BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

VOLUNTEER FIREMEN'S RELIEF ASSOCIATION OF RINGTOWN, PENNSYLVANIA FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Inadequate Relief Association Bylaws

<u>Condition</u>: As cited as a verbal observation in our prior audit, the existing bylaws of the relief association do not contain all of the provisions required by Act 118 at 35 Pa.C.S. § 7415(c). Specifically, the bylaws do not address the quorum requirements for meetings, procedures for the approval and payment of expenditures, and procedures for the investments of funds.

Criteria: Act 118 at 35 Pa.C.S. § 7415(c)(2 and 6) states, that the relief association's bylaws shall:

- (2) State the notice requirements and procedure to be followed in calling meetings, well as quorum requirements for regular and special meetings of the membership and for regular and special meetings of the body which governs the operations of the association between membership meetings, and shall designate that body, whether it be a board of directors, trustees or any similar body such as an executive committee. Unless otherwise provided for in the bylaws, powers and duties of officers, directors and trustees shall be those which normally pertain to such positions in nonprofit corporations.
- (6) Establish procedures for the approval and payment of expenditures, investment of funds and sale of investments.

<u>Cause</u>: Even though notified of this condition during our prior audit, relief association officials again neglected to amend the relief association bylaws to meet the bylaw provisions required by Act 118.

<u>Effect</u>: As a result of the mandatory provisions not being included in the bylaws, the relief association may have conducted its affairs without proper authorization.

<u>Recommendation</u>: We again recommend that the relief association officials review and update the bylaws governing their organization so that the bylaws meet the requirements set forth in Act 118 and properly authorize the operating procedures of the relief association. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

VOLUNTEER FIREMEN'S RELIEF ASSOCIATION OF RINGTOWN, PENNSYLVANIA FINDINGS AND RECOMMENDATIONS

Finding No. 2 – Failure To Maintain Minutes Of Meetings

<u>Condition</u>: The relief association did not maintain minutes of meetings as required by Act 118. Specifically, the relief association's minutes did not address all of the financial-related transactions that occurred during the audit period.

Criteria: Act 118 at 35 Pa.C.S. § 7415(a) states, in part, that the relief association:

... must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

<u>Cause</u>: Relief association officials indicated that they were unaware that maintaining minutes of meetings was required by Act 118.

<u>Effect</u>: Without detailed minutes of meetings, evidence that relief association business was presented before the membership for approval does not exist.

<u>Recommendation</u>: We recommend that the relief association officials maintain a permanent record of all relief association meetings as required by Act 118. The minutes should include an adequate record of all financial-related business conducted by the relief association. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
