COMPLIANCE AUDIT

Sligo Volunteer Fire Department’s Relief Association
Clarion County, Pennsylvania
For the Period
January 1, 2017 to December 31, 2018

September 2019

Commonwealth of Pennsylvania
Department of the Auditor General
Eugene A. DePasquale • Auditor General
Mr. Jeffrey S. Mabold, President
Sligo Volunteer Fire Department’s Relief Association
Clarion County

We have conducted a compliance audit of the Sligo Volunteer Fire Department’s Relief Association (relief association) pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters’ Relief Association Act, as consolidated by the Act of November 23, 2010 (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 et seq., for the period January 1, 2017 to December 31, 2018.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not required to be and was not conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association’s administration of state aid and accumulated relief funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.
Based on our audit procedures, we conclude that, for the period January 1, 2017 to December 31, 2018, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Failure To Maintain Surety (Fidelity) Bond Coverage

The supplementary financial information contained in this report is presented for purposes of additional disclosure and analysis. We performed only limited procedures on the supplementary financial information and, accordingly, express no form of assurance on it.

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters’ Relief Association Act, as consolidated by the Act of November 23, 2010, (P.L. 1181, No. 118), at 35 Pa.C.S. § 7411 et seq., the Department of the Auditor General’s duty is to audit the accounts and records of every volunteer firefighters’ relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended, 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 118 governs the overall operation of volunteer firefighters’ relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, Act 118 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters’ relief association investment options. Within the parameters established by Act 118, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters’ relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association’s financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters’ relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters’ relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.
The relief association was allocated state aid from the following municipalities:

FINDING AND RECOMMENDATION

Finding – Failure To Maintain Surety (Fidelity) Bond Coverage

**Condition:** The relief association failed to maintain Surety (Fidelity) bond coverage on its authorized disbursing officer, as required by Act 118. Specifically, the relief association did not maintain coverage on its disbursing officer for the period March 1, 2018 through July 2, 2019. As of December 31, 2018, the relief association’s cash assets totaled $49,148.

**Criteria:** Section 7415(c)(4) of Act 118 states, in part, that:

> . . . the disbursing officer, whether designated treasurer, comptroller, financial secretary or otherwise, shall be bonded by corporate surety for faithful performance of duty. The amount of the bond shall be at least as great as the maximum cash balance in current funds of the association at any time during the fiscal year, and the premium on the bond shall be a proper charge against the funds of the association.

**Cause:** Relief association officials indicated that they were unaware of the Act 118 provision requiring the maintenance of Surety (Fidelity) bond coverage on the relief association’s authorized disbursing officer.

**Effect:** As a result of the authorized disbursing officer of the relief association not being bonded, the relief association’s cash assets were not adequately safeguarded.

**Recommendation:** We recommend that the relief association officials maintain Surety (Fidelity) bond coverage on the relief association’s authorized disbursing officer in an amount greater than the relief association’s maximum cash balance, as required by Act 118. For further guidance, please refer to the Auditor General’s publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS’ RELIEF ASSOCIATIONS.

**Management’s Response:** Relief association management agreed with the finding as presented at the audit exit conference and, as a result of our audit, the relief association purchased bond coverage in an amount greater than the relief association’s maximum cash balance on July 2, 2019.

**Auditor’s Conclusion:** We reviewed documentation verifying that bond coverage was obtained on July 2, 2019. Compliance for maintaining bond coverage during the next audit period will be subject to verification through our next audit.
