EUGENE A. DePASQUALE  
AUDITOR GENERAL

Mr. Connor Horan, President  
Forestville Volunteer Fireman's Relief  
Association of Forestville  
Schuylkill County

We have conducted a compliance audit of the Forestville Volunteer Fireman's Relief Association of Forestville (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2018 to December 31, 2019.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the finding contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

Due to a stay at home order issued by the Governor of the Commonwealth of Pennsylvania during the COVID-19 pandemic, we were unable to observe any of the relief association's equipment to verify its existence.

Based on our audit procedures, we conclude that, except for the effects, if any, of the matter described in the preceding paragraph, for the period January 1, 2018 to December 31, 2019:

- The relief association took appropriate corrective action to address the finding contained in our prior audit report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Unauthorized Expenditure

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

The relief association was allocated state aid from the following municipality:

Based on the relief association's records, its total expenditures for the period January 1, 2018 to December 31, 2019 were \$13,029, as noted below. FORESTVILLE VOLUNTEER FIREMAN'S RELIEF ASSOCIATION OF FORESTVILLE  
FINDING AND RECOMMENDATION

**Finding – Unauthorized Expenditure**

Condition: The relief association expended \$800 for tire rims on a fire company owned vehicle during the current audit period that is not authorized by Act 118.

Criteria: Section 7416(f) of Act 118 states:

The funds of any volunteer firefighters' relief association may be spent:

- (1) To pay for such normal and reasonable running expenses as may be appropriate to the businesslike conduct of the affairs of the association, including legal fees, rental or purchase of offices, payment of reasonable compensation of employees and purchase of office equipment and supplies.

Costs associated with the purchase of equipment on a fire company owned vehicle do not qualify as an authorized volunteer firefighters' relief association expenditure; consequently, this disbursement is not authorized under Act 118.

Cause: Relief association officials indicated that they were unaware that the expenditure for the tire rims on a fire company owned vehicle was not authorized by Act 118.

Effect: As a result of this improper expenditure, relief association funds were not available for investment purposes or to pay for expenditures authorized by Act 118.

Recommendation: We recommend that the relief association be reimbursed \$800 for the unauthorized expenditure and that relief association officials become familiar with Section 7416(f) of Act 118 to aid them in determining the propriety of future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
