Mr. Vince Bayer, President
Fireman's Relief Association of
Middleport, PA
Schuylkill County

We have conducted a compliance audit of the Fireman's Relief Association of Middleport, PA (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2018 to December 31, 2019.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

We were not able to obtain copies of canceled or imaged checks from the relief association. While the relief association provided copies of bank statements, the relief association failed to provide copies of canceled or imaged checks. Without copies of canceled or imaged checks, we were not able to determine whether two relief association officers authorized and signed the checks as required by Act 118.

Based on our audit procedures, we conclude that, except for the effects, if any, of the matter described in the preceding paragraph, for the period January 1, 2018 to December 31, 2019:

- The relief association took appropriate corrective action to address one of the two findings contained in our prior audit report. However, the relief association failed to take appropriate corrective action to address the one remaining finding contained in our prior audit report, as listed below and discussed in the Status of Prior Findings section of this report.
- Because of the significance of the matters described in Finding Nos. 2 and 3 below and discussed later in this report, the relief association did not, in all significant respects, comply with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, collectively as a whole. Therefore, the relief association may be subject to the potential withholding of its upcoming state aid distribution, as discussed in the Potential Withhold of State Aid section of this report.

Finding No. 1 – Noncompliance With Prior Audit Recommendation – Failure To Maintain A Complete And Accurate Equipment Roster

Finding No. 2 – Failure To Deposit Proceeds From The Sale Of A Jointly Purchased Vehicle

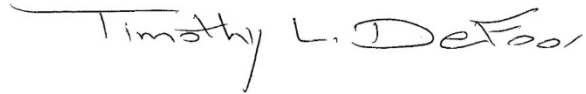

Finding No. 3 – Undocumented Expenditures

Finding No. 4 – Inadequate Minutes Of Meetings

Finding No. 5 – Failure To Maintain A Federal Tax Identification Number

The five findings contained in this report cite conditions that existed in the operation of the relief association during the current audit period. We are concerned by the number of findings noted and strongly encourage timely implementation of the recommendations noted in this audit report.

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2018</u>	<u>2019</u>
Middleport Borough	Schuylkill	\$1,411	\$1,539

Based on the relief association’s records, its total cash and investments as of December 31, 2019 were \$2,636, as illustrated below:

Cash	\$ 1,636
Fair Value of Investments	<u>1,000</u>
Total Cash and Investments	<u>\$ 2,636</u>

Based on the relief association’s records, its total expenditures for the period January 1, 2018 to December 31, 2019 were \$3,307, as noted below. The accuracy of these expenditures was evaluated as part of the Department’s audit to conclude on the relief association’s compliance with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.¹ **The scope of the Department’s audit does not include the issuance of an opinion on the accuracy of these amounts.**

Expenditures:

Administrative Services:	
Other administrative expenses	\$ 2,040
Bond premiums	<u>256</u>
Total Administrative Services	<u>\$ 2,296</u>
Other Expenditures:	
Undocumented expenditures – Finding No. 3	<u>\$ 1,011</u>
Total Expenditures	<u>\$ 3,307</u>

¹ Accuracy was evaluated for a selection of transactions based on dollar amount, category, and/or random selection.

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Citizens Fire Company of Middleport Pa.

FIREMAN'S RELIEF ASSOCIATION OF MIDDLEPORT, PA
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has complied with one of the two prior audit findings and recommendations, as follows:

- Failure To Maintain Surety (Fidelity) Bond Coverage

By maintaining Surety (Fidelity) bond coverage in an amount greater than the balance of the relief association's assets.

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has not complied with one of the two prior audit findings. This finding is noted below and discussed in detail in the Findings and Recommendations section of this report:

- Failure To Maintain A Complete And Accurate Equipment Roster

We are concerned by the relief association's failure to correct this previously reported audit finding. The association management should strive to implement the recommendation and corrective action noted in this audit report.

FIREMAN'S RELIEF ASSOCIATION OF MIDDLEPORT, PA
FINDINGS AND RECOMMENDATIONS

**Finding No. 1 – Noncompliance With Prior Audit Recommendation – Failure To Maintain
A Complete And Accurate Equipment Roster**

Condition: Although the relief association did not purchase any equipment during the current audit period, the relief association did not provide an equipment roster for the current audit period and also did not provide a roster for the \$3,376 of equipment purchased in the prior audit period. In addition, there was no indication that a physical inventory of equipment was conducted on an annual basis, nor whether such inventory accounted for all equipment owned by the relief association.

