TIMOTHY L. DEFOOR
AUDITOR GENERAL

Mr. Thomas C. Markert, President
Eddington Fire Company
Relief Association
Bucks County

We have conducted a compliance audit of the Eddington Fire Company Relief Association (relief association) for the period January 1, 2019, to December 31, 2022. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the finding contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

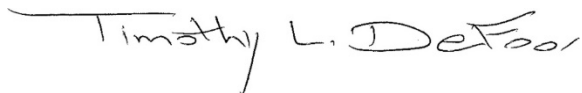

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2019, to December 31, 2022:

- The relief association did not take appropriate corrective action to address the finding contained in our prior audit report, as detailed below, and discussed in the Status of Prior Finding section of this report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Noncompliance With Prior Audit Recommendation – Failure To
Conduct Annual Physical Equipment Inventories

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

The relief association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2019</u>	<u>2020</u>	<u>2021</u>	<u>2022</u>
Bensalem Township	Bucks	\$67,320	\$67,684	\$59,963	\$74,268

¹ 72 P.S. § 403 (as last amended by Act 44 of 2017).

² 35 Pa.C.S. § 7411 *et seq.* See specifically, 35 Pa.C.S. § 7418 (amended by Act 91 of 2020).

³ 53 P.S. § 895.701 *et seq.* (Act 205 of 1984, as amended by Act 119 of 1990).

BACKGROUND – (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Eddington Fire Company

EDDINGTON FIRE COMPANY RELIEF ASSOCIATION
STATUS OF PRIOR FINDING

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has not complied with the following prior audit finding. This finding is noted below and discussed in detail in the Finding and Recommendation section of this report:

- Failure To Maintain A Complete And Accurate Equipment Roster

Although the relief association provided a cumulative inventory roster of all relief association owned equipment, the relief association again failed to conduct annual physical equipment inventories of all relief association owned equipment as disclosed in the finding of this report.

We are concerned by the relief association's failure to correct this previously reported audit finding. The relief association management should strive to implement the recommendation and corrective action noted in this audit report.

EDDINGTON FIRE COMPANY RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Noncompliance With Prior Audit Recommendation – Failure To Conduct Annual Physical Equipment Inventories

Condition: As disclosed in the Status of Prior Finding section of this report, although the relief association provided an updated, cumulative equipment roster in the current audit period, the relief association again failed to conduct annual physical inventories of equipment and ensure such inventory accounted for all equipment owned by the relief association.

Criteria: Sound business practice dictates that annual inventories are conducted to ensure the accuracy of the relief association’s equipment roster.

Cause: The relief association officials did not provide a reason why this occurred despite the relief association being notified of this condition during our prior audit.

Effect: The continued failure to perform an annual physical inventory of equipment prevents adequate accountability for, and safeguarding of, relief association owned equipment.

Recommendation: We again recommend that the relief association officials ensure they perform an annual physical inventory of all operable equipment and that the completion of the inventories be sufficiently documented. For further guidance, please refer to the Auditor General’s publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS’ RELIEF ASSOCIATIONS.

Management’s Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor’s Conclusion: We are concerned by the relief association’s failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.
