TIMOTHY L. DEFOOR
AUDITOR GENERAL

Mr. Joseph H. Judy, III, President
The Firemen's Relief Association of
Shamokin Dam, Pennsylvania
Snyder County

We have conducted a compliance audit of The Firemen's Relief Association of Shamokin Dam, Pennsylvania (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, for the period January 1, 2018 to December 31, 2020.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

We were not able to obtain copies of canceled or imaged checks from the relief association. While the relief association provided copies of bank statements, the relief association failed to provide copies of canceled or imaged checks. Without copies of canceled or imaged checks, we were not able to determine whether two relief association officers authorized and signed the checks as required by Act 118.

Based on our audit procedures, we conclude that, except for the effects, if any, of the matter described in the preceding paragraph, for the period January 1, 2018 to December 31, 2020:

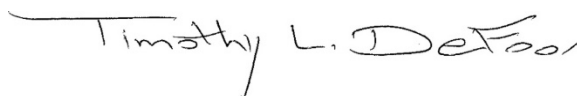

- The relief association took appropriate corrective action to address one of the two findings contained in our prior audit report. However, the relief association failed to take appropriate corrective action to address the one remaining finding contained in our prior audit report, as listed below and discussed in the Status of Prior Findings section of this report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 – Noncompliance With Prior Audit Recommendation – Inadequate Relief Association Bylaws

Finding No. 2 – Failure To Maintain A Complete And Accurate Equipment Roster

Finding No. 3 – Inadequate Financial Record-Keeping System

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

Timothy L. DeFoor
Auditor General

July 20, 2021

Finding No. 3 – Inadequate Financial Record-Keeping System.....	7
Report Distribution List	9

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 *et seq.*, the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 *et seq.* (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2018</u>	<u>2019</u>	<u>2020</u>
Shamokin Dam Borough	Snyder	\$8,534	\$9,234	\$9,325

Based on the relief association’s records, its total cash as of December 31, 2020 was \$11,238, as illustrated below:

Cash	<u>\$ 11,238</u>
------	------------------

Based on the relief association’s records, its total expenditures for the period January 1, 2018 to December 31, 2020 were \$39,439, as noted below. The accuracy of these expenditures was evaluated as part of the Department’s audit to conclude on the relief association’s compliance with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.¹ **The scope of the Department’s audit does not include the issuance of an opinion on the accuracy of these amounts.**

Expenditures:

Benefit Services:	
Insurance premiums	<u>\$ 7,312</u>
Fire Services:	
Equipment purchased	<u>\$ 31,927</u>
Administrative Services:	
Bond premiums	<u>\$ 200</u>
Total Expenditures	<u><u>\$ 39,439</u></u>

¹ Accuracy was evaluated for a selection of transactions based on dollar amount, category, and/or random selection.

BACKGROUND – (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Shamokin Dam Fire Department No. 1

THE FIREMEN'S RELIEF ASSOCIATION OF SHAMOKIN DAM, PENNSYLVANIA
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has complied with one of the two prior audit findings and recommendations, as follows:

- Unauthorized Expenditure

By receiving reimbursement of \$1,753 from the affiliated fire company for the unauthorized expenditure made in the prior audit period.

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has not complied with one of the two prior audit findings. This finding is noted below and discussed in detail in the Findings and Recommendations section of this report:

- Inadequate Relief Association Bylaws

We are concerned by the relief association's failure to correct this previously reported audit finding. The association management should strive to implement the recommendation and corrective action noted in this audit report.

THE FIREMEN'S RELIEF ASSOCIATION OF SHAMOKIN DAM, PENNSYLVANIA
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Noncompliance With Prior Audit Recommendation – Inadequate Relief Association Bylaws

Condition: The existing bylaws of the relief association do not contain all of the provisions required by Section 7415(c) of Act 118. Specifically, the bylaws do not address the quorum requirements for holding regular and special relief association meetings.

A similar condition was noted in our prior audit report.

Criteria: Section 7415(c) of Act 118 states that the relief association's bylaws shall:

- (2) State the notice requirements and procedure to be followed in calling meetings, as well as quorum requirements for regular and special meetings of the membership and for regular and special meetings of the body which governs the operations of the association between membership meetings, and shall designate that body, whether it be a board of directors, trustees or any similar body such as an executive committee. Unless otherwise provided for in the bylaws, powers and duties of officers, directors and trustees shall be those which normally pertain to such positions in nonprofit corporations.

