EUGENE A. DePASQUALE
AUDITOR GENERAL

Mr. David Dallazia, President
Marion Heights Volunteer Firefighters'
Relief Association
Northumberland County

We have conducted a compliance audit of the Marion Heights Volunteer Firefighters' Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2016 to December 31, 2017.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the finding contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2016 to December 31, 2017:

- The relief association took appropriate corrective action to address one of the two findings contained in our prior audit report. However, the relief association failed to take appropriate corrective action to address the one remaining finding contained in our prior audit report, as listed below and discussed in the Status of Prior Findings section of this report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Noncompliance With Prior Audit Recommendation – Inadequate Relief Association Bylaws

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

Finding and Recommendation:	
Finding – Noncompliance With Prior Audit Recommendation – Inadequate Relief Association Bylaws	4
Supplementary Financial Information	6
Report Distribution List	8

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2016</u>	<u>2017</u>
Marion Heights Borough	Northumberland	\$2,579	\$2,338

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Marion Heights Hose Company

MARION HEIGHTS VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has complied with one of the two prior audit findings and recommendations, as follows:

- Failure To Maintain A Complete And Accurate Membership Roster

By maintaining a comprehensive listing of the relief association's membership.

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has not complied with one of the two prior audit findings. This finding is noted below and discussed in detail in the Finding and Recommendation section of this report:

- Inadequate Relief Association Bylaws

We are concerned by the relief association's failure to correct this previously reported audit finding. The association management should strive to implement the recommendation and corrective action noted in this audit report.

MARION HEIGHTS VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Noncompliance With Prior Audit Recommendation – Inadequate Relief Association Bylaws

Condition: The existing bylaws of the relief association do not contain all of the provisions required by Section 7415(c) of Act 118. Specifically, the bylaws:

- Fail to define membership classification. The bylaws indicate certain benefits will be paid to “A” members of the association. However, the classification of “A” membership is not defined anywhere in the contents of the bylaws.
- Fail to accurately reflect increases in officers’ compensation and death benefits currently in effect, even though these types of expenditures were properly approved by the relief association membership and documented in the relief association’s minutes.

A similar condition was noted in our prior audit report.

Criteria: As previously disclosed, prudent business practice dictates that if discretionary benefits are provided to different membership classes, that membership classes be defined in the bylaws. Section 7415(c) of Act 118 states that the relief association’s bylaws shall:

- (2) State the notice requirements and procedure to be followed in calling meetings, as well as quorum requirements for regular and special meetings of the membership and for regular and special meetings of the body which governs the operations of the association between membership meetings, and shall designate that body, whether it be a board of directors, trustees or any similar body such as an executive committee. Unless otherwise provided for in the bylaws, powers and duties of officers, directors and trustees shall be those which normally pertain to such positions in nonprofit corporations.
- (10) Contain such other provisions as may, to the membership, seem appropriate or necessary to the orderly conduct of affairs of the association.

Furthermore, the relief association bylaws should authorize and clearly specify the criteria to be met before receiving death or relief benefits and the amount of any benefit payments. In addition, the bylaws should address the authorization of compensation to relief association officers.

Cause: Even though notified of this condition during our prior audit, relief association officials again neglected to amend the relief association bylaws to meet the bylaw provisions required by Act 118.

MARION HEIGHTS VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – (Continued)

Effect: As a result of the mandatory provisions not being included in the bylaws, the relief association may have conducted its affairs without proper authorization.

Recommendation: We again recommend that the relief association officials review and update the bylaws governing their organization so that the bylaws meet the requirements set forth in Act 118 and properly authorize the operating procedures of the relief association. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: We are concerned by the relief association's failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.

MARION HEIGHTS VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION
SUPPLEMENTARY FINANCIAL INFORMATION
CASH BALANCE
AS OF DECEMBER 31, 2017