A similar condition was noted in our prior audit report.

Criteria: Prudent business practice dictates that the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's equipment. A cumulative equipment roster of all relief association equipment should include all of the following:

- Types of equipment purchased
- Dates of purchase
- Unit costs
- Names of suppliers
- Serial numbers, if applicable
- Current locations of items
- Final dispositions of sold or damaged equipment
- Evidence of the performance and results of an annual physical inventory

Cause: The relief association officials indicated they did not know anything about the deficiencies noted in the 2015-2017 audit, as they were not members of the relief association during that time and were not aware of the need to address the deficiencies.

Effect: The continued failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual physical inventory of equipment prevents adequate accountability for, and safeguarding of, relief association equipment.

FIREMAN'S RELIEF ASSOCIATION OF MIDDLEPORT, PA
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

Recommendation: We again recommend that the relief association officials maintain a cumulative equipment roster of all equipment owned by the relief association. Furthermore, the relief association should ensure it performs an annual physical inventory of all operable equipment and that the completion of the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: We are concerned by the relief association's failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.

Finding No. 2 – Failure To Deposit Proceeds From The Sale Of A Jointly Purchased Vehicle

Condition: In 2013, the relief association had expended \$1,000 towards the joint purchase of a 1983 Ford Truck with the affiliated fire company which had a total cost of \$5,000. The relief association entered into an agreement with the affiliated fire company dated April 2, 2015 where the relief association would receive the pro-rata share percentage of 20% if the vehicle was ever sold. During the audit period, the jointly purchased vehicle was sold for \$2,500; however, the relief association did not receive and deposit its \$500 proportional ownership interest share of the proceeds from the sale of the jointly purchased vehicle.

Criteria: Section 7418(a) of Act 118 states:

The Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters' relief association receiving money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No. 205), known as the Municipal Pension Plan Funding Standard and Recovery Act, as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

FIREMAN'S RELIEF ASSOCIATION OF MIDDLEPORT, PA
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

Prudent business practice dictates that the relief association should secure its proportional ownership interest in the jointly purchased vehicle by executing a formal written agreement that enumerates the relief association's proportional share of financing. Such agreement shall specify that the relief association shall receive its prorated share of the proceeds upon sale of the vehicle, in the event the vehicle is ever sold. Once the vehicle is sold, the relief association officials should closely monitor all sales to ensure proceeds are received and timely deposited into a relief association account.

Cause: The relief association officials indicated they did not know that the vehicle was purchased by the relief association and therefore did not collect the relief association's prorated share of the proceeds when the vehicle was sold.

Effect: The failure to receive and deposit the proceeds from the sale of a jointly purchased vehicle with the affiliated fire company places the relief association's ownership interest at greater risk. As a result, the relief association was unable to use the funds for general operating expenses or for investment purposes. Furthermore, the relief association's future state aid allocations may be withheld until the finding recommendation is complied with.

Recommendation: We recommend that the relief association be reimbursed \$500 for its pro-rata share of the proceeds from the sale of the jointly purchased vehicle. We also recommend the relief association officials establish accounting and internal control procedures to ensure that all future proceeds resulting from the sale of a jointly purchased vehicle are timely received and deposited into a relief association account. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Due to the potential withhold of state aid, the relief association's compliance with the finding recommendation will be monitored subsequent to the release of the audit report and through our next audit of the relief association.

FIREMAN’S RELIEF ASSOCIATION OF MIDDLEPORT, PA
FINDINGS AND RECOMMENDATIONS

Finding No. 3 – Undocumented Expenditures

Condition: The relief association was unable to provide adequate supporting documentation for the following expenditures made during the current audit period:

<u>Date</u>	<u>Check No.</u>	<u>Payee Description</u>	<u>Amount</u>
11/27/18	ACH	I Am Responding (fire service product/vendor)	\$ 355
11/28/18	122	Training vendor	175
02/06/19	ACH	Verizon (internet charges)	128
03/06/19	ACH	Verizon (internet charges)	353
Total			<u>\$ 1,011</u>

Criteria: Section 7418(a) of Act 118 states:

The Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters’ relief association receiving money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No. 205), known as the Municipal Pension Plan Funding Standard and Recovery Act, as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Furthermore, prudent business practice dictates that supporting documentation be maintained to evidence the propriety of all financial transactions.

