Mr. Tom Denny, President
Nemacolin Volunteer Fire Company
Relief Association
Greene County

We have conducted a compliance audit of the Nemacolin Volunteer Fire Company Relief Association (relief association) for the period January 1, 2018 to December 31, 2020. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act, 35 Pa.C.S. § 7411 *et seq.* ("VFRA Act"), as most recently amended by Act 91 of 2020.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

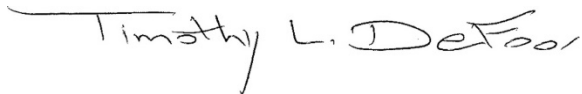

Based on our audit procedures, we conclude that, for the period January 1, 2018 to December 31, 2020:

- The relief association took appropriate corrective action to address two of the three findings contained in our prior audit report. However, the relief association failed to take appropriate corrective action to address the one remaining finding contained in our prior audit report, as listed below and discussed in the Status of Prior Findings section of this report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 – Noncompliance With Prior Audit Recommendation – Failure
To Maintain Surety (Fidelity) Bond Coverage

Finding No. 2 – Failure To Maintain Minutes Of Meetings

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

¹ 72 P.S. § 403 (as last amended by Act 44 of 2017).

² 35 Pa.C.S. § 7411 *et seq.* See specifically, 35 Pa.C.S. § 7418 (amended by Act 91 of 2020).

³ 53 P.S. § 895.701 *et seq.* (Act 205 of 1984, as amended by Act 119 of 1990).

Nemacolin Volunteer Fire Company

NEMACOLIN VOLUNTEER FIRE COMPANY RELIEF ASSOCIATION
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDINGS AND RECOMMENDATIONS

The relief association has complied with two of the three prior audit findings and recommendations, as follows:

- Undocumented Expenditures

By receiving reimbursement of \$762 from the affiliated fire company for the undocumented expenditures that were made in the prior audit period.

- Inappropriate Presigning Of Blank Checks

By prohibiting the presigning of blank checks.

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has not complied with one of the three prior audit findings. This finding is noted below and discussed in detail in the Findings and Recommendations section of this report:

- Failure To Maintain Surety (Fidelity) Bond Coverage

We are concerned by the relief association's failure to correct this previously reported audit finding. The relief association management should strive to implement the recommendation and corrective action noted in this audit report.

NEMACOLIN VOLUNTEER FIRE COMPANY RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Noncompliance With Prior Audit Recommendation – Failure To Maintain Surety (Fidelity) Bond Coverage

Condition: The relief association failed to maintain Surety (Fidelity) bond coverage on its authorized disbursing officer, as required by the VFRA Act. The relief association's Surety (Fidelity) bond coverage expired on October 7, 2016. As of December 31, 2020, the relief association's cash assets totaled \$11,070.

A similar condition was noted in our prior audit report.

Criteria: Section 7415(c)(4) of the VFRA Act states, in part, that:

. . . the disbursing officer, whether designated treasurer, comptroller, financial secretary or otherwise, shall be bonded by corporate surety for faithful performance of duty. The amount of the bond shall be at least as great as the maximum cash balance in current funds of the association at any time during the fiscal year, and the premium on the bond shall be a proper charge against the funds of the association.

Cause: The relief association officials did not provide a reason for why this occurred despite the relief association being notified of this condition during our prior audit.

Effect: As a result of the authorized disbursing officer of the relief association not being bonded, the relief association's cash assets were not adequately safeguarded.

Recommendation: We again recommend that the relief association officials obtain Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer in an amount greater than the relief association's maximum cash balance, as required by the VFRA Act. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and, as a result of our audit, the relief association officials purchased bond coverage in an amount greater than the relief association's maximum cash balance on November 1, 2021.

Auditor's Conclusion: We reviewed documentation verifying that sufficient bond coverage was obtained on November 1, 2021. Compliance for maintaining sufficient bond coverage during the next audit period will be subject to verification through our next audit.

NEMACOLIN VOLUNTEER FIRE COMPANY RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – Failure To Maintain Minutes Of Meetings

Condition: The relief association did not maintain minutes of meetings as required by the VFRA Act and the relief association’s bylaws. Specifically, the relief association’s minutes did not address all financial-related transactions that occurred during the audit period. In addition, meetings were only held in three months during 2018 and two months during 2019 and 2020.

Criteria: Section 7415(a) of the VFRA Act states, in part, that the relief association:

. . . must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

The relief association’s bylaws at Article II, Section 1 states, in part:

Regular meetings of the association shall be held every 2 months following regular fire company meeting. The first meeting will be in January.

Cause: Relief association officials indicated that they were unaware that maintaining minutes of meetings was required by the VFRA Act and the relief association’s bylaws. In addition, relief association officials did not provide a reason for why all required meetings were not held.

Effect: Without holding regular meetings and maintaining detailed minutes of meetings, evidence that relief association business was presented before the membership for approval does not exist.

Recommendation: We recommend that the relief association officials hold all required meetings and maintain a permanent record of all relief association meetings as required by the VFRA Act and the relief association’s bylaws. The minutes should include an adequate record of all financial-related business conducted by the relief association. For further guidance, please refer to the Auditor General’s publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS’ RELIEF ASSOCIATIONS.

Management’s Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor’s Conclusion: Compliance will be subject to verification through our next audit.
