EUGENE A. DEPASQUALE AUDITOR GENERAL

Mr. Terry W. Royce, President Greenfields Volunteer Firefighters Relief Association Berks County

We have conducted a compliance audit of the Greenfields Volunteer Firefighters Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2017 to December 31, 2018.

#### The objectives of the audit were:

- 1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
- 2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

We were not able to obtain independent confirmations of the cash balance and the investment balance directly from the financial institutions. Therefore, while the relief association provided bank and investment statements that indicated that, as of December 31, 2018, the relief association had a cash balance of \$21,297 and an investment balance with a fair value of \$41,736, we were not able to verify those cash and investment balances.

Based on our audit procedures, we conclude that, except for the effects, if any, of the matter described in the preceding paragraph, for the period January 1, 2017 to December 31, 2018:

- The relief association took appropriate corrective action to address one of the three findings
  contained in our prior audit report. However, the relief association failed to take
  appropriate corrective action to address the two remaining findings contained in our prior
  audit report, as listed below and discussed in the Status of Prior Findings section of this
  report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 - Noncompliance With Prior Audit Recommendation - Failure To Maintain Surety (Fidelity) Bond Coverage

Finding No. 2 - Noncompliance With Prior Audit Recommendation - Failure To Maintain A Complete And Accurate Equipment Roster

Finding No. 3 - Undocumented Expenditure

Finding No. 4 – Unauthorized Expenditure

The four findings contained in this report cite conditions that existed in the operation of the relief association during the current audit period. We are concerned by the number of findings noted and strongly encourage timely implementation of the recommendations noted in this audit report.

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report.

EUGENE A. DEPASQUALE

**Auditor General**

#### BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 et seq., the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

### **BACKGROUND** – (Continued)

The relief association was allocated state aid from the following municipality:

Municipality	County	2017	2018
Bern Township	Berks	\$30,777	\$28,089

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Greenfields Fire Co. No. 1

## GREENFIELDS VOLUNTEER FIREFIGHTERS RELIEF ASSOCIATION STATUS OF PRIOR FINDINGS

#### COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has complied with one of the three prior audit findings and recommendations, as follows:

#### • Failure To Disclose Related Party Transaction

By adopting internal control procedures to ensure that any related party situation and/or transaction is voted on by the membership and documented in the meeting minutes.

#### NONCOMPLIANCE WITH PRIOR AUDIT FINDINGS AND RECOMMENDATIONS

The relief association has not complied with two of the three prior audit findings. These findings are noted below and discussed in detail in the Findings and Recommendations section of this report:

- Failure To Maintain Surety (Fidelity) Bond Coverage
- Failure To Maintain A Complete And Accurate Equipment Roster

We are concerned by the relief association's failure to correct those previously reported audit findings. The association management should strive to implement the recommendations and corrective actions noted in this audit report.

## <u>Finding No. 1 – Noncompliance With Prior Audit Recommendation – Failure To Maintain Surety (Fidelity) Bond Coverage</u>

<u>Condition</u>: The relief association failed to maintain Surety (Fidelity) bond coverage on its authorized disbursing officer, as required by Act 118. The relief association's Surety (Fidelity) bond coverage expired on July 1, 2017. As of December 31, 2018, the relief association's cash assets totaled \$21,297.

A similar condition was noted in our prior audit report.

Criteria: Section 7415(c)(4) of Act 118 states, in part, that:

. . . the disbursing officer, whether designated treasurer, comptroller, financial secretary or otherwise, shall be bonded by corporate surety for faithful performance of duty. The amount of the bond shall be at least as great as the maximum cash balance in current funds of the association at any time during the fiscal year, and the premium on the bond shall be a proper charge against the funds of the association.

<u>Cause</u>: Even though notified of this condition during our prior audit, relief association officials again neglected to comply with the Act 118 provisions requiring the maintenance of Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer.

<u>Effect</u>: As a result of the authorized disbursing officer of the relief association not being bonded, the relief association's cash assets were not adequately safeguarded.

<u>Recommendation</u>: We again recommend that the relief association officials obtain Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer in an amount greater than the relief association's maximum cash balance, as required by Act 118. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

<u>Auditor's Conclusion</u>: We are concerned by the relief association's failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.

## <u>Finding No. 2 – Noncompliance With Prior Audit Recommendation – Failure To Maintain A Complete And Accurate Equipment Roster</u>

Condition: The relief association failed to maintain a complete and accurate roster of equipment owned by the relief association. Specifically, the relief association purchased \$51,233 of equipment during the current audit period and there was no equipment roster created or maintained for these purchases. In addition, there was no indication that a physical inventory of equipment was conducted on an annual basis to account for the equipment owned by the relief association.

