or hereafter organized, inside or outside of the municipality, which is or are actively engaged in the service of the municipality and duly recognized by the governing body of the municipality.

Furthermore, prudent business practice dictates that upon receipt of its state aid allocations the relief association should establish adequate internal control procedures to ensure the funds are deposited in a timely manner.

Cause: Relief association officials failed to establish internal control procedures to ensure that all income due the relief association was received, recorded and deposited into a relief association account in a timely manner.

FINDING AND RECOMMENDATION

Finding – (Continued)

Effect: As a result of the untimely receipt and deposits, funds were not available to pay general operating expenses or for investment purposes. In addition, untimely receipt and deposits of funds increases the risk that funds could be lost or misappropriated.

Recommendation: We recommend that the relief association officials adopt internal control procedures to ensure the timely receipt and deposit of all future income received. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
