COMPLIANCE AUDIT

Philipsburg Volunteer Firemen's Relief Association

Centre County, Pennsylvania For the Period January 1, 2019 to December 31, 2021

June 2022

Commonwealth of Pennsylvania Department of the Auditor General Harrisburg, PA 17120-0018 Facebook: Pennsylvania Auditor General Twitter: @PAAuditorGen www.PaAuditor.gov

TIMOTHY L. DEFOOR AUDITOR GENERAL

Mr. Wayne A. Siegfried, President Philipsburg Volunteer Firemen's Relief Association Centre County

We have conducted a compliance audit of the Philipsburg Volunteer Firemen's Relief Association (relief association) for the period January 1, 2019 to December 31, 2021. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

We were not able to obtain an independent confirmation of the investment balance directly from the financial institution. Therefore, while the relief association provided investment statements that indicated that, as of December 31, 2021, the relief association had an investment balance with a fair value of \$46,153, we were not able to verify this investment balance.

Based on our audit procedures, we conclude that, except for the effects, if any, of the matter described in the preceding paragraph, for the period January 1, 2019 to December 31, 2021, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds., except as noted in the findings listed below and discussed later in this report.

Finding No. 1 – Unauthorized Expenditure
Finding No. 2 – Failure To Maintain A Complete And Accurate Equipment Roster

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

Timothy L. Detoor

Finding No. 1 – Unauthorized Expenditure4
Finding No. 2 – Failure To Maintain A Complete And Accurate Equipment Roster5
Report Distribution List

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

The relief association was allocated state aid from the following municipalities:

Municipality	County	2019	2020	2021
Philipsburg Borough	Centre	\$11,870	\$12,017	\$10,699
Boggs Township	Clearfield	\$4,193	\$ 4,230	\$ 3,757

¹ 72 P.S. § 403 (as last amended by Act 44 of 2017).

² 35 Pa.C.S. § 7411 et seq. See specifically, 35 Pa.C.S. § 7418 (amended by Act 91 of 2020).

³ 53 P.S. § 895.701 et seq. (Act 205 of 1984, as amended by Act 119 of 1990).

BACKGROUND – (Continued)

Based on the relief association's records, its total cash and investments as of December 31, 2021 were \$92,263, as illustrated below:

Cash	\$ 46,110
Fair Value of Investments	 46,153
Total Cash and Investments	\$ 92,263

Based on the relief association's records, its total expenditures for the period January 1, 2019 to December 31, 2021 were \$59,567, as noted below. The accuracy of these expenditures was evaluated as part of the Department's audit to conclude on the relief association's compliance with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.⁴ The scope of the Department's audit does not include the issuance of an opinion on the accuracy of these amounts.

Expenditures:

Benefit Services:	
Insurance premiums	\$ 8,462
Death benefits	3,000
Total Benefit Services	\$ 11,462
Fire Services:	
Equipment purchased	\$ 28,536
Equipment maintenance	18,217
Training expenses	 495
Total Fire Services	\$ 47,248
Administrative Services:	
Other administrative expenses	\$ 243
Other Expenditures:	
Unauthorized expenditure	\$ 614
Total Expenditures	\$ 59,567

⁴ Accuracy was evaluated for a selection of transactions based on dollar amount, category, and/or random selection.

BACKGROUND – (Continued)

The volunteer firefighters' relief association and the affiliated fire service organizations are separate, legal entities. The relief association is affiliated with the following fire service organizations:

Hope Fire Company No. 2

Reliance Fire Company No. 1

PHILIPSBURG VOLUNTEER FIREMEN'S RELIEF ASSOCIATION FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Unauthorized Expenditure

<u>Condition</u>: The relief association expended \$614 for maintenance on a fire company owned vehicle during the current audit period that is not authorized by the VFRA Act.

Criteria: Section 7416(f) of the VFRA Act states:

The funds of any volunteer firefighters' relief association may be spent:

- (1) To pay for such normal and reasonable running expenses as may be appropriate to the businesslike conduct of the affairs of the association, including legal fees, rental or purchase of offices, payment of reasonable compensation of employees and purchase of office equipment and supplies.
- (11) To purchase safeguards for preserving life, health and safety of volunteer firefighters to ensure their availability to participate in the volunteer fire service.

Costs associated with maintenance on a fire company owned vehicle do not qualify as an authorized volunteer firefighters' relief association expenditure; consequently, this disbursement is not authorized under the VFRA Act.

<u>Cause</u>: The relief association official indicated that there was internal miscommunication regarding eligibility of the payment to be made from the relief association account for the vehicle maintenance.

<u>Effect</u>: As a result of this improper expenditure, relief association funds were not available for investment purposes or to pay for expenditures authorized by the VFRA Act.

<u>Recommendation</u>: We recommend that the relief association be reimbursed \$614 for the unauthorized expenditure and that relief association officials become familiar with Section 7416(f) of the VFRA Act to aid them in determining the propriety of future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

PHILIPSBURG VOLUNTEER FIREMEN'S RELIEF ASSOCIATION FINDINGS AND RECOMMENDATIONS

Finding No. 2 – Failure To Maintain A Complete And Accurate Equipment Roster

<u>Condition</u>: The relief association failed to maintain a complete and accurate roster of equipment owned by the relief association. Although a listing of relief association owned equipment was provided for items purchased during the current audit period, this listing was incomplete because it did not contain all names of suppliers (vendors), dates of purchase, and cost of equipment and did not accurately identify all of the equipment owned by the relief association. As such, it was impossible to determine if all equipment purchased during the audit period in the amount of \$28,536 was recorded. The relief association had previously provided a listing of items purchased since 1988; however, the listing provided for the current audit period only included items purchased since 2015. In addition, there was no indication that a physical inventory of equipment was conducted on an annual basis to account for the equipment owned by the relief association.

<u>Criteria</u>: Prudent business practice dictates that the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's equipment. A cumulative equipment roster of all relief association equipment should include all of the following:

- Types of equipment purchased
- Dates of purchase
- Unit costs
- Names of suppliers
- Serial numbers, if applicable
- Current locations of items
- Final dispositions of sold or damaged equipment
- Evidence of the performance and results of an annual physical inventory

<u>Cause</u>: The relief association officials did not provide a reason for why this occurred.

<u>Effect</u>: The failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual physical inventory of equipment prevents adequate accountability for, and safeguarding of, relief association equipment.

<u>Recommendation</u>: We recommend that the relief association officials maintain a cumulative equipment roster of all equipment owned by the relief association. Furthermore, the relief association should ensure it performs an annual physical inventory of all operable equipment and that the completion of the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

PHILIPSBURG VOLUNTEER FIREMEN'S RELIEF ASSOCIATION FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
