Mr. Lucas McCluskey, President
East Brady Volunteer Fireman's
Relief Association
Clarion County

We have conducted a compliance audit of the East Brady Volunteer Fireman's Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2016 to December 31, 2018.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, because of the significance of the matter described in the finding below and discussed later in this report, the relief association did not, in all significant respects, comply with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, collectively as a whole, for the period January 1, 2016 to December 31, 2018. Therefore, the relief association may be subject to the potential withholding of its future state aid distribution, as discussed in the Potential Withhold of State Aid section of this report.

Finding – Inappropriate Ownership Of Rescue Vehicle And Trailer

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2016</u>	<u>2017</u>	<u>2018</u>
Bradys Bend Township	Armstrong	\$2,241	\$2,104	\$1,917

EAST BRADY VOLUNTEER FIREMAN'S RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Inappropriate Ownership Of Rescue Vehicle And Trailer

Condition: During the prior audit period, on May 9, 2015, the relief association purchased a rescue boat and trailer, in the amount of \$12,000, to carry personnel and safeguard equipment; however, the title to the rescue boat was inappropriately issued in the name of the affiliated fire company, and the title to the trailer was never changed from the original owner. The titles remained unchanged during the current audit period ending December 31, 2018.

Criteria: Prudent business practice dictates that the relief association should maintain sole ownership of all equipment purchased by the relief association. As such, rescue vehicles purchased by the relief association are to be titled in the name of the relief association.

Cause: Relief association officials failed to establish adequate internal control procedures to ensure that the rescue vehicle purchased was titled in the name of the relief association.

Effect: As a result of the boat and trailer being inappropriately titled in the name of the affiliated fire company and original owner, these relief association assets were not properly safeguarded. Furthermore, the relief association's future state aid allocations may be withheld until the finding recommendation is complied with.

Recommendation: We recommend that the rescue boat and trailer be titled in the name of the relief association. If such action is not taken, we recommend that the relief association be reimbursed \$12,000. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Due to the potential withhold of state aid, the relief association's compliance with the finding recommendation will be monitored subsequent to the release of the audit report and through our next audit of the relief association

EAST BRADY VOLUNTEER FIREMAN'S RELIEF ASSOCIATION
POTENTIAL WITHHOLD OF STATE AID

A condition such as that reported by the finding contained in this audit report may lead to a total withholding of state aid in the future unless that finding is corrected. However, such action may not be considered if sufficient documentation is provided within 60 days to verify compliance with this department's recommendations. Such documentation should be submitted by the relief association to: Department of the Auditor General, Bureau of Fire Relief Audits, Room 327 Finance Building, Harrisburg, PA 17120.
