AUDITOR GENERAL

Mr. Brett Hart, President
New Buffalo Fire Company Volunteer
Firefighters Relief Association
Perry County

We have conducted a compliance audit of the New Buffalo Fire Company Volunteer Firefighters Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2018 to December 31, 2020.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the finding contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

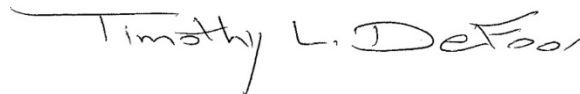

Based on our audit procedures, we conclude that, for the period January 1, 2018 to December 31, 2020:

- The relief association took appropriate corrective action to address the finding contained in our prior audit report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

NEW BUFFALO FIRE COMPANY VOLUNTEER FIREFIGHTERS RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Failure To Maintain Surety (Fidelity) Bond Coverage

Condition: The relief association failed to maintain Surety (Fidelity) bond coverage on its authorized disbursing officer, as required by Act 118. The relief association's Surety (Fidelity) bond coverage was canceled effective May 1, 2018. As of December 31, 2020, the relief association's cash assets totaled \$8,505.

Criteria: Section 7415(c)(4) of Act 118 states, in part, that:

. . . the disbursing officer, whether designated treasurer, comptroller, financial secretary or otherwise, shall be bonded by corporate surety for faithful performance of duty. The amount of the bond shall be at least as great as the maximum cash balance in current funds of the association at any time during the fiscal year, and the premium on the bond shall be a proper charge against the funds of the association.

Cause: The relief association official indicated that the relief association changed insurance agents that handled the insurance coverage/policies. An oversight was made in the transition and a new bond for coverage on the relief association's disbursing officer was not obtained.

Effect: As a result of the authorized disbursing officer of the relief association not being bonded, the relief association's cash assets were not adequately safeguarded.

Recommendation: We recommend that the relief association officials obtain Surety (Fidelity) bond coverage on the relief association's authorized disbursing officer in an amount greater than the relief association's maximum cash balance, as required by Act 118. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

Finding No. 2 – Inadequate Minutes Of Meetings

Condition: The relief association failed to maintain detailed minutes of meetings as required by Act 118 and the relief association's bylaws. Specifically, the relief association's minutes did not address all of the financial-related transactions that occurred during the audit period. In addition, the meeting minutes were not signed and dated by the secretary of the relief association.

NEW BUFFALO FIRE COMPANY VOLUNTEER FIREFIGHTERS RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

Criteria: Section 7415(a) of Act 118 states, in part, that the relief association:

. . . must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

The relief association's bylaws at Article III, Section 3 states, in part:

Secretary: The secretary is responsible for maintaining accurate minutes of regular and special meetings. The minutes shall note authorization by the membership of all association financial transactions and all other relevant business discussed at meetings.

Cause: The relief association official indicated that there was a change in the individual filling the position of secretary during the current audit period.

Effect: Without detailed minutes of meetings, evidence that relief association business was presented before the membership for approval does not exist.

Recommendation: We recommend that the relief association officials maintain detailed minutes of meetings, evidencing the discussion and approval of all financial-related business conducted by the relief association and also ensure that the meeting minutes are signed and dated by the secretary. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
