EUGENE A. DePASQUALE
AUDITOR GENERAL

Mr. Charles Klose, President
Mifflinburg Hose Company Fireman's
Relief Association
Union County

We have conducted a compliance audit of the Mifflinburg Hose Company Fireman's Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2018 to December 31, 2019.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2018 to December 31, 2019:

- The relief association took appropriate corrective action to address one of the two findings contained in our prior audit report. However, the relief association failed to take appropriate corrective action to address the one remaining finding contained in our prior audit report, as listed below and discussed in the Status of Prior Findings section of this report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 – Noncompliance With Prior Audit Recommendation –
Undocumented Expenditures

Finding No. 2 – Failure To Maintain A Complete And Accurate Equipment
Roster

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

The relief association was allocated state aid from the following municipalities:

<u>Municipality</u>	<u>County</u>	<u>2018</u>	<u>2019</u>
Buffalo Township	Union	\$10,541	\$11,541
Hartleton Borough	Union	\$ 1,180	\$ 1,291

BACKGROUND – (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Mifflinburg Hose Company No. 1

MIFFLINBURG HOSE COMPANY FIREMAN'S RELIEF ASSOCIATION
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has complied with one of the two prior audit findings and recommendations, as follows:

- Untimely Receipt And Deposit Of State Aid

By timely receiving and depositing all income received.

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has not complied with one of the two prior audit findings. This finding is noted below and discussed in detail in the Findings and Recommendations section of this report:

- Undocumented Expenditures

Although the relief association received reimbursement of \$1,434 from the affiliated fire company for the undocumented expenditures that were made in the prior audit period, the relief association again failed to provide adequate documentation to support all expenditures in the current audit period as further disclosed in Finding No. 1 of this report.

We are concerned by the relief association's failure to correct this previously reported audit finding. The association management should strive to implement the recommendation and corrective action noted in this audit report.

MIFFLINBURG HOSE COMPANY FIREMAN’S RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Noncompliance With Prior Audit Recommendation – Undocumented Expenditures

Condition: Although the relief association received reimbursement of \$1,434 from the affiliated fire company for the undocumented expenditures that were made in the prior audit period, the relief association was unable to provide adequate supporting documentation for the following expenditures made during the current audit period:

<u>Date</u>	<u>Check No.</u>	<u>Payee Description</u>	<u>Amount</u>
04/29/2018	1245	Cardmember service – training expenditures	\$ 213
05/30/2018	1250	Cardmember service – training expenditures	197
06/24/2019	1290	Training expenditure	630
07/08/2019	1293	Grocery expenditure	6
07/24/2019	1296	Cardmember service	113
Total			<u>\$ 1,159</u>

Criteria: Section 7418(a) of Act 118 states:

The Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters’ relief association receiving money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No. 205), known as the Municipal Pension Plan Funding Standard and Recovery Act, as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Without adequate supporting documentation, such as invoices and/or itemized receipts, this department is unable to determine whether relief association funds were expended for purposes authorized by Act 118. Furthermore, prudent business practice dictates that supporting documentation be maintained to evidence the propriety of all financial transactions.

Cause: Relief association officials did not provide a reason for why this occurred.

MIFFLINBURG HOSE COMPANY FIREMAN'S RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

Effect: Lack of supporting documentation, such as invoices, itemized receipts and detailed minutes of meetings, made it impossible to determine if the expenditures were made in accordance with Section 7416(f) of Act 118. In addition, the failure to maintain adequate supporting documentation for relief association expenditures can lead to an increased risk of errors occurring and funds being misappropriated.

Recommendation: We recommend that the relief association officials provide this department with adequate supporting documentation, such as invoices and/or itemized receipts, to ensure the propriety of the expenditures or that the relief association be reimbursed \$1,159 for the undocumented expenditures. We also recommend that the relief association officials maintain supporting documentation for all future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: We are concerned by the relief association's failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.

Finding No. 2 – Failure To Maintain A Complete And Accurate Equipment Roster

Condition: The relief association failed to maintain a complete and accurate roster of equipment owned by the relief association. Although a listing of relief association owned equipment was provided during the current audit period, this listing was incomplete and did not accurately identify all of the equipment owned by the relief association. The relief association purchased \$112,674 of equipment during the current audit period, but the equipment for \$7,318 of those purchases was not properly accounted for on the relief association's equipment roster. In addition, there was no indication that a physical inventory of equipment was conducted on an annual basis to account for the equipment owned by the relief association.

MIFFLINBURG HOSE COMPANY FIREMAN'S RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

Criteria: Prudent business practice dictates that the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's equipment. A cumulative equipment roster of all relief association equipment should include all of the following:

- Types of equipment purchased
- Dates of purchase
- Unit costs
- Names of suppliers
- Serial numbers, if applicable
- Current locations of items
- Final dispositions of sold or damaged equipment
- Evidence of the performance and results of an annual physical inventory

Cause: Relief association officials did not provide a reason for why this occurred.

Effect: The failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual physical inventory of equipment prevents adequate accountability for, and safeguarding of, relief association equipment.

Recommendation: We recommend that the relief association officials maintain a cumulative equipment roster of all equipment owned by the relief association. Furthermore, the relief association should ensure it performs an annual physical inventory of all operable equipment and that the completion of the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