Cause: The relief association officials did not provide a reason for why this occurred.

Effect: Lack of supporting documentation, such as invoices, itemized receipts and detailed minutes of meetings, made it impossible to determine if the expenditures were made in accordance with Section 7416(f) of Act 118. In addition, the failure to maintain adequate supporting documentation for relief association expenditures can lead to an increased risk of errors occurring and funds being misappropriated. Furthermore, the relief association’s future state aid allocations may be withheld until the finding recommendation is complied with.

FIREMAN'S RELIEF ASSOCIATION OF MIDDLEPORT, PA
FINDINGS AND RECOMMENDATIONS

Finding No. 3 – (Continued)

Recommendation: We recommend that the relief association officials provide this department with adequate supporting documentation, such as invoices and/or itemized receipts, to ensure the propriety of the expenditures or that the relief association be reimbursed \$1,011 for the undocumented expenditures. We also recommend that the relief association officials maintain supporting documentation for all future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Due to the potential withhold of state aid, the relief association's compliance with the finding recommendation will be monitored subsequent to the release of the audit report and through our next audit of the relief association.

Finding No. 4 – Inadequate Minutes Of Meetings

Condition: The relief association failed to maintain detailed minutes of meetings as required by Act 118 and the relief association's bylaws. Specifically, the relief association's bylaws require monthly meetings, however, the relief association only provided three months of meeting minutes for the year 2018 and four months of meeting minutes for the year 2019. In addition, the minutes of meetings were not signed.

Criteria: Section 7415(a) of Act 118 states, in part, that the relief association:

. . . must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

In addition, the relief association's bylaws at Article 2, Section 1 states, in part:

Regular meetings of this association shall be held on the last Thursday of the month immediately following the regular meeting of the Citizens Fire Company.

Cause: Relief association officials indicated that they were unaware that maintaining detailed minutes of meetings were required by Act 118 and the relief association's bylaws.

Effect: Without detailed minutes of meetings, evidence that relief association business was presented before the membership for approval does not exist.

FIREMAN'S RELIEF ASSOCIATION OF MIDDLEPORT, PA
FINDINGS AND RECOMMENDATIONS

Finding No. 4 – (Continued)

Recommendation: We recommend that the relief association officials maintain detailed minutes of meetings, evidencing the discussion and approval of all financial-related business conducted by the relief association. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

Finding No. 5 – Failure To Maintain A Federal Tax Identification Number

Condition: The relief association failed to provide evidence showing compliance with the Tax Equity and Fiscal Responsibility Act by not maintaining a federal tax identification number.

Criteria: All businesses, both profit and nonprofit, are required to obtain a federal tax identification number and provide this number to any financial institution where funds are earning interest. If their tax identification number is not provided, the financial institution is required to withhold 31 percent of interest earned and transmit these funds to the Internal Revenue Service, representing federal income taxes.

Cause: Relief association officials indicated that due to the COVID-19 pandemic the relief association was unable to finalize the required IRS paperwork with their accountant.

Effect: Failure to comply with the Tax Equity and Fiscal Responsibility Act could cause the relief association to be penalized by the Internal Revenue Service, resulting in the loss of funds otherwise available for general operating expenditures or for investment purposes.

Recommendation: We recommend that the relief association officials immediately complete filing and obtainment of documentation evidencing the relief association's federal tax identification number through the Internal Revenue Service and furnish this number to its financial institutions. Relief association officials should also consider applying to the Internal Revenue Service for tax exempt status as a nonprofit corporation under Internal Revenue Code 501(c). For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

FIREMAN'S RELIEF ASSOCIATION OF MIDDLEPORT, PA
FINDINGS AND RECOMMENDATIONS

Finding No. 5 – (Continued)

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

FIREMAN'S RELIEF ASSOCIATION OF MIDDLEPORT, PA
POTENTIAL WITHHOLD OF STATE AID

Conditions such as those reported by Finding Nos. 2 and 3 contained in this audit report may lead to a total withholding of state aid in the future unless those findings are corrected. However, such action may not be considered if sufficient documentation is provided within 60 days to verify compliance with this department's recommendations. Such documentation should be submitted by the relief association to: Department of the Auditor General, Bureau of Fire Relief Audits, Room 327 Finance Building, Harrisburg, PA 17120.
