EUGENE A. DEPASQUALE AUDITOR GENERAL

Ms. Darcy Franicola, President Madison Volunteer Relief Association Westmoreland County

We have conducted a compliance audit of the Madison Volunteer Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2017 to December 31, 2018.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2017 to December 31, 2018, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 et seq., the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipalities:

| Municipality | County | 2017 | 2018 |
|-----------------|--------------|-----------|-------------|
| Arona Borough | Westmoreland | \$ 718 | \$ 652* |
| Madison Borough | Westmoreland | \$1.906** | \$1.735*/** |

^{*} The 2018 state aid allocations received from Arona Borough and Madison Borough were not deposited by the relief association until February 7, 2019 and February 11, 2019, respectively, as disclosed in the finding in this report.

Madison Borough is still required to submit a 2017 and 2018 Receipt And Distribution Of Foreign Fire Insurance Premium Tax Form 706-B to this Department as soon as possible.

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Madison Volunteer Fire Company

^{**} Although Madison Borough prepared and returned a Certification Form AG 385 for 2017 and 2018, the borough failed to submit a 2017 and 2018 Receipt And Distribution Of Foreign Fire Insurance Premium Tax Form 706-B to this department as required by the instructions accompanying Form 706-B and the 2017 and 2018 state aid allocations received by the borough disclosing this information.

MADISON VOLUNTEER RELIEF ASSOCIATION FINDING AND RECOMMENDATION

Finding – Untimely Receipts And Deposits Of State Aid

Condition: The relief association did not deposit the 2018 state aid allocation it received from Madison Borough, in the amount of \$1,735, until February 11, 2019. The foreign fire insurance tax allocation was distributed to the municipal treasurer on September 17, 2018; however, municipal officials failed to forward the state aid allocation to the relief association until December 23, 2018, which is not within 60 days of receipt, as required by Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205). In addition, upon receipt of the state aid allocation, the relief association did not ensure the funds were deposited timely into a relief association account.

Furthermore, the relief association did not deposit the 2018 state aid allocation it received from Arona Borough, in the amount of \$652, until February 7, 2019. The foreign fire insurance tax allocation was distributed to the municipal treasurer on September 17, 2018; however, municipal officials failed to forward the state aid allocation to the relief association until February 6, 2019, which is not within 60 days of receipt, as required by Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205). Since there was no documentation indicating that the relief association attempted to retrieve the funds, the relief association did not ensure the funds were received and deposited timely. Upon receipt of the state aid allocation, the relief association deposited the funds into a relief association account on February 7, 2019.

Criteria: Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205), states:

The foreign fire insurance premium tax amount applicable to a municipality served solely by volunteer firefighters shall be paid to the municipality, which shall within 60 days of the date of the receipt of the moneys from the State Treasurer pay the amount received to the relief association fund of the fire department or departments, or fire company or companies, now existing or hereafter organized, inside or outside of the municipality, which is or are actively engaged in the service of the municipality and duly recognized by the governing body of the municipality.

Furthermore, prudent business practice dictates that upon receipt of its state aid allocations, the relief association should establish adequate internal control procedures to ensure the funds are deposited in a timely manner.

<u>Cause</u>: Relief association officials failed to establish internal control procedures to ensure that all income due the relief association was received, recorded and deposited into a relief association account in a timely manner.

MADISON VOLUNTEER RELIEF ASSOCIATION FINDING AND RECOMMENDATION

<u>Finding – (Continued)</u>

<u>Effect</u>: As a result of the untimely receipt and deposit, funds were not available to pay general operating expenses or for investment purposes. In addition, an untimely receipt and deposit of funds increases the risk that funds could be lost or misappropriated.

<u>Recommendation</u>: We recommend that the relief association officials adopt internal control procedures to ensure the timely receipt and deposit of all future income received. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

<u>Auditor's Conclusion</u>: Compliance will be subject to verification through our next audit.
