TIMOTHY L. DEFOOR AUDITOR GENERAL

Mr. William Norris, President East Waterford Firemen's Relief Association Juniata County

We have conducted a compliance audit of the East Waterford Firemen's Relief Association (relief association) for the period January 1, 2021, to December 31, 2022. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2021, to December 31, 2022, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 - Inadequate Signatory Authority For The Disbursement Of Funds

Finding No. 2 – Untimely Deposit Of State Aid

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

The relief association was allocated state aid from the following municipalities:

<u>Municipality</u>	County	2021	2022
Tell Township	Huntingdon	\$ 444*	\$ 508
Lack Township	Juniata	\$2,584	\$2,929
Tuscarora Township	Juniata	\$4,853	\$4,929
Toboyne Township	Perry	\$ 800	\$1,003

^{*} The 2021 state aid allocation received from Tell Township was not deposited by the relief association until September 28, 2023, as disclosed in Finding No. 2 in this report.

¹ 72 P.S. § 403 (as last amended by Act 44 of 2017).

² 35 Pa.C.S. § 7411 et seq. See specifically, 35 Pa.C.S. § 7418 (amended by Act 91 of 2020).

³ 53 P.S. § 895.701 et seq. (Act 205 of 1984, as amended by Act 119 of 1990).

BACKGROUND (Continued)

Based on the relief association's records, its total cash and investments as of December 31, 2022, were \$20,391, as illustrated below:

Cash	\$ 14,455
Fair Value of Investments	 5,936
Total Cash and Investments	\$ 20,391

Based on the relief association's records, its total expenditures for the period January 1, 2021, to December 31, 2022, were \$21,596, as noted below. The accuracy of these expenditures was evaluated as part of the Department's audit to conclude on the relief association's compliance with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. The scope of the Department's audit does not include the issuance of an opinion on the accuracy of these amounts.

Expenditures:

Benefit Services:	
Insurance premiums	\$ 2,440
Fire Services:	
Equipment purchased	\$ 15,563
Equipment maintenance	1,895
Training expenses	1,275
Fire prevention materials	111
Total Fire Services	\$ 18,844
Administrative Services:	
Other administrative expenses	\$ 312
Total Expenditures	\$ 21,596

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

East Waterford Community Fire Company

EAST WATERFORD FIREMEN'S RELIEF ASSOCIATION FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Inadequate Signatory Authority For The Disbursement Of Funds

<u>Condition</u>: During the current audit engagement, we identified 17 checks out of 38 checks drawn on the relief association's checking account that contained the signature of a relief association member who was not an authorized officer as stated in the relief association's bylaws, in addition to the signature of the Relief Association Treasurer. Issuing checks without the signature of a second authorized relief association officer negates the relief association's internal control over the disbursement process.

Criteria: Section 7415(c)(3) of the VFRA Act states, in part:

The bylaws shall require that the signatures of at least two officers, one of whom shall be the disbursing officer, shall be required to bind the association by formal contract or to issue a negotiable instrument.

In addition, the relief association's bylaws at Article VIII, Section 1 states:

The signatures of at least two officers, one of whom shall be the treasurer, shall be required for the issuance of relief association checks, withdrawal from the association savings account, redemption of a relief association investment, or on any other negotiable instrument issued by the association.

Furthermore, prudent business practice dictates that the relief association has sufficient internal control procedures in place to ensure the signatures of at least two relief association officials are included on all negotiable instruments. Adequate internal control procedures require that checks be signed only after the propriety of the expenditure has been determined and the payee, date, and amount to be paid has been confirmed. Additionally, responsible relief association officers should compare this information with supporting documentation, such as invoices, contracts, etc., prior to approving the checks.

<u>Cause</u>: According to the relief association officials, this occurred due to an oversight as the member had previously held the position of secretary of the relief association for several years and so they had become used to her being the second signer on checks.

<u>Effect</u>: As a result of the relief association officer issuing checks with only one authorized signature, assets were placed at greater risk as expenditures were being made without a second relief association officer having the opportunity to verify the propriety of the expenditures. The application of the second authorized signature, after evaluating the propriety of the expenditure, reduces the risk of misappropriation and the risk of errors occurring and going undetected.

EAST WATERFORD FIREMEN'S RELIEF ASSOCIATION FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

<u>Recommendation</u>: We recommend that the relief association officials establish adequate internal control procedures to ensure that the signatures of at least two authorized relief association officers, one of whom shall be the treasurer, are included on all relief association negotiable instruments as defined by the VFRA Act and the relief association's bylaws. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

Finding No. 2 – Untimely Deposit Of State Aid

Condition: The relief association did not deposit the 2021 state aid allocation it received from Tell Township, in the amount of \$444, until September 28, 2023. The foreign fire insurance tax allocation was distributed to the municipal treasurer on September 21, 2021, who forwarded this state aid to the relief association on October 13, 2021, which is within 60 days of receipt, as required by Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205); however, upon receipt of the state aid allocation, the relief association did not ensure the funds were deposited timely into a relief association account.

<u>Criteria</u>: Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205), states:

The foreign fire insurance premium tax amount applicable to a municipality served solely by volunteer firefighters shall be paid to the municipality, which shall within 60 days of the date of the receipt of the moneys from the State Treasurer pay the amount received to the relief association fund of the fire department or departments, or fire company or companies, now existing or hereafter organized, inside or outside of the municipality, which is or are actively engaged in the service of the municipality and duly recognized by the governing body of the municipality.

Furthermore, prudent business practice dictates that upon receipt of its state aid allocation, the relief association should establish adequate internal control procedures to ensure the funds are deposited in a timely manner.

<u>Cause</u>: The relief association officials stated that the 2021 state aid was misplaced and they failed to follow up with the township secretary about receiving a new check.

EAST WATERFORD FIREMEN'S RELIEF ASSOCIATION FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

<u>Effect</u>: As a result of the untimely deposit, funds were not available to pay general operating expenses or for investment purposes. In addition, an untimely deposit of receipts increases the risk that funds could be lost or misappropriated.

<u>Recommendation</u>: We recommend that the relief association officials adopt internal control procedures to ensure the timely deposit of all future income received. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