Cause: The current relief association officials indicated that they were unaware of the mandatory bylaw provisions established by Act 118. This was in part due to the relief association having a change in the individuals filling the officers' positions during the current audit period.

Effect: As a result of the mandatory provisions not being included in the bylaws, the relief association may have conducted its affairs without proper authorization.

Recommendation: We again recommend that the relief association officials review and update the bylaws governing their organization so that the bylaws meet the requirements set forth in Act 118 and properly authorize the operating procedures of the relief association. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: We are concerned by the relief association's failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.

THE FIREMEN'S RELIEF ASSOCIATION OF SHAMOKIN DAM, PENNSYLVANIA
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – Failure To Maintain A Complete And Accurate Equipment Roster

Condition: The relief association failed to maintain a complete and accurate roster of equipment owned by the relief association. Although a listing of relief association owned equipment was provided during the current audit period, this listing was incomplete and did not accurately identify all of the equipment owned by the relief association. The relief association purchased \$31,927 of equipment during the current audit period, but the equipment for \$16,732 of those purchases was not properly accounted for on the relief association's equipment roster. In addition, there was no indication that a physical inventory of equipment was conducted on an annual basis to account for the equipment owned by the relief association.

Criteria: Prudent business practice dictates that the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association in order to provide an effective accounting control over the relief association's equipment. A cumulative equipment roster of all relief association equipment should include all of the following:

- Types of equipment purchased
- Dates of purchase
- Unit costs
- Names of suppliers
- Serial numbers, if applicable
- Current locations of items
- Final dispositions of sold or damaged equipment
- Evidence of the performance and results of an annual physical inventory

Cause: The relief association officers indicated that they were unaware of the issues with the equipment roster.

Effect: The failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual physical inventory of equipment prevents adequate accountability for, and safeguarding of, relief association equipment.

Recommendation: We recommend that the relief association officials maintain a cumulative equipment roster of all equipment owned by the relief association. Furthermore, the relief association should ensure it performs an annual physical inventory of all operable equipment and that the completion of the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

THE FIREMEN'S RELIEF ASSOCIATION OF SHAMOKIN DAM, PENNSYLVANIA
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

Finding No. 3 – Inadequate Financial Record-Keeping System

Condition: The relief association's financial record-keeping system did not establish adequate accounting procedures to allow the membership to effectively monitor the relief association's financial operations. The following are the noted deficiencies:

- A journal was not maintained to record the receipts and disbursements of the relief association.
- Ledgers were not utilized to record the transactions of the relief association accounts.

Criteria: Section 7415(a) of Act 118 states:

A volunteer firefighters' relief association may be a body corporate, governed by a charter and bylaws or an unincorporated association of individuals governed by bylaws and a constitution. In either case, it must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

In addition, an adequate system of accounting and record-keeping is a prerequisite for sound administration of relief association assets.

Cause: The current relief association officials indicated that they were unaware of the various record-keeping responsibilities. This was in part due to the relief association having a change in the individuals filling the officers' positions during the current audit period.

Effect: The failure of relief association officials to maintain adequate records prohibits the membership from effectively monitoring the relief association's financial operations.

Recommendation: We recommend that the relief association officials establish and maintain a financial record-keeping system that allows the membership to effectively monitor the relief association's financial operations. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

THE FIREMEN'S RELIEF ASSOCIATION OF SHAMOKIN DAM, PENNSYLVANIA
FINDINGS AND RECOMMENDATIONS

Finding No. 3 – (Continued)

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.

THE FIREMEN'S RELIEF ASSOCIATION OF SHAMOKIN DAM, PENNSYLVANIA
REPORT DISTRIBUTION LIST

This report was initially distributed to the following:

The Honorable Tom W. Wolf
Governor
Commonwealth of Pennsylvania

The Firemen's Relief Association of Shamokin Dam, Pennsylvania Governing Body:

Mr. Joseph H. Judy, III
President

Mr. Ben Metzger
Vice President

Mr. Jason Kline
Secretary

Mr. Aron Hummel
Treasurer

A report was also distributed to the following municipality, which allocated foreign fire insurance tax monies to this relief association:

Ms. LaDawn D. Leitzel
Secretary
Shamokin Dam Borough

This report is a matter of public record and is available online at www.PaAuditor.gov. Media questions about the report can be directed to the Pennsylvania Department of the Auditor General, Office of Communications, 229 Finance Building, Harrisburg, PA 17120; via email to: news@PaAuditor.gov.
