EUGENE A. DePASQUALE  
AUDITOR GENERAL

Mr. Tyler Starr, President  
Hegins Township Volunteer  
Firemen's Relief Association  
Schuylkill County

We have conducted a compliance audit of the Hegins Township Volunteer Firemen's Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2016 to December 31, 2017.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

We were not able to obtain copies of canceled or imaged checks from the relief association. While the relief association provided copies of bank statements, the relief association failed to provide copies of canceled or imaged checks. Without copies of canceled or imaged checks, we were not able to determine whether two relief association officers authorized and signed the checks as required by Act 118.

Based on our audit procedures, we conclude that, except for the effects, if any, of the matter described in the preceding paragraph, for the period January 1, 2016 to December 31, 2017:

- The relief association took appropriate corrective action to address one of the two findings contained in our prior audit report. However, the relief association failed to take appropriate corrective action to address the one remaining finding contained in our prior audit report, as listed below and discussed in the Status of Prior Findings section of this report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 – Noncompliance With Prior Audit Recommendation – Failure  
To Maintain A Complete And Accurate Equipment Roster

Finding No. 2 – Inadequate Relief Association Bylaws

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

March 11, 2019

EUGENE A. DEPASQUALE  
Auditor General

## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

**BACKGROUND – (Continued)**

The relief association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2016</u>	<u>2017</u>
Barry Township	Schuylkill	\$ 1,825	\$ 1,896
Hegins Township	Schuylkill	\$19,601	\$18,496

The volunteer firefighters’ relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Hegins Valley Fire-Rescue Company

HEGINS TOWNSHIP VOLUNTEER FIREMEN'S RELIEF ASSOCIATION  
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has complied with one of the two prior audit findings and recommendations, as follows:

- Untimely Deposit Of State Aid

By timely depositing all income received.

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has not complied with one of the two prior audit findings. This finding is noted below and discussed in detail in the Findings and Recommendations section of this report:

- Failure To Maintain A Complete And Accurate Equipment Roster

We are concerned by the relief association's failure to correct this previously reported audit finding. The relief association management should strive to implement the recommendation and corrective action noted in this audit report.

HEGINS TOWNSHIP VOLUNTEER FIREMEN'S RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS

**Finding No. 1 – Noncompliance With Prior Audit Recommendation – Failure To Maintain  
A Complete And Accurate Equipment Roster**

Condition: The relief association failed to maintain a complete and accurate roster of equipment owned by the relief association. Although a listing of relief association owned equipment was provided during the current audit period, it was incomplete because it did not contain the names of suppliers (vendors), dates of purchase and cost of equipment to accurately identify equipment owned by the relief association. As such, it was impossible to determine if all equipment purchased during the audit period in the amount of \$9,320 was recorded. In addition, there was no indication that a physical inventory of equipment was conducted on an annual basis to account for the equipment owned by the relief association.

A similar condition was noted in our prior audit report.

Criteria: Prudent business practice dictates that the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's equipment. A cumulative equipment roster of all relief association equipment should include all of the following:

- Types of equipment purchased
- Dates of purchase
- Unit costs
- Names of suppliers
- Serial numbers, if applicable
- Current locations of items
- Final dispositions of sold or damaged equipment
- Evidence of the performance and results of an annual physical inventory

Cause: Even though notified of this condition during our prior audit, relief association officials again failed to establish adequate internal control procedures over equipment by requiring the maintenance of a cumulative equipment roster and the performance of an annual physical inventory of equipment.

Effect: The continued failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual physical inventory of equipment prevents adequate accountability for, and safeguarding of, relief association equipment.

HEGINS TOWNSHIP VOLUNTEER FIREMEN'S RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS

**Finding No. 1 – (Continued)**

Recommendation: We again recommend that the relief association officials maintain a cumulative equipment roster of all equipment owned by the relief association. Furthermore, the relief association should ensure it performs an annual physical inventory of all operable equipment and that the completion of the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: We are concerned by the relief association's failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.

**Finding No. 2 – Inadequate Relief Association Bylaws**

Condition: As cited as a verbal observation in our prior audit, the existing bylaws of the relief association do not clearly address all of the provisions required by Section 7415(c) of Act 118 and/or considered to be beneficial to the operation of the relief association. Specifically, the bylaws do not reflect the new fire company's official name after the 2015 merger that the relief association is currently affiliated with.

Criteria: Section 7415(c) of Act 118 states that the relief association's bylaws shall:

- (10) Contain such other provisions as may, to the membership, seem appropriate or necessary to the orderly conduct of affairs of the association.

Cause: Even though notified of this condition during our prior audit, relief association officials again neglected to amend the relief association bylaws to meet the bylaw provisions required by Act 118.

Effect: As a result of the mandatory provision not being included in the bylaws, the relief association may have conducted its affairs without proper authorization.

HEGINS TOWNSHIP VOLUNTEER FIREMEN'S RELIEF ASSOCIATION  
FINDINGS AND RECOMMENDATIONS

**Finding No. 2 – (Continued)**

Recommendation: We recommend that the relief association officials review and update the bylaws governing their organization so that the bylaws meet the requirements set forth in Act 118 and properly authorize the operating procedures of the relief association. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

HEGINS TOWNSHIP VOLUNTEER FIREMEN'S RELIEF ASSOCIATION