A similar condition was noted in our prior audit report.

<u>Criteria</u>: Prudent business practice dictates that the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's equipment. A cumulative equipment roster of all relief association equipment should include all of the following:

- Types of equipment purchased
- Dates of purchase
- Unit costs
- Names of suppliers
- Serial numbers, if applicable
- Current locations of items
- Final dispositions of sold or damaged equipment
- Evidence of the performance and results of an annual physical inventory

<u>Cause</u>: Even though notified of this condition during our prior audit, relief association officials again failed to establish adequate internal control procedures over equipment by requiring the maintenance of a cumulative equipment roster and the performance of an annual physical inventory of equipment.

<u>Effect</u>: The continued failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual physical inventory of equipment prevents adequate accountability for, and safeguarding of, relief association equipment.

#### Finding No. 2 – (Continued)

Recommendation: We again recommend that the relief association officials maintain a cumulative equipment roster of all equipment owned by the relief association. Furthermore, the relief association should ensure it performs an annual physical inventory of all operable equipment and that the completion of the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

<u>Auditor's Conclusion</u>: We are concerned by the relief association's failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.

#### <u>Finding No. 3 – Undocumented Expenditure</u>

<u>Condition</u>: The relief association was unable to provide adequate supporting documentation for an expenditure amounting to \$2,116 to an equipment vendor on November 27, 2018.

Criteria: Section 7418(a) of Act 118 states:

The Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters' relief association receiving money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No. 205), known as the Municipal Pension Plan Funding Standard and Recovery Act, as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Without adequate supporting documentation, such as an invoice and/or itemized receipt, this department is unable to determine whether relief association funds were expended for purposes authorized by Act 118. Furthermore, prudent business practice dictates that supporting documentation be maintained to evidence the propriety of all financial transactions.

<u>Cause</u>: Relief association officials failed to establish adequate internal control procedures to ensure supporting documentation is maintained for all expenditures.

#### Finding No. 3 – (Continued)

<u>Effect</u>: Lack of supporting documentation, such as an invoice and/or itemized receipt, made it impossible to determine if the expenditure was made in accordance with Section 7416(f) of Act 118. In addition, the failure to maintain adequate supporting documentation for relief association expenditures can lead to an increased risk of errors occurring and funds being misappropriated.

Recommendation: We recommend that the relief association officials provide this department with adequate supporting documentation, such as an invoice and/or itemized receipt, to ensure the propriety of the expenditure or that the relief association be reimbursed \$2,116 for the undocumented expenditure. We also recommend that the relief association officials maintain supporting documentation for all future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

#### Finding No. 4 – Unauthorized Expenditure

<u>Condition</u>: The relief association expended \$998 for dress uniforms during the current audit period that are not authorized by Act 118.

Criteria: Section 7416(f) of Act 118 states:

The funds of any volunteer firefighters' relief association may be spent:

- (1) To pay for such normal and reasonable running expenses as may be appropriate to the businesslike conduct of the affairs of the association, including legal fees, rental or purchase of offices, payment of reasonable compensation of employees and purchase of office equipment and supplies.
- (11) To purchase safeguards for preserving life, health and safety of volunteer firefighters to ensure their availability to participate in the volunteer fire service.
- (15) To purchase fire hoses and nozzles.

#### Finding No. 4 – (Continued)

Costs associated with the purchase of a dress uniforms do not qualify as an authorized volunteer firefighters' relief association expenditure; consequently, this disbursement is not authorized under Act 118.

<u>Cause</u>: Relief association officials indicated that they were unaware that the expenditure for the dress uniforms was not authorized by Act 118.

<u>Effect</u>: As a result of this improper expenditure, relief association funds were not available for investment purposes or to pay for expenditures authorized by Act 118.

Recommendation: We recommend that the relief association be reimbursed \$998 for the unauthorized expenditure and that relief association officials become familiar with Section 7416(f) of Act 118 to aid them in determining the propriety of future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

# GREENFIELDS VOLUNTEER FIREFIGHTERS RELIEF ASSOCIATION SUPPLEMENTARY FINANCIAL INFORMATION CASH AND INVESTMENT BALANCES AS OF DECEMBER 31, 2018

Cash	\$ 21,297
Fair Value of Investments	 41,736
