AUDITOR GENERAL**

Mr. David Williams, President
Feasterville Volunteer Firefighters'
Relief Association
Bucks County

We have conducted a compliance audit of the Feasterville Volunteer Firefighters' Relief Association (relief association) for the period January 1, 2019 to December 31, 2021. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

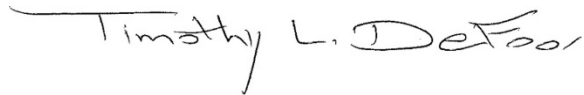

We were not able to obtain an independent confirmation of a portion of the investment balance directly from the financial institution. Therefore, while the relief association provided copies of investment statements that indicated that, as of December 31, 2021, the relief association had an investment balance with a fair value of \$535,423, we were not able to verify a portion of this investment balance.

Based on our audit procedures, we conclude that, because of the significance of the matters described in Finding Nos. 1 and 2 below and discussed later in this report and the effects, if any, of the matter described in the preceding paragraph, the relief association did not, in all significant respects, comply with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, collectively as a whole, for the period January 1, 2019 to December 31, 2021. Therefore, the relief association may be subject to the potential withholding of its future state aid distribution, as discussed in the Potential Withhold of State Aid section of this report.

Finding No. 1 – Inappropriate Ownership Of Rescue Vehicle

Finding No. 2 – Failure To Secure Ownership Interest In Jointly Purchased Equipment

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

The relief association was allocated state aid from the following municipality:

| <u>Municipality</u> | <u>County</u> | <u>2019</u> | <u>2020</u> | <u>2021</u> |
|----------------------------|---------------|-------------|-------------|-------------|
| Lower Southampton Township | Bucks | \$66,191 | \$66,342 | \$58,731 |

¹ 72 P.S. § 403 (as last amended by Act 44 of 2017).

² 35 Pa.C.S. § 7411 *et seq.* See specifically, 35 Pa.C.S. § 7418 (amended by Act 91 of 2020).

³ 53 P.S. § 895.701 *et seq.* (Act 205 of 1984, as amended by Act 119 of 1990).

BACKGROUND – (Continued)

Based on the relief association's records, its total cash and investments as of December 31, 2021, were \$655,266, as illustrated below:

| Bond premiums | <u>963</u> |
| Total Administrative Services | <u>\$ 4,378</u> |
| Total Expenditures | <u>\$ 235,823</u> |

⁴ Accuracy was evaluated for a selection of transactions based on dollar amount, category, and/or random selection.

BACKGROUND – (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Feasterville Fire Company

FEASTERVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Inappropriate Ownership Of Rescue Vehicle

Condition: On March 7, 2019, the relief association purchased a 2019 Ford Expedition rescue vehicle, in the amount of \$48,829, to carry personnel and safeguard equipment; however, the title to the vehicle was inappropriately issued in the name of the fire company.

Criteria: Prudent business practice dictates that the relief association should maintain sole ownership of all equipment purchased by the relief association. As such, rescue vehicles purchased by the relief association are to be titled in the name of the relief association.

Cause: The relief association officials stated that the error of having the title in the name of the affiliated fire company occurred at the vehicle dealership.

Effect: As a result of the rescue vehicle being inappropriately titled in the name of the fire company, this relief association asset was not properly safeguarded. Furthermore, the relief association's future state aid allocations may be withheld until the finding recommendation is complied with.

Recommendation: We recommend that the 2019 Ford Expedition be titled in the name of the relief association. If such action is not taken, we recommend that the relief association be reimbursed \$48,829. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Due to the potential withhold of state aid, the relief association's compliance with the finding recommendation will be monitored subsequent to the release of the audit report and through our next audit of the relief association.

Finding No. 2 – Failure To Secure Ownership Interest In Jointly Purchased Equipment

Condition: On November 12, 2020, the relief association and the affiliated fire company jointly purchased a cascade breathing air compressor system in the total amount of \$50,999. The relief association expended \$23,879 toward the purchase without properly securing its ownership interest.

FEASTERVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

Criteria: Section 7418(a) of the VFRA Act states:

The Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters' relief association receiving money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No. 205), known as the Municipal Pension Plan Funding Standard and Recovery Act, as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Prudent business practice dictates that the relief association should secure its proportional ownership interest in jointly purchased equipment by executing a formal written agreement that enumerates the relief association's proportional share of the cost of the equipment. Such agreement shall specify that the relief association shall receive its prorated share of the proceeds upon sale of the equipment, in the event the equipment is ever sold.

Cause: The relief association officials stated they were unaware that a formal written agreement was necessary.

Effect: The failure to adequately secure the proportional share of ownership interest in the equipment places the relief association's ownership interest at greater risk. Furthermore, the relief association's future state aid allocations may be withheld until the finding recommendation is complied with.

Recommendation: We recommend that the relief association officials execute a formal written agreement with the fire company that enumerates the relief association's proportional ownership interest in the equipment as well as stipulating that the proportionate sales proceeds shall revert to the relief association in the event the equipment is ever sold. If such action is not taken, we recommend that the relief association be reimbursed \$23,879. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Due to the potential withhold of state aid, the relief association's compliance with the finding recommendation will be monitored subsequent to the release of the audit report and through our next audit of the relief association.

FEASTERVILLE VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
POTENTIAL WITHHOLD OF STATE AID

Conditions such as those reported by Finding Nos. 1 and 2 contained in this audit report may lead to a total withholding of state aid in the future unless those findings are corrected. However, such action may not be considered if sufficient documentation is provided within 60 days to verify compliance with this department's recommendations. Such documentation should be submitted by the relief association to: Department of the Auditor General, Bureau of Fire Relief Audits, Room 327 Finance Building, Harrisburg, PA 17120.
