TIMOTHY L. DEFOOR
AUDITOR GENERAL

Mr. Timothy Stear, Sr., President
Enon Valley Community Volunteer
Firefighters' Relief Association
Lawrence County

We have conducted a compliance audit of the Enon Valley Community Volunteer Firefighters' Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2017 to December 31, 2019.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2017 to December 31, 2019:

- The relief association did not take appropriate corrective action to address the findings contained in our prior audit report, as detailed below and discussed in the Status of Prior Findings section of this report.
- Because of the significance of the matter described in Finding No. 1 below and discussed later in this report, the relief association did not, in all significant respects, comply with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, collectively as a whole. Therefore, the relief association may be subject to the potential withholding of its upcoming state aid distribution, as discussed in the Potential Withhold of State Aid section of this report.

Finding No. 1 – Noncompliance With Prior Audit Recommendation –
Undocumented Expenditures

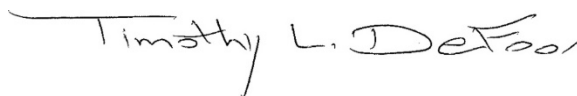

Finding No. 2 – Noncompliance With Prior Audit Recommendation – Failure
To Maintain A Complete And Accurate Equipment Roster

Finding No. 3 – Inadequate Financial Record-Keeping System

Finding No. 4 – Inadequate Signatory Authority For The Disbursement Of
Funds

The four findings contained in this report cite conditions that existed in the operation of the relief association during the current audit period. We are concerned by the number of findings noted and strongly encourage timely implementation of the recommendations noted in this audit report.

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipalities:

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

ENON VALLEY COMMUNITY VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
STATUS OF PRIOR FINDINGS

NONCOMPLIANCE WITH PRIOR AUDIT FINDINGS AND RECOMMENDATIONS

The relief association has not complied with the following prior audit findings. These findings are noted below and discussed in detail in the Findings and Recommendations section of this report:

- Undocumented Expenditures

Although the relief association received reimbursement of \$2,964 from the affiliated fire company for the undocumented expenditures that were made in the prior audit period, the relief association again failed to provide adequate documentation to support all expenditures in the current audit period as further disclosed in Finding No. 1 of this report.

- Failure To Maintain A Complete And Accurate Equipment Roster

We are concerned by the relief association's failure to correct those previously reported audit findings. The association management should strive to implement the recommendations and corrective actions noted in this audit report.

ENON VALLEY COMMUNITY VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Noncompliance With Prior Audit Recommendation – Undocumented Expenditures

Condition: Although the relief association received reimbursement from the affiliated fire company for the undocumented expenditures that were made in the prior audit period, the relief association again was unable to provide adequate supporting documentation for the following expenditures made during the current audit period:

<u>Date</u>	<u>Check No.</u>	<u>Payee Description</u>	<u>Amount</u>
01/28/2017	41081	Maintenance vendor	\$ 189
02/06/2017	41084	Maintenance vendor	300
04/15/2017	41092	Maintenance vendor	226
04/15/2017	41093	Equipment vendor	1,737
05/10/2017	41094	Insurance vendor	879
05/10/2017	41095	Equipment vendor	108
06/07/2017	41096	Equipment vendor	250
06/07/2017	41097	Equipment vendor	218
11/05/2017	41098	Maintenance vendor	305
10/02/2018	1100	Maintenance vendor	300
			<u>\$ 4,512</u>

Criteria: Section 7418(a) of Act 118 states:

The Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters' relief association receiving money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No. 205), known as the Municipal Pension Plan Funding Standard and Recovery Act, as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Prudent business practice dictates that supporting documentation be maintained to evidence the propriety of all financial transactions.

ENON VALLEY COMMUNITY VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

Cause: The relief association officials did not provide a reason for why this occurred despite being notified of this condition during our prior audit.

Effect: Lack of supporting documentation, such as invoices, itemized receipts and detailed minutes of meetings, made it impossible to determine if the expenditures were made in accordance with Section 7416(f) of Act 118. In addition, the failure to maintain adequate supporting documentation for relief association expenditures can lead to an increased risk of errors occurring and funds being misappropriated. Furthermore, the relief association's future state aid allocations may be withheld until the finding recommendation is complied with.

Recommendation: We recommend that the relief association officials provide this department with adequate supporting documentation, such as invoices and/or itemized receipts, to ensure the propriety of the expenditures or that the relief association be reimbursed \$4,512 for the undocumented expenditures. We also recommend that the relief association officials maintain supporting documentation for all future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Due to the potential withhold of state aid, the relief association's compliance with the finding recommendation will be monitored subsequent to the release of the audit report and through our next audit of the relief association.

