AUDITOR GENERAL

Mr. William Collins, Jr., President
Irvona Volunteer Fire Company
Relief Association
Clearfield County

We have conducted a compliance audit of the Irvona Volunteer Fire Company Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2015 to December 31, 2018.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2015 to December 31, 2018:

- The relief association took appropriate corrective action to address two of the three findings contained in our prior audit report. However, the relief association failed to take appropriate corrective action to address the one remaining finding contained in our prior audit report, as listed below and discussed in the Status of Prior Findings section of this report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Noncompliance With Prior Audit Recommendation –
Undocumented Expenditures

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2015</u>	<u>2016</u>	<u>2017</u>	<u>2018</u>
Beccaria Township	Clearfield	\$1,722	\$1,710	\$1,646	\$1,499
Chest Township	Clearfield	\$ 944	\$ 952	\$ 860	\$ 785
Irvona Borough	Clearfield	\$2,714	\$2,700	\$2,471	\$2,250
Jordan Township	Clearfield	\$2,463	\$2,462	\$2,323	\$2,111

The volunteer firefighters’ relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Irvona Volunteer Fire Company No. 1

IRVONA VOLUNTEER FIRE COMPANY RELIEF ASSOCIATION
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDINGS AND RECOMMENDATIONS

The relief association has complied with two of the three prior audit findings and recommendations, as follows:

- Inadequate Financial Record-Keeping System

By establishing and maintaining a financial record-keeping system that allows the membership to effectively monitor the relief association's financial operations.

- Failure To Deposit State Aid Inadvertently Received While In Noncompliance Withhold Status

By depositing the 2013 and 2014 state aid amounts of \$662 and \$634, respectively, from Chest Township, and by establishing accounting procedures to ensure that all income received is deposited in the relief association's account.

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has not complied with one of the three prior audit findings. This finding is noted below and discussed in detail in the Finding and Recommendation section of this report:

- Undocumented Expenditures

Although the relief association received reimbursement of \$1,035 from the affiliated fire company and provided documentation supporting \$7,832 for the undocumented expenditures that were made in the prior audit period, the relief association again failed to provide adequate documentation to support all expenditures in the current audit period as further disclosed in the finding of this report.

We are concerned by the relief association's failure to correct this previously reported audit finding. The association management should strive to implement the recommendation and corrective action noted in this audit report.

IRVONA VOLUNTEER FIRE COMPANY RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Noncompliance With Prior Audit Recommendation – Undocumented Expenditures

Condition: The relief association again was unable to provide adequate supporting documentation for the following expenditures made during the current audit period:

Date	Check No.	Payee Description	Amount
05/10/17	1222	Fire company	\$ 372
11/02/18	1232	Department store	176
Total			<u>\$ 548</u>

A similar condition was noted in our prior audit report.

Criteria: Section 7418(a) of Act 118 states:

The Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters’ relief association receiving money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No. 205), known as the Municipal Pension Plan Funding Standard and Recovery Act, as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Without adequate supporting documentation, such as invoices and/or itemized receipts, this department is unable to determine whether relief association funds were expended for purposes authorized by Act 118. Furthermore, prudent business practice dictates that supporting documentation be maintained to evidence the propriety of all financial transactions.

Cause: Even though notified of this condition during our prior audit, relief association officials again neglected to establish adequate internal control procedures to ensure supporting documentation is maintained for all expenditures.

Effect: Lack of supporting documentation, such as invoices, itemized receipts and detailed minutes of meetings, made it impossible to determine if the expenditures were made in accordance with Section 7416(f) of Act 118. In addition, the failure to maintain adequate supporting documentation for relief association expenditures can lead to an increased risk of errors occurring and funds being misappropriated.

IRVONA VOLUNTEER FIRE COMPANY RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – (Continued)

Recommendation: We again recommend that the relief association officials provide this department with adequate supporting documentation, such as invoices and/or itemized receipts, to ensure the propriety of the expenditures or that the relief association be reimbursed \$548 for the undocumented expenditures. We also recommend that the relief association officials maintain supporting documentation for all future expenditures. For further guidance, please refer to the Auditor General’s publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS’ RELIEF ASSOCIATIONS.

Management’s Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor’s Conclusion: We are concerned by the relief association’s failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.
