**TIMOTHY L. DEFOOR  
AUDITOR GENERAL**

Ms. Robin Urich, President  
Fisherville Firemen’s Relief Association  
of the State of Pennsylvania  
Dauphin County

We have conducted a compliance audit of the Fisherville Firemen’s Relief Association of the State of Pennsylvania (relief association) for the period January 1, 2019 to December 31, 2021. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters’ Relief Association Act (“VFRA Act”), see 35 Pa.C.S. § 7418.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

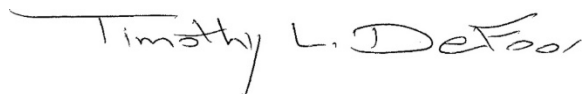

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association’s administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2019 to December 31, 2021:

- The relief association took appropriate corrective action to address two of the three findings contained in our prior audit report. However, the relief association failed to take appropriate corrective action to address the one remaining finding contained in our prior audit report, as listed below and discussed in the Status of Prior Findings section of this report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Noncompliance With Prior Audit Recommendation – Payment Of  
Pennsylvania Sales Tax

The contents of this report were discussed with the management of the relief association, and where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code<sup>1</sup>, and the Volunteer Firefighters’ Relief Association Act<sup>2</sup> (“VFRA Act”), the Department of the Auditor General’s duty is to audit the accounts and records of every volunteer firefighters’ relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law<sup>3</sup> (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters’ relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters’ relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters’ relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association’s financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters’ relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters’ relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

The relief association was allocated state aid from the following municipality:

Municipality	County	2019	2020	2021
Jackson Township	Dauphin	\$11,580	\$11,782	\$10,584

## **BACKGROUND – (Continued)**

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Fisherville Volunteer Fire Company No.1

FISHERVILLE FIREMEN'S RELIEF ASSOCIATION OF THE STATE OF  
PENNSYLVANIA  
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDINGS AND RECOMMENDATIONS

The relief association has complied with two of the three prior audit findings and recommendations, as follows:

- Insufficient Surety (Fidelity) Bond Coverage

By increasing the Surety (Fidelity) bond coverage to an amount greater than the balance of the relief association cash assets.

- Relief Association Checking Account Inappropriately Registered Under Affiliated Fire Service Organization's Federal Identification Number

By ensuring the checking account is registered properly under the relief association's Federal Tax Identification Number.

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has not complied with one of the three prior audit findings. This finding is noted below and discussed in detail in the Finding and Recommendation section of this report:

- Payment Of Pennsylvania Sales Tax

We are concerned by the relief association's failure to correct this previously reported audit finding. The relief association management should strive to implement the recommendation and corrective action noted in this audit report.

FISHERVILLE FIREMEN'S RELIEF ASSOCIATION OF THE STATE OF  
PENNSYLVANIA  
FINDING AND RECOMMENDATION

**Finding – Noncompliance With Prior Audit Recommendation – Payment Of Pennsylvania Sales Tax**

Condition: As reported in our prior audit, the relief association paid \$234 of Pennsylvania sales tax to a vendor from which the relief association purchased equipment and maintenance supplies in the prior audit period that they did not seek a refund by filing an appeal form (REV-65BA) with the Pennsylvania Department of Revenue's Board of Appeals. During the current audit period, the relief association paid \$105 of Pennsylvania sales tax to a vendor from which the relief association purchased equipment and maintenance supplies. These payments would not have been required if the relief association had provided its sales tax exemption number to the vendor.

Criteria: Section 7415(e) of the VFRA Act states:

A volunteer firefighters' relief association organized or conducted in accordance with the requirements of this section shall be regarded as a charitable corporation for all purposes, including the right to establish exemption from the operation of certain taxes.

Cause: The relief association officials did not provide a reason for why this occurred despite the relief association being notified of this condition during our prior audit.

Effect: As a result of the relief association's failure to provide its sales tax exemption number to all vendors, the relief association was required to pay Pennsylvania sales tax on its purchase, which reduced the funds otherwise available for general operating expenditures and for investment purposes.

Recommendation: We recommend that the relief association officials seek a refund of the sales tax paid, in the amount of \$339, by filing an appeal form (REV-65BA) with the Pennsylvania Department of Revenue's Board of Appeals. In addition, we recommend that, in the future, relief association officials furnish its state sales tax exemption number to all vendors from which the relief association purchases equipment. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding and, as a result of our audit, presented at the audit exit conference two appeal forms (REV-65BA) totaling \$339 with the Pennsylvania Department of Revenue's Board of Appeals on February 17, 2022.

FISHERVILLE FIREMEN'S RELIEF ASSOCIATION OF THE STATE OF  
PENNSYLVANIA  
FINDING AND RECOMMENDATION

**Finding – (Continued)**

Auditor's Conclusion: We reviewed the documentation verifying that the relief association officials filed for a refund of the sales tax paid in the amount of \$339 by filing an appeal form (REV-65BA) with the Pennsylvania Department of Revenue's Board of Appeals. Compliance of payment of Pennsylvania sales tax will be subject to verification through are next audit.
