EUGENE A. DePASQUALE
AUDITOR GENERAL

Mr. Erik J. Concannon, President
North Hampton Volunteer Fire Department
Relief Association
Allegheny County

We have conducted a compliance audit of the North Hampton Volunteer Fire Department Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2016 to December 31, 2018.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the finding contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

We were not able to obtain an independent confirmation of the cash balance directly from the financial institution. Therefore, while the relief association provided copies of bank statements that indicated that, as of December 31, 2018, the relief association had a cash balance of \$165,527, we were not able to verify this cash balance.

Based on our audit procedures, we conclude that, the effects, if any, of the matter described in the preceding paragraph, for the period January 1, 2016 to December 31, 2018:

- The relief association took appropriate corrective action to address the finding contained in our prior audit report.
- Because of the significance of the matters described in the findings below and discussed later in this report, the relief association did not, in all significant respects, comply with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, collectively as a whole. Therefore, the relief association may be subject to the potential withholding of its upcoming state aid distribution, as discussed in the Potential Withhold of State Aid section of this report.

Finding No. 1 – Inappropriate Ownership Of Rescue Vehicle

Finding No. 2 – Unauthorized Expenditures

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

January 6, 2020

EUGENE A. DEPASQUALE
Auditor General

Report Distribution List	10

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2016</u>	<u>2017</u>	<u>2018</u>
Hampton Township	Allegheny	\$66,171	\$60,603	\$55,523

The volunteer firefighters’ relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

North Hampton Volunteer Fire Department

NORTH HAMPTON VOLUNTEER FIRE DEPARTMENT RELIEF ASSOCIATION
STATUS OF PRIOR FINDING

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has complied with the prior audit finding and recommendation, as follows:

- Insufficient Surety (Fidelity) Bond Coverage

By increasing the Surety (Fidelity) bond coverage to an amount greater than the balance of the relief association's cash assets.

NORTH HAMPTON VOLUNTEER FIRE DEPARTMENT RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Inappropriate Ownership Of Rescue Vehicle

Condition: On January 6, 2016, the relief association purchased a rescue vehicle, in the amount of \$36,730, to carry personnel and safeguard equipment; however, the title to the vehicle was inappropriately issued in the name of the affiliated fire company.

Criteria: Prudent business practice dictates that the relief association should maintain sole ownership of all equipment purchased by the relief association. As such, rescue vehicles purchased by the relief association are to be titled in the name of the relief association.

Cause: Relief association officials failed to establish adequate internal control procedures to ensure that the rescue vehicle purchased was titled in the name of the relief association.

Effect: As a result of the rescue vehicle being inappropriately titled in the name of the fire company, this relief association asset was not properly safeguarded. Furthermore, the relief association's future state aid allocations may be withheld until the finding recommendation is complied with.

Recommendation: We recommend that the rescue vehicle be titled in the name of the relief association. If such action is not taken, we recommend that the relief association be reimbursed \$36,730. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Due to the potential withhold of state aid, the relief association's compliance with the finding recommendation will be monitored subsequent to the release of the audit report and through our next audit of the relief association.

NORTH HAMPTON VOLUNTEER FIRE DEPARTMENT RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – Unauthorized Expenditures

Condition: The relief association expended funds for the following items during the current audit period that are not authorized by Act 118:

<u>Date</u>	<u>Check No.</u>	<u>Description</u>	<u>Amount</u>
07/29/2017	1323	Affiliated fire company bond premiums	\$ 341
07/31/2018	1345	Affiliated fire company bond premiums	341
Total			<u>\$ 682</u>

Criteria: Section 7416(f) of Act 118 states:

The funds of any volunteer firefighters’ relief association may be spent:

- (1) To pay for such normal and reasonable running expenses as may be appropriate to the businesslike conduct of the affairs of the association, including legal fees, rental or purchase of offices, payment of reasonable compensation of employees and purchase of office equipment and supplies.
- (2) To purchase contracts of insurance which, at a minimum, shall afford financial assistance to active members of the fire service represented by the association against losses due to injury suffered in the fire service and may also provide, in the order named: (i) for payments to the surviving spouse or other dependents of a member in the event of member’s death; (ii) for protection of active firefighters against disease; (iii) for replacement or purchase of prosthetic devices such as visual aids, hearing aids, dentures, braces, crutches and the like, where those devices have been lost or damaged while the owner was engaged in the fire service or where the need for those devices arose because of functional impairment attributable to participation in the fire service; (iv) for repair or replacement, if necessary, of articles of clothing or pocket pagers damaged or lost in the course of participation in the fire service; and (v) for disability incurred after service for a minimum of 20 years as a volunteer firefighter.
- (12) To secure insurance against the legal liability of volunteer firefighters for loss and expense from claims arising out of performance of official and authorized duties while going to, returning from or attending fires or performing their duties as special fire police.

NORTH HAMPTON VOLUNTEER FIRE DEPARTMENT RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

Costs associated with the purchase of bond premiums for the affiliated fire company do not qualify as authorized volunteer firefighters' relief association expenditures; consequently, these disbursements are not authorized under Act 118.

Cause: Relief association officials indicated that they were unaware that the aforementioned expenditures were not authorized by Act 118.

Effect: As a result of these improper expenditures, relief association funds were not available for investment purposes, or to pay for expenditures authorized by Act 118.

Recommendation: We recommend that the relief association be reimbursed \$682 for the unauthorized expenditures and that relief association officials become familiar with Section 7416(f) of Act 118 to aid them in determining the propriety of future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and, as a result of our audit, the affiliated fire company reimbursed the relief association \$682 for the unauthorized expenditures on November 19, 2019.

Auditor's Conclusion: We reviewed documentation verifying that the reimbursement of \$682 was received. Compliance for expenditures made during the next audit period will be subject to verification through our next audit.

NORTH HAMPTON VOLUNTEER FIRE DEPARTMENT RELIEF ASSOCIATION
POTENTIAL WITHHOLD OF STATE AID

A condition such as that reported by Finding No. 1 contained in this audit report may lead to a total withholding of state aid in the future unless that finding is corrected. However, such action may not be considered if sufficient documentation is provided within 60 days to verify compliance with this department's recommendations. Such documentation should be submitted by the relief association to: Department of the Auditor General, Bureau of Fire Relief Audits, Room 327 Finance Building, Harrisburg, PA 17120.
