AUDITOR GENERAL**

Mr. Kirk McCaslin, President  
Harrison Township Firefighters'  
Relief Association  
Potter County

We have conducted a compliance audit of the Harrison Township Firefighters' Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2018 to December 31, 2020.

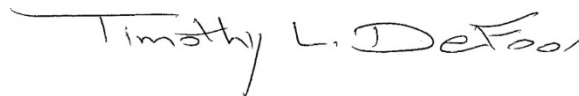

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2018 to December 31, 2020, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Inadequate Signatory Authority For The Disbursement Of Funds

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

## **BACKGROUND – (Continued)**

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Harrison Township Volunteer Fire Company

HARRISON TOWNSHIP FIREFIGHTERS' RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

**Finding – Inadequate Signatory Authority For The Disbursement Of Funds**

Condition: During the current audit engagement, we identified one check out of sixteen checks drawn on the relief association's checking account that only contained the signature of one officer, even though two signatures are required by Act 118 and the relief association bylaws. Issuing checks with the signature of only one officer negates the relief association's internal control over the disbursement process.

Criteria: Section 7415(c)(3) of Act 118 states, in part:

The bylaws shall require that the signatures of at least two officers, one of whom shall be the disbursing officer, shall be required to bind the association by formal contract or to issue a negotiable instrument.

In addition, the relief association's bylaws at Article VIII, Section 1 states, in part:

The signatures of two officers, treasurer and president, shall be required for the issuance of relief association checks, withdrawal from the association savings account, the redemption of any relief association investment, or on any other negotiable instrument issued by the association.

Furthermore, prudent business practice dictates that the relief association has sufficient internal control procedures in place to ensure the signatures of at least two relief association officials are included on all negotiable instruments. Adequate internal control procedures require that checks be signed only after the propriety of the expenditure has been determined and the payee, date, and amount to be paid has been confirmed. Additionally, responsible relief association officers should compare this information with supporting documentation, such as invoices, contracts, etc., prior to approving the checks.

Cause: The relief association officials did not provide a reason for why this occurred.

Effect: As a result of the relief association officer issuing checks with only one signature, assets were placed at greater risk as expenditures were being made without a second relief association officer having the opportunity to verify the propriety of the expenditures. The application of the second signature, after evaluating the propriety of the expenditure, reduces the risk of misappropriation and the risk of errors occurring and going undetected.

HARRISON TOWNSHIP FIREFIGHTERS' RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

**Finding – (Continued)**

Recommendation: We recommend that the relief association officials establish adequate internal control procedures to ensure that the signatures of at least two officers, one of whom shall be the treasurer, are included on all relief association negotiable instruments as defined by Act 118. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