Finding No. 2 – Noncompliance With Prior Audit Recommendation – Failure To Maintain A Complete And Accurate Equipment Roster

Condition: The relief association failed to maintain a complete and accurate roster of equipment owned by the relief association. Although a listing of relief association owned equipment was provided during the current audit period for the years 2017 and 2018, it was incomplete because it did not contain the purchases for 2019 and the names of suppliers (vendors), dates of purchase, cost of equipment and serial numbers to accurately identify all equipment owned by the relief association. In addition, there was no indication that a physical inventory of equipment was conducted on an annual basis to account for the equipment owned by the relief association.

A similar condition was noted in our prior audit report.

ENON VALLEY COMMUNITY VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

Criteria: Prudent business practice dictates that the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's equipment. A cumulative equipment roster of all relief association equipment should include all of the following:

- Types of equipment purchased
- Dates of purchase
- Unit costs
- Names of suppliers
- Serial numbers, if applicable
- Current locations of items
- Final dispositions of sold or damaged equipment
- Evidence of the performance and results of an annual physical inventory

Cause: The relief association officials did not provide a reason for why this occurred despite being notified of this condition during our prior audit.

Effect: The continued failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual physical inventory of equipment prevents adequate accountability for, and safeguarding of, relief association equipment.

Recommendation: We again recommend that the relief association officials maintain a cumulative equipment roster of all equipment owned by the relief association. Furthermore, the relief association should ensure it performs an annual physical inventory of all operable equipment and that the completion of the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: We are concerned by the relief association's failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.

ENON VALLEY COMMUNITY VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 3 – Inadequate Financial Record-Keeping System

Condition: The relief association's financial record-keeping system did not establish adequate accounting procedures to allow the membership to effectively monitor the relief association's financial operations. The following are the noted deficiencies:

- A journal was not maintained for the years 2017 and 2018 to record the receipts and disbursements of the relief association.
- Ledgers were not utilized to record the transactions of the relief association accounts.
- Documentation to support various expenditures was not available for examination at the time of the audit.

Criteria: Section 7415(a) of Act 118 states:

A volunteer firefighters' relief association may be a body corporate, governed by a charter and bylaws or an unincorporated association of individuals governed by bylaws and a constitution. In either case, it must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

In addition, an adequate system of accounting and record-keeping is a prerequisite for sound administration of relief association assets.

Cause: Relief association officials indicated that they were unaware of their various record-keeping responsibilities.

Effect: The failure of relief association officials to maintain adequate records prohibits the membership from effectively monitoring the relief association's financial operations.

Recommendation: We recommend that the relief association officials establish and maintain a financial record-keeping system that allows the membership to effectively monitor the relief association's financial operations. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

ENON VALLEY COMMUNITY VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 4 – Inadequate Signatory Authority For The Disbursement Of Funds

Condition: During the current audit engagement, we identified one check out of 46 checks drawn on the relief association's checking account that only contained the signature of one officer, even though two signatures are required by Act 118 and the relief association's bylaws. It appears that the check was signed by the now prior Treasurer of the relief association. Issuing checks with the signature of only one officer negates the relief association's internal control over the disbursement process.

Criteria: Section 7415(c)(3) of Act 118 states, in part:

The bylaws shall require that the signatures of at least two officers, one of whom shall be the disbursing officer, shall be required to bind the association by formal contract or to issue a negotiable instrument.

In addition, the relief association's bylaws at Article VII, Section 1 states:

The signatures of at least two officers, one of whom shall be the treasurer, shall be required for the issuance of relief association checks, withdrawal from the association savings account, the redemption of any relief association investment or on any other negotiable instrument issued by the association.

Furthermore, prudent business practice dictates that the relief association has sufficient internal control procedures in place to ensure the signatures of at least two relief association officials are included on all negotiable instruments. Adequate internal control procedures require that checks be signed only after the propriety of the expenditure has been determined and the payee, date, and amount to be paid has been confirmed. Additionally, responsible relief association officers should compare this information with supporting documentation, such as invoices, contracts, etc., prior to approving the checks.

Cause: The relief association officials did not provide a reason for why this occurred.

Effect: As a result of the relief association officer issuing checks with only one signature, assets were placed at greater risk as expenditures were being made without a second relief association officer having the opportunity to verify the propriety of the expenditures. The application of the second signature, after evaluating the propriety of the expenditure, reduces the risk of misappropriation and the risk of errors occurring and going undetected.

ENON VALLEY COMMUNITY VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 4 – (Continued)

Recommendation: We recommend that the relief association officials establish adequate internal control procedures to ensure that the signatures of at least two officers, one of whom shall be the treasurer, are included on all relief association negotiable instruments as defined by Act 118. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

ENON VALLEY COMMUNITY VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
POTENTIAL WITHHOLD OF STATE AID

A condition of a repeat finding such as that reported by Finding No. 1 contained in this audit report may lead to a total withholding of state aid in the future unless that finding is corrected. However, such action may not be considered if sufficient documentation is provided within 60 days to verify compliance with this department's recommendations. Such documentation should be submitted by the relief association to: Department of the Auditor General, Bureau of Fire Relief Audits, Room 327 Finance Building, Harrisburg, PA 17120.
